16. Offer a New Course – HED 299 Special Topics in Public Health Education
17. Modify an Existing Curriculum – Kinesiology Teacher Certification

Council Actions for December 5, 2014

Student Success Center

David Brooking and Jennifer Box presented the following proposals for the Student Success Center:

1. Modify an Existing Course – LS 101 Learning Skills
2. Modify an Existing Course – LS 102 Learning Skills

These proposals will change the number of credit hours from three (3) to two (2). The classes will be hybrid and will also teach students blackboard. It will also reduce the overlap of UN 101 class content and give students a chance to take more hours toward a degree. Dee Dee Larson made the motion to accept the proposals as presented. Royal Toy seconded the motion. The proposal was approved unanimously.

Bridget Pieschel presented the following proposals for Arts & Sciences:

3. Modify an Existing Course – GEO 306 Geography of the Muslim World

All other 300 level GEO courses do not require a prerequisite and GEO 306 is the only one that still has it as a requirement even though it is not needed.

This proposal is remove GEO 101 as a prerequisite for this class. Kim Whitehead made the motion to accept the proposal as presented. Donna Burlingame seconded the motion. The proposal was approved unanimously.

4. Modify an Existing Curriculum – Minor in International Studies

The changes in this proposal will bring consistency to the minors offered in the Department of History, Political Science, & Geography. Courses which count towards this minor program will also be allowed to count towards students' General Education requirements. GEO 306, Geography of the Muslim World, will now be an option to fulfill part of this minor's requirements, and may increase interest in the International Studies minor. The advisor for this program needs to be changed from Dr. Brian Anderson to Dr. Amber Hardy. Royal Toy made the motion to accept the proposal as presented. Kim Whitehead seconded the motion. The proposal was approved unanimously.

Informational Items

It was suggested at this meeting that future proposals from the Student Success Center should have a letter of support from the Provost.

The College of Arts & Sciences will send a memo to the UCC Chair regarding GEO 306 Geography of the Muslim World, which will now fulfill General Education requirements as a social sciences course.

Old Business

New Business

Our next meeting is scheduled for February 6, at 1:30 p.m. Proposals will be due by noon January 28, 2015.
