Business Majors require a minimum of 124 credit hours to graduate

- * Courses used to satisfy requirements in the major cannot be used to satisfy requirements for another major or a business minor.
- * A grade of "C" or higher must be earned in EN 101, EN 300, any math course, Business Core or other COB required course.
- * Only six hours of Business Electives can be taken below the 300 level.
- * BU157 cannot be used as a Business or MIS elective.

- * This curriculum sheet is a sample and is intended to be a tentative guideline for the order in which courses should be taken to fulfill the requirements of the major.
- * Courses may be taken out of the suggested order as long as the prerequisite system for each course has been fulfilled.
- * The course rotation is not fixed and is subject to change.
- * Courses taken during the summer, transfer courses from other universities and community colleges, and correspondent courses may be used to fulfill the major requirements.
- * Community college transfer students must earn at least 50 percent of their academic credits from a senior institution, including at least 25 percent of those hours from MUW. MUW does not award credit for technical or vocational courses.
- * The total number of general electives will vary.
