*150% of Normal Time is 6 years for a Bachelor's degree and 3 years for an Associate's degree.*

*The 150% graduation rate is calculated as the total number of completers divided by the revised adjusted cohort.*

*The Bachelor's cohort only counts a Bachelor's degree earned within 6 years as a completion.*

*The Associate's cohort only counts an Associate's degree earned within 3 years as a completion.*

*The total cohort includes both the Bachelor's cohort and the Associate's cohort.*

*A dash represents a category with less than five students or a category not represented.*

*The 150% graduation rate for the Associate's cohort may be misleading because most of our Associate's degree seeking students enter as a first-time transfer. The 150% graduation rate does not include first-time transfers.*
