CENGAGE UNLIMITED

REDEEM YOUR PRINTED ACCESS CODE

Access cards can be purchased at your campus bookstore.

Check with your instructor to see which book materials are required for your course.

NOTE: You will only need ONE access card for Cengage Unlimited, which can be redeemed for all Cengage digital products. You can use it in more than one course!

You may need to access the Cengage content through Canvas. Your instructor can confirm this.

CONGRATULATIONS!
You're about to gain access to everything we've got!

If you have a **course link** provided by your instructor:

1. Visit your instructor-provided **course link** and follow instructions.
2. Enter the Access Code provided on this card when prompted.

If your course is in your campus **Learning Management System* (LMS)**:

1. Log in to your campus LMS.
2. Select your instructor's course and the Cengage content within that course and follow instructions.
3. Enter the Access Code provided on this card when prompted.

If **none of the above** applies to you, jump right in:

1. Go to **login.cengage.com** and create or sign-in to your account.
2. Click "Register Your Access Code" at the top right of your screen and follow the instructions to get started.

* Learning Management System refers to a platform a campus uses to make course material available to students and instructors online. Some examples include: Blackboard, Brightspace, Canvas, Moodle, etc.

NEED SUPPORT?
cengage.com/support

If your instructor is requiring the use of a digital homework platform (CengageNow, MindTap, SAM, OWL or WebAssign), ask them if you should enroll in the course through Canvas modules, or if you need a course key or course link to add to your Cengage Unlimited dashboard.

If you are directed to enroll in the homework platform using the Cengage Unlimited dashboard, you can enter your course key or link using the option below.

LET'S ADD A COURSE

ADD A COURSE

Students click this link to launch a module in which they can enter a course key or course link provided by their instructor to activate a digital course.

No matter the Cengage digital platform in use (i.e. MindTap, WebAssign, SAM, OWLv2, CNOW, aplia or iLrn) access to all digital platforms is included in Cengage Unlimited.

The only requirement is a student has been provided with a course key/link from their instructor.

SEARCH for an eBook

SEARCH

This is where students can search to discover all the ebooks and learning resources in Cengage Unlimited.

Search by author, title, subject, even ISBN.

NEED HELP? Cengage Support is available at **www.cengage.com/support**, by calling **1-800-354-9706** or by clicking the "Support" tab in your Unlimited dashboard.
