Mississippi University for Women

Vision, Mission and Guiding Principles

Vision

Building on its long tradition of excellence in liberal arts and professional education, as well as its historic focus on academic and leadership development for women, Mississippi University for Women will continue to be a university that prepares both women and men for successful lives by providing a high-quality education in a personalized learning environment.

Mission

Mississippi University for Women provides high quality undergraduate and graduate education for women and men in a variety of liberal arts and professional programs while maintaining its historic commitment to academic and leadership development for women. Emphasizing a personalized learning experience, the University engages in a variety of instructional methodologies to provide educational opportunities in a diverse and inclusive environment. The institution promotes research, scholarship, and creativity to enhance student development and achievement as a platform for lifelong education and growth.

Revised October 21, 2021.

Guiding Principles

MUW provides high-quality instructional programs that emphasize teaching and learning. With faculty and staff of the highest caliber, MUW is dedicated to providing a campus environment that encourages lifelong learning, strong career preparation, and personal growth. Graduates are expected to have skills in communication, technology, and critical thinking, as well as an awareness of self, gender-related issues, cultural diversity, and responsible citizenship.

MUW is student oriented. MUW provides small classes and emphasizes personalized student attention, so that each student will have the opportunity to succeed. MUW offers a student-life program that stimulates learning and leadership development.

MUW values research, scholarship, and creativity. While MUW is primarily a teaching institution, the university supports research, scholarship, and creativity to enhance the professional development of faculty and staff in order to better prepare students.

MUW is committed to diversity among its faculty, staff, and students. The faculty, staff, and students of MUW represent the global society in which we live. MUW believes that diversity allows students to grow in their understanding of self and others.

MUW endorses sound organizational principles and is committed to operational efficiency, collaborative strategic planning, institutional effectiveness, and creative problem solving.

MUW meets regional, state, and national needs for higher education. The University responds to the needs of the local community by providing cultural activities; programs for intellectual, professional, and social development; and by assisting in economic development. MUW extends its outreach to the state and nation using multiple delivery methods, including the internet and other advanced systems.

MUW is committed to public service. MUW forms partnerships with businesses, as well as with educational, governmental, public service, and charitable organizations, to create opportunities that provide economic and social advantages for the institution, community, and region.

Mississippi University for Women

Strategic Priorities and Goals 2021 - 2026

Academic Excellence

Academics are at the heart of a W education. Our dedicated faculty, respected in their fields, champion a commitment to teaching shaped by their research, scholarship, and creative expressions. Partnered with an equally committed staff, they foster a learning environment that is both broad and highly personalized. For the W, academic excellence results in graduates who are equipped for the competitive and diverse global economy.

- Provide a comprehensive academic experience
- Prepare students to be life-long learners and contributing members of today's global economy
- Provide resources to foster excellence in teaching
- Recruit and retain a diverse faculty and staff

Advancement Excellence

A strength of any institution is the level of engagement with those it serves. At The W, that includes a diversity of constituents: students, faculty, staff, alumni, friends, the community, and elected officials. By cultivating these relationships, we build support critical to the future of The W. One important outcome of valued relationships is the continued generosity of our larger W family, providing resources that allow us to improve quality across all aspects of the institution.

- Continue a culture of giving
- Foster pride in the university and its programs
- Offer more programming representative of diverse alumni base
- Provide resources to assist students financially
- Enhance services to shape career-ready graduates

Community Connections

The W's unique niche is not confined by geographic boundaries. By serving its communities through programs and partnerships, both locally and globally, the university will continue to communicate its value and explore ways to create significant impact through its areas of strength. It should also identify innovative and diverse approaches that enhance health, quality of life, cultural enrichment, and society's overall economic potential.

- Cultivate collaborations to create healthy and vibrant communities.
- Provide outreach to underserved and diverse populations of our communities

- Forge meaningful and engaged partnerships that provide real-life experiences for students
- Contribute to the cultural enrichment of our communities

Degree Completion

The W recognizes that Degree Completion requires recruitment, retention, and support through graduation and into a career. We aim to provide wholistic support for all students throughout their time at the university.

- Recruit a diverse student body to ensure a vital university community
- Provide equal access to advising, mentoring, and support services to all students
- Assist students to maintain financial, physical, emotional, and mental well-being
- Support students through degree completion and into their careers

Diversity, Equity & Inclusion

The W is on a mission to create a welcoming, diverse, equitable, and inclusive campus climate for all. As the university strives to reach the highest levels of academic excellence, it's also essential that the university foster an environment where all members of the campus community can flourish. Diversity recognizes the value of varied perspectives which helps drive innovative solutions to an ever-changing world.

