Julia would like to be able to offer any of these classes beginning in the spring 2020. Currently some of them are being offered as FPA classes for the fall for students already here that want/need an additional instrument class.

Kristi DiClemente made the motion to approve the proposals as presented. Amanda Dahl seconded the motion and the proposals were approved unanimously.

### **New Business**

The College of Arts, Sciences & Education is the next in rotation for Vice Chair. Kristi DiClemente offered to take on this position and will be in line for Chair for 2020-2021 school year.

### **Old Business**

- Degree Works – The biggest and most important thing for now is that all degree plans for majors, minors, and certificates MUST be accurate in the catalog and audit sheets so that when the company starts scribing them they are right. Errors will lead to big problems down the line. Lynn said that the catalog that will be scribed is 2018-2019. Any changes to be made would have to be done by us.
- Revising UCC Forms – Chad will follow up with Dee Dee to see about any updates to the forms. And inquire about the possibility of using Canvas for the proposals.

Our next meeting is scheduled for:

**October 4, 2019, at 1:30 pm.**

Proposals will be due by noon September 25, 2019.
