****Be sure to check specific major requirements.***

Transferable community college coursework is accepted at the freshman and sophomore level but may not be used to satisfy junior and senior level requirements. Community college transfer students must earn at least 50% of their academic credit from a senior institution, including at least 25% of those hours from MUW in order to be eligible for any baccalaureate degree. Credit for technical courses can be transferred only for the Bachelor of Technology Degree for students who have earned an Associate of Applied Science degree. Such technical courses cannot be used toward any other degree offered at Mississippi University for Women.