- Create an inclusive and equitable campus climate reflective of the growing diversity in our communities, state and nation
- Communicate mission and or vision statement on inclusive values
- Connect internal and external constituencies to opportunities at the university
- Capture, promote and enhance overall curriculum and programming that enhances multicultural awareness and understanding

Financial Sustainability

A financial model supports the efforts and goals of academics, student services, and the campus as a whole. The W's mission-driven approach involves clear strategic planning and actions that ensure the ongoing financial health of the University.

- Develop a strategic budget model
- Enhance and maintain campus infrastructure and facilities
- Invest in faculty and staff hiring and development

Academic Year 2021-22 (AY2021-22) – The Institutional Profile is for the 2021-22 academic year and includes the Summer 2021, Fall 2021, and Spring 2022 terms. Some reporting terms may vary depending on the length of time for each metric.

University System Average – The university system average is based on eight institutions and includes the Medical Center with the University of Mississippi in most instances. Figures including UMMC data are denoted with an asterisk (*).

Total Headcount Enrollment – Total headcount enrollment figures are unduplicated for the academic year. Academic level and degree objective are for enrollment are based on the last term of attendance for the year. [Source: IHLMIS]

Total Full-Time Equivalent (FTE) Enrollment – Total full-time equivalent enrollment figures are based on undergraduate and graduate credit hour activity over a 12-month period. Calculation uses a trailing summer in accordance with IPEDS. [Source: Federal IPEDS]

Entering Freshmen – Entering freshmen figures are based on an unduplicated count of entering freshmen at any point during the academic year. [Source: IHLMIS]

Entering Transfers – Entering transfer figures are based on an unduplicated count of entering transfer students at any point during the academic year from Mississippi's community colleges and all other postsecondary institutions. [Source: IHLMIS]

Science, Technology, Engineering, Mathematics (STEM) Enrollment & Degrees – STEM enrollment includes the number of undergraduate students majoring in science, technology, engineering, and mathematics as defined by the National Science Foundation (NSF). A complete listing of the NSF-STEM majors can be found at <http://www.ice.gov/doclib/sevis/pdf/stem-list.pdf> [Source: IHLMIS]

Education (Including Non-Teaching Areas) and Nursing Enrollment (All Undergraduate Levels) Enrollment & Degrees - Education enrollment includes the number of undergraduate students majoring in any education discipline according to the 13 CIP code. This includes teaching and non-teaching education majors. Nursing enrollment includes the number of undergraduate students majoring in any nursing discipline. [Source: IHLMIS]

Undergraduate Degrees per 100 Undergraduate FTE Enrollment – Figures indicate the number of undergraduate degrees awarded per 100 undergraduate FTE students. Undergraduate degrees include certificates, associates, and baccalaureate degrees. Undergraduate FTE is based on a four-year average of annual undergraduate FTE figures. [Source: Degrees – IHLMIS; Student FTE – Federal IPEDS]

Intermediate Enrollment – It should be noted that institutions have varying academic policies regarding intermediate enrollment. Intermediate enrollment includes the number of students taking one or more Intermediate courses. The three intermediate groups (math only, English only, and both math and English) are treated as three separate groups. Figures are based on Fall term data and exclude the Academic Support Lab. [Source: IHLMIS]

Student Progress – Full-time status includes students taking 12 or more hours during the fall term while part-time students include students taking less than 12 hours during the fall term. Students earning zero credit hours for the entire academic year were excluded from the metric since most were not enrolled for the entire academic year. [Source: IHLMIS]

Retention Rates – Retention rates reflect the percentage of first-time, full-time entering freshmen during the Fall 2020 term who return for the Fall 2021 term. [Source: Federal IPEDS]

Graduate Rates – Graduation rates reflect the percentage of first-time, full-time freshmen during the Fall 2014 term who graduated at 4-year (100% of normal time), 6-year (150% of normal time), and 8-year (200% of normal time) intervals. [Source: Federal IPEDS]

External Research Dollars – External funds provided to the university by a variety of sources (primarily federal) for the purpose of advancing the research mission of the institution as well as contributing to teaching and service missions. Research dollars for this report does include federal CARES funds associated with COVID. [Source: IHL Universities]

Percent of Median Family Income Required to Cover Tuition and Fees – The median household income figure was derived from the American Community Survey (ACS) conducted by the U.S. Census. The tuition and fee figures reflect 2020-21 tuition and fees with average room (for double occupancy) and board (average plan) charges approved by the IHL Board. [Sources: U.S. Census & IHL Finance]

State Expenditures per Total FTE Student – State expenditures for FY2022 were calculated by combining on-campus and off-campus expenditures minus capital expense funds using institutional MBR reports. FTE student figures were derived using 12-month figures from IPEDS. [Source: Federal IPEDS and IHL Finance MBR Reports]

Instructional Faculty with Terminal Degree – Figures represent the percentage of full-time instructional faculty with a terminal or first-professional degree. Terminal degrees also include master's degrees in fine arts (M.F.A.), social work (M.S.W.) and library science (M.L.S.). [Source: IHLMIS]

Appendix B: Explanation of Terms

Academic Year is the year that begins with the first summer session and continues through the next spring session; for example, Academic Year 2023-2024 refers to Summer 2023, Fall 2023, and Spring 2024.

