Legislative Updates – Dr. Tollison gave an update regarding the discussion of the HB 1193. Currently, the plan is to wait to see if a shared approach across the system is taken. He shared IHL proposed Policy 1112 with the Council related to handling complaints around HB 1193. He stated that he hoped the update would help members of the Council answer questions that might arise from their constituents and if they wished to communicate anything from the update to their constituents, they should feel free to do so.
