The Undergraduate Curriculum Council met on September 2, 2005, at 2:00 p.m. in the Faculty Senate House. The minutes of May 6, 2005 were approved as read by unanimous vote.

Dr. Kelly provided the council with a copy of a letter from Dr. Jo Spearman that served as notification of the Modifications to Exercise Science, Pre-PT, and OT curricula as discussed at the May 6, 2005 meeting. These curricula were modified in order to reduce the credit hours for the degree to 124. The modifications presented resulted in a reduction of more hours than was required. The council approved of further modifying these curricula to add elective hours back into the curricula without another formal presentation to the council.

Dr. Rebecca Kelly informed the council that due to some of the changes in the Culinary Arts Institute, and additional duties she had acquired, she would be stepping down as Chair of this council. Rochelle Hughes, as Vice Chair, will be accepting the role of Chair, and Dionne Fortenberry will be Vice Chair.

Dr. Kelly and the Council welcomed Lisa Powers as the new Secretary for the Council. Dr. Kelly offered her services to Lisa in getting her oriented and organized. Lisa will handle the agendas and minutes as discussed in the last meeting.

Dr. Gingerich praised Dr. Kelly for her service as Chair of the Council. He noted that while she if is relatively new to the campus, during her tenure as Chair, she demonstrated a solid knowledge of academic requirements.
Discussion on dates, times and places of the Council meeting concluded with continuing meeting on the first Friday of each month at 2:00 pm. and moving the meeting from the Senate House to the Welty Boardroom.

The next meeting will be October 7, 2005, at 2:00 p.m. in the Welty Boardroom.
