Unit Name	Outcome Name	Outcome	Assessment Method	Achievement Target	Reporting Period	Result Type	Result and Analysis	Action
Program - Early Childhood Development - BS {2019-2020}	1.1 (SAO & GEO 5.a.)	Students will demonstrate an understanding of and integrate content and skills by developing a final portfolio project demonstrating the connections among key concepts and skills in ED 404 – Teacher Internship: Early Childhood.	The instructor for ED 404 will provide summative assessment of the final project using the AAC&U Lifelong Learning Value Rubric.	Students will be able to demonstrate an understanding of content knowledge and skills specific to their student focus groups by the final project on lifelong learning in the areas of curiosity, initiative, independence, transfer and reflection by scoring a collective average of 2 or better (benchmark or better) on the AAC&U Lifelong Learning Value Rubric.	2024 - 2025	Target Met	We had 4 ECD completers in ED 404 during the 24-25 school year, two in Fall 24 and two in spring 25.	Recruitment will still be a goal for the 25-26 school year. We hope to increase student numbers in our ECD programs.
	2.1 (SLO)	Students will explore and analyze issues, ideas, and/or events in a way that serves an ultimately career-related purpose.	The instructor for ED 404 will use the AAC&U Inquiry and Analysis VALUE Rubric to assess the career-related component of ED 404 - Teacher Internship: Early Childhood.	Student effort on career-related elements of the portfolio will produce at least an average score of “3” for each of the six items measured in the AAC&U Inquiry and Analysis VALUE Rubric: (1) topic selection; (2) existing knowledge, research, and/or views; (3) design process; (4) analysis; (5) conclusions; and (6) limitations and implications.	2024 - 2025	Target Met	We had four student completers in the program during the 24-25 school year.	CPDC Director/ECD Faculty member will lead early childhood recruitment and program development efforts. The new Center for Education Support will continue to engage with the Education Department in efforts to increase ECD enrollment.
	3.1 (GEO 1.c.)	Students will demonstrate effective context and purpose for writing, content development, genre and disciplinary conventions, source and evidence use,	The instructor for ED 404 will utilize the AAC&U Written Communication VALUE Rubric to assess written components of the	The average score for students enrolled in ED 404 who are completing the Capstone project will be no lower than a 3.0 on the AAC&U Written	2024 - 2025	Target Met	Four ED 404 students completed during 24-25 school year.	CPDC Director/ECD Faculty member will lead early childhood recruitment and program development efforts. The new Center for Education Support will continue to engage with the Education Department in efforts to

	3.1 (GEO 1.c.)	and control of syntax and mechanics.	student’s portfolio project.	Communication VALUE Rubric.	2024 - 2025	Target Met	Four ED 404 students completed during 24-25 school year.	increase ECD enrollment.
	4.1 (SPG D.4)	Students will demonstrate that they value the program’s design and are satisfied with the culmination of their undergraduate academic preparation through the Early Childhood Development program’s design.	As a measure of program quality students will report understanding and satisfaction on 10 binary (yes/no) survey items concerning the integration of their student focus groups as the culmination of their undergraduate academic preparation represented by the completion of a final portfolio project in ED 404.	80% of students will indicate that they understand the culmination of their undergraduate academic preparation after completion of the final portfolio project in ED 404 on 80% (4) of related binary (yes/no) survey items.	2024 - 2025	Target Met	Four completers in ED 404 during the 24-25 school year.	CPDC Director/ECD Faculty member will lead early childhood recruitment and program development efforts. The new Center for Education Support will continue to engage with the Education Department in efforts to increase ECD enrollment.
Program - Education - (including Gifted Studies and Reading/Literacy Certificates) - ME {2018-2019}	1.1 (SLO & RO)	Students will be able to demonstrate the use of research and evidence to develop an understanding of the teaching profession and use both to measure their P-12 students’ progress and their own professional practice (Critical Thinking/Research).	The instructor(s) for ED 500 – Educational Research and ED 592 – Capstone in Education, will assess and grade the students’ formative research (ED 500) and summative research (ED 592) the AACU Inquiry and Analysis VALUE Rubric	Students will be able to demonstrate the use of research and evidence to develop an understanding of the teaching profession by scoring on average a 3 (“Milestones”) or above on the AACU Inquiry and Analysis Value Rubric.	2024 - 2025	Target Met	FA24-ED500: of 3 students who submitted research assignments in Watermark system, 3 met or exceeded the threshold FA24-ED592: of 2 students who submitted research assignments in Watermark system, 2 met or exceeded the threshold SP25-ED500: of 5 students who submitted research assignments in Watermark system, 5 met or exceeded the threshold	The value of the program-long research project and the growth demonstrated as a result of the content courses that serve as a foundation for the program's research project cannot be overstated. This assessment will be retained given the value its outcomes proved as a measure of program strength

This assessment will be retained given the value its outcomes proved as a measure of program strength
	1.2 (SPG C.3)	Partners will co-construct mutually beneficial P-12 school and community arrangements, including technology-based collaborations, for clinical preparation and share responsibility for continuous improvement of candidate preparation.	Clinical Partnership Committee (CPC) Meetings and School of Education Advisory Board Meetings – The Department will hold CPC meetings with the department's partnering mentor teachers and other clinical partnership representatives, and the School of Education will hold Advisory Board meetings with P-12 Administrators, encompassing K-12 partnerships, to co-construct, review and revise mutually beneficial P-12 partnerships.	The Education Department will hold 2 CPC meetings and the School of Education will hold 2 Advisory Board meetings during the academic year in which they will solicit feedback about current partnerships and create an open forum designed to encourage the development of new partnerships.	2024 - 2025	Target Met	The School of Education held surveys and conversations with clinical partnerships during the 24-25 school year. The conversations revolved around upcoming recruitment events, as well as feedback regarding technology and diverse learning experiences. # Students Assessed: 0 # Students Met Target: --	The Department not only will continue to maintain regular meetings with each external partnership body, which is fundamental to the Department's Quality Assurance System and Continuous Improvement model, but it is the goal of the Department to grow each to provide wider and more diverse representation representative of the primary region in which the Department serves. Both committees will have new representation this year.
