

Summer Bridge Institute Alumni Association

The Summer Bridge Institute Alumni Association (SBIAA) was created for students and staff members who participated in the Summer Bridge Institute (SBI) at Mississippi University for Women (MUW). Since 1991, the SBI has been in existence at MUW. This organization will serve as a resource for SBI past and present participants to network, fellowship, and help current participants “bridge the gap” between high school and college. The association will also provide the Office of Diversity Education and Programs at MUW with an opportunity to track, monitor, and recognize the successes of its participants. Membership is available to any past/present student or staff member that participated in the program.
