

CROSSROADS

Discipline:

As a part of Crossroads, students are subject to CMSD's ZERO TOLERANCE policy. This discipline policy will be in effect for Crossroads students while at Lee Middle School or Columbus High School, MUW, while using CMSD transportation, and on project field trips.

If at any time, a student is being continually disruptive (3 discipline referrals) or severely disruptive the Crossroads Project Manager and the Crossroads Project Director will meet to determine if the student may remain in the program. If a student loses privileges associated with Crossroads, he/she loses ALL privileges.

I understand the above discipline policy:

Attendance:

For each semester, students may not have more than 15 absences during the after school component at Lee Middle or Columbus High. On the 16th absence, the student has lost his/her place in the project and will be ineligible for the remainder of the year and summer. For the summer program, a student cannot have ANY unexcused absences during the week and still attend the Friday field trip activities.
