EFFECTIVE DATE:	February 4, 2022
PURPOSE:	To define the functions of the Enrollment Management Council
REVIEWER AND	Vice President for Academic Affairs
REVIEW DATE:	Fall 2026 and every five years thereafter
OPERATING DETAILS:	

The function of the Enrollment Management Council is to support student recruitment, retention, and completion. The Council is responsible for examining and making recommendations regarding processes, procedures, and structures which may impact student enrollment.

The Council will develop enrollment goals (long-term and short-term goals) and determine strategies to accomplish each goal. The work of the Council, including goals and recommendations, will be submitted to the University President for approval.

The Council will collaborate with on-campus and off-campus constituencies for consultation, research, and implementation.

Members of the Enrollment Management Council are appointed by the University President and include the following (designees may serve in the capacity of the appointee, upon approval of the President):

Provost and Vice President for Academic Affairs, Chair
 Vice President for Administration and CFO
 Vice President for Student Affairs
 Chief Information Officer
 Executive Director of University Relations
 Director of the Student Success Center
 Director of Admissions
 Director of Financial Aid
 Director of the Honors College
 Director of Athletics
 Registrar
 Academic Deans
