AUTHOR: Technology Task Force

APPROVAL DATE: June 16, 2015

EFFECTIVE DATE: June 16, 2015

PURPOSE: To define the functions of the Campus Technology Advisory Council

REVIEWER: Chief Information Officer

REVIEW DATE: Spring 2025 and every five years thereafter

OPERATING DETAILS:

1. The function of the Campus Technology Advisory Council is to advise President's Cabinet about the current state and future direction of campus technology. The Council is responsible for examining campus technology as well as the enterprise system, and making recommendations regarding, corresponding processes and procedures as well as evaluating new technologies that may impact campus.

2. The Council will annually survey campus stakeholders (e.g. students, faculty, staff) to assess the desired state of campus technology. Informed by these findings, the Council will develop goals and recommendations to be submitted to the University President for approval.

3. The Council will issue an annual progress report to determine the current status of key technological objectives.

4. Members of the Campus Technology Advisory Council include the following (designees may serve in the capacity of the appointee, upon approval by the President):
    Chief Information Officer (Chair of the Committee)
