And More!

“MGS proved to me what the state has to offer and that I do not have to leave here to find what I want.”

“I learned so much more than in a public school in 3 weeks.”

“MGS helps us develop leadership, learn more about ourselves and others, and make a positive contribution to the community.”

“Humility was taught by our peers.”

“The program provides intellectually “advanced” students a creative way to explore the boundaries of their minds. It also brings together minorities and majorities to create brotherly unity.”

“ I have been able to meet some remarkable people who do not judge or discriminate. I feel accepted at MGS.”

“It’s a wonderful investment.”

“This is by far the best program I have ever been in.”
