

# MUW QEP 2022

We need your help! MUW's QEP is in the initial planning stages and we need feedback from faculty, staff, and students regarding its direction and scope. Right now, the stated goal and outcomes for this QEP are:

Goal: To produce graduates who are prepared for a competitive marketplace and to succeed over the course of their professional lives.

- Students will demonstrate effective critical thinking and communication skills appropriate to their discipline and be able to communicate their value to potential employers.
- Students will have the opportunity to engage in real world experiences, such as internships, experiential learning, or service learning.
- Students will exhibit the ability to present themselves as a professional and engage with others in a professional environment.

We need to hear from you and gain more understanding of where you think this QEP should lead. Below is a schedule for listening sessions. **The adopted QEP proposal will be amended based on feedback given at these sessions. Your participation in this process will be crucial to the crafting of a successful QEP.** Please plan to attend if you are able or offer feedback via email to the QEP chair or college representatives.

Listening Session Schedule: **All sessions are in the Fant Memorial Library Tiered Classroom**

Arts & Sciences: Thursday, October 20<sup>th</sup>. 12:30 PM

Business & Professional Studies: Friday, October 21<sup>st</sup>. 10:00 AM

Nursing & Health Sciences: Tuesday, October 25<sup>th</sup>. 10:00 AM

School of Education: Thursday, October 27<sup>th</sup>. 10:00 AM

\*A zoom option will be available for each session

For more on the QEP and SACSCOC process, please see: <https://web1.muw.edu/qep>
