

FIRST DAY[®] COMPLETE

*DRIVE SUCCESSFUL STUDENT OUTCOMES
THROUGH EQUITABLE ACCESS*

In the last 12 months, higher education has seen a significant increase in equitable access programs. A diverse range of institutions – community colleges and four-years, public and private, large and small – have already made the decision to bring this modern approach to course material delivery to their students.

BARNES & NOBLE COLLEGE'S EQUITABLE ACCESS SOLUTION IS FIRST DAY® COMPLETE.

First Day Complete ensures that **ALL** students across **ALL** courses have access to their learning materials before the first day of class, allowing them to engage with course content from day one and support their academic success.

The cost of the course materials are bundled into tuition or applied as a course charge, allowing your campus bookstore to provide all physical and digital materials via in-store pickup, shipping, or electronic delivery – all through a personalized concierge service.

Faculty maintain full academic freedom with the support of a dedicated team and resources.

STUDENTS ARE READY FOR A CHANGE.

In our May 2021 national Student Pulse survey, 89% of students said they were interested in bundling course materials with tuition.