ACT is the American College Test, which is divided into four main sections: Mathematics, English, Reading, and Science Reasoning.

Census Date is the official reporting date of a semester. For AY 2023-2024, the census date is November 1st for the Fall 2023 semester and April 1st for Spring 2024 semester. Prior to AY 2018-19, for the fall and spring semesters, there was a census window between the 10th and 15th class days; MUW typically selected the 10th day of classes as the census date. For summer, the census window is immediately following the official 'drop without penalty' date for each individual term. The census window for summer did not change in AY 2023-24. Summer enrollment is created by combining the individual terms.

CIP Codes are the Classification of Instructional Program Codes that are updated every 10 years. We are currently operating under the 2020 CIP Codes. These six-digit codes are used to answer questions concerning program enrollments and completions on three of the IPEDS Surveys: Institutional Characteristics, Completions, and Enrollment.

Cohort refers to a specific population, which is studied over a period of time, such as a group of students who enrolled for the first time in the Fall of 2023.

Fiscal Year is the year that begins on July 1 and ends on June 30; for example, Fiscal Year 2023 - 2024 (FY 2024) extends from July 1, 2023 through June 30, 2024.

Full-time graduate student is one who is enrolled in 9 or more semester credit hours.

Full-time undergraduate student is one who is enrolled in 12 or more semester credit hours.

Graduate FTE (full-time equivalent) is calculated by dividing total graduate semester credit hours by 12.

Headcount as defined by IHL is the actual number of different individuals enrolled in credit courses. Headcount can be unduplicated or duplicated; a duplicated headcount duplicates students who take classes on more than one campus. According to IHL's duplicated headcount definition, an undergraduate student who takes nine hours on main campus and three hours at

Tupelo is counted as two part-time undergraduate students. In duplicated headcount, a student's full-time/part-time status is determined by hours per campus not total hours taken.

IHL refers to the Board of Trustees of State Institutions of Higher Learning in Mississippi.

IHL Course File documents credit hour production by academic level and discipline for an academic term.

IHL Degree File contains the students receiving an IHL approved degree and/or certificate during an academic year.

IHL Employee File contains personnel data for each part-time and full-time employee on the payroll of the institution as of the official reporting date, November 1st.

IHL Instructional File contains academic and other information on those employees who are on the institution's payroll as of the official reporting date, November 1st, and serve in an instructional capacity at the institution.

IHL Student File includes information on all students enrolled at an institution on the census date who are taking academic courses while paying, or making financial arrangements to pay (including loans, scholarships, etc.), for the courses.

IPEDS is the Integrated Post-secondary Education Data System.

Non-traditional student, as defined by IHL, refers to an undergraduate student who is 25 years of age or over.

Part-time graduate student is one who is enrolled in less than 9 semester credit hours.

Part-time undergraduate student is one who is enrolled in less than 12 semester credit hours.

Ranked faculty are full-time faculty positions including instructors, assistant professors, associate professors, and professors.

SREB (Southern Regional Education Board) States include: Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Mississippi, Maryland, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia.

Student Level, as defined by IHL

Definitions Effective as of the Beginning of Summer 2001

Freshmen – Students who have completed less than 30 semester hours.

Sophomores – Students who have completed at least 30 semester hours, but fewer than 60 semester hours.

Juniors – Students who have completed at least 60 semester hours, but fewer than 90 semester hours.

Seniors – Students who have completed at least 90 semester hours, but have not completed all the requirements for the undergraduate degree for which she/he is currently enrolled.

Fifth Year Level – Student is at advanced undergraduate upper level in five-year programs (e.g. architecture and engineering) or students with a bachelor's or higher degree who are taking additional undergraduate courses.

Master's – Student is in a program or degree that usually covers one year and approximately 30 semester hours above the baccalaureate.

Specialist – Student is in a program or degree that usually covers one year and approximately 30-36 semester hours above the baccalaureate.

Doctoral – Student is in a program or degree that usually covers two years and approximately 60 semester hours above the master's.

Unclassified Post-baccalaureate – Student is not a candidate for a Baccalaureate degree or other formal award, although taking graduate classes with other students. Includes but is not limited to “special” and other students taking first-professional or graduate courses, but who are not working toward a degree.

First Professional – Student is in the first year of a Year/Level 1 program or degree leading to the first level of professional training, as recognized by others in the profession. Examples: J.D., M.D., D.V.M., etc.

Total Operating Budget includes restricted, designated, and auxiliary funding.

