

BEHOME VISIT US!

The W campus has been recognized as one of the South's most beautiful campuses and is within walking distance of historic downtown Columbus. Home to about 26,000 residents, the city offers opportunities for employment, affordable housing and cultural events.

The vibrant downtown offers plenty of community events, art festivals, restaurants, boutiques, the Rosenzweig Arts Center and the beautiful Columbus Riverwalk.

Columbus sits on the banks of the Tombigbee River, and has been home to icons, including Pulitzer Prize-winning authors, Oscar-winning producers, all-star athletes and many more.

We think you'll love our city.
