

MOVING IN

Welcome to Housing & Residence Life

Dear Resident,

I am very glad you have decided to be a part of Housing & Residence Life at The W! Your room is ready for you and your roommate. If we have assigned you a double room, we encourage you to contact your roommate in order to get acquainted before Move-In Day. Please see your previously received assignment letter for your room and roommate assignment.

We look forward to seeing you on August 19th at noon for Move-In Day. Traffic routes for that day are located in your brochure. To provide assistance and welcome you, Housing & Residence Life staff and Blues Week Team members will meet you when you arrive.

Thank you for choosing Housing & Residence Life at The W. See you on August 19th.

Welcome to The W for the 2017-2018 school year!

The W offers a unique on-campus residential experience, with amenities such as main lobby areas, laundry facilities, and computer labs. Each hall provides high-speed internet access, suite-styled bathrooms, central heat and air and lounges on each floor. You'll have many conveniences and find a community of friends and common interests.

After you move in August 19th, there will be plenty of activities to introduce you to all The W has to offer. We invite you to participate in the many Blues Week events planned by the Division of Student Affairs in cooperation with other campus offices. There will be plenty of food, fun and fellowship that will make you feel immediately at home here.

Beginning in the fall, Housing & Residence Life and Counseling Services will host a variety of events in conjunction with the Office of Student Life, all designed to enhance your time on campus. These will range from cookouts to social and educational activities. Meanwhile, enjoy the rest of your summer. We look forward to seeing you on Move-In Day!