Type of current registration as defined by IHL:

First-time Freshman – (First-time Freshman--(1) A student who has never attended a college or university; or (2) a student who has previously attended any college or university for the first time in the prior summer term; or (3) a recent high school graduate who graduated in May and enrolled the following Fall term (regardless of summer enrollment); or (4) a student who successfully completed the twelve hour Summer Developmental Program regardless of the institution

attended; or (5) a student with advanced standing (AP, CLEP or college credits earned before high school graduation).

As a general rule, recent high school graduates who enroll in the fall term after graduation should be counted as first-time freshmen, regardless of their academic activity between graduation and their fall enrollment. Students who skip the fall term and enter in the spring are still considered to be first-time freshmen if they have not attended another postsecondary institution. However, students who skip the fall and enroll in the spring with any prior coursework after high school are considered to be first-time transfers.

Note: Starting with the Summer 2009 term, the 12-hour requirement for first-time freshmen has been omitted in order to meet IPEDS criteria. Prior to that time first-time entering freshmen could not have more than 12 hours.

Unusual Examples of First-time Freshman:

A student completes the 9-week Summer Developmental Program at MSU and enrolls at MUW the following fall term. The student would be a first-time freshman at MUW.

All Summer Developmental Program students are to be coded as first-time freshmen regardless of institution attended.

A student graduates from Biloxi high school in May, earns 6 AP hours, takes 12 credit hours at Gulf Coast Community College the following summer, and enrolls at MUW the following fall. The student would be a first-time freshman at MUW.

A student graduates from Biloxi high school in May, takes 9 credit hours at Gulf Coast Community College the following summer, and enrolls at MUW the following spring term (he or she skips the fall term to work). *The student would be a first-time transfer at MUW.*

A student graduates from Tupelo high school in May, earns 15 AP hours, takes 15 credit hours at Northwest Community College the following summer, and enrolls at MUW the following fall. The student would be a first-time freshman at MUW (but have a sophomore academic level).

Returning Undergraduate Student – An undergraduate student who has registered at this institution during the preceding regular term and would not be classed as a first-time freshman.

Readmitted Student – An undergraduate student who previously attended this institution but did not attend this institution during the previous regular term.

First-Time Transfer Student --An undergraduate student entering the reporting institution for the first time who previously attended another postsecondary institution---exceptions include the first-time freshmen criteria outlined above. *These students may or may not have transfer credit hours.*

Note: Starting with the Summer 2009 semester, the 12-hour requirement for first-time transfers has been omitted in order to meet IPEDS criteria. Prior to that time first-time transfers were required to have at least 12 hours from another institution.

Note: Starting in Summer 2015, a student considered to be a first-time transfer student in the summer term should also be considered a first-time transfer student in the fall term (just as

summer first-time freshmen are also first-time freshmen in the fall).

Unusual Examples of First-time Transfers:

A student attends Gulf Coast Community College as an entering freshman during the fall term and enrolls in 12 hours, but he or she is unable to complete the semester because of a medical hardship. When the student enrolls at MUW the following spring term, he or she is a first-time transfer student despite having no transferable hours (previously attended institution).

A student graduates from Biloxi high school in May, takes 9 credit hours at Gulf Coast Community College the following summer, and enrolls at MUW the following spring term (he or she skips the fall term to work). *The student would be a first-time transfer at MUW.*

Returning or Transfer Graduate Students – A student who is enrolled for credit for work creditable toward a graduate degree, i.e., master's, specialist, or doctorate and was previously registered as a graduate student at this institution or another institution.

First-Professional Student – A student who is enrolled for work creditable toward a first professional degree (law, dentistry, medicine).

Transient Student – A student who is regularly enrolled and in good standing at an institution other than the reporting institution and is taking a course or courses at the reporting institution which he/she intends to transfer to his/her regular institution.

High School Student Taking College Courses – A student who is still in high school but has special permission to take a college level course.

Non-formula Students 21 and over - A student who is currently registered under provisions or original admission code of 6 on data element 4-112 which is for students who are at least age 21 and who do not meet admissions standards and who do not fall into the first five Original Admission Code categories.

First-time graduate student – A new graduate student. One who has not been registered previously as a graduate student.

Other – A student who is not classified in one of the preceding categories.

Summer Developmental Program Participant – A student enrolled in the Summer Developmental Program. Valid in summer term only.

Returning Post Baccalaureate - A student who has already earned his or her baccalaureate degree (from any institution) and is taking additional undergraduate or graduate courses to continue his or her education. This is typically a non-degree student who is not enrolled in an academic program. This may include faculty and staff taking courses for lifelong learning.

Unduplicated headcount figures count each individual student once regardless of the number of branch campus affiliations (Gulf Coast, Hinds, Tupelo, Italy).

Undergraduate FTE (full-time equivalent) is calculated by dividing total undergraduate semester credit hours by 15.
