

**Mississippi University for Women  
Teacher Education Program  
Undergraduate Handbook**

**Developing Quality Educators for Today's School  
Academic Year 2024-2025**

## INTRODUCTION

We welcome you to the Department of Education's programs in the School of Education and all secondary and specialty education programs of MUW. The information that follows provides policies, procedures, and additional guidance for the Department of Education and the School of Education as an extension of the current [\*MUW Undergraduate Bulletin\*](#) and the policies and procedures of the Registrar's Office, the policies and procedures of the Office of Academic Affairs, and all institutional policies and procedures of Mississippi University for Women. Additionally, many of the policies and procedures outlined for undergraduate licensure-based programming in the School of Education extend to the secondary and specialty education programs of MUW.

For licensure-based programming, the combined education programs of the School of Education and the College of Arts and Sciences, as an Educator Preparation Provider (EPP), must follow the policies and procedures of the Mississippi Department of Education (MDE) under the authority of the state of Mississippi and the Department of Education (DOE). As such, students, faculty, staff and other stakeholders should consider this handbook to be a living document, the content of which must stay up to date to remain in compliance with changes made by MDE, and is therefore subject to immediate change as a result.

Each iteration of this handbook will be noted as revised at the bottom (in the footer section) of this handbook. The latest revision of this handbook will supersede all previous published versions.

The students, faculty, and staff of the MUW School of Education and MUW EPP, to include the secondary and specialty education programs of MUW, are expected to follow the policies and procedures of this handbook to ensure the timely progression of each undergraduate and graduate student.

## VISION STATEMENT

The W's School of Education will reach those who wish to develop as professional educators, lead best practices in instruction, and master individualized support for each learner and community of learners from the foundation formed in preschool through post-graduation.

*(Adopted by the School of Education 7/1/2020)*

## MISSION STATEMENT

The School of Education is dedicated to innovation from early childhood through post- graduation in a complete lifelong learning model of education.

*(Adopted by the School of Education 7/1/2020)*

## **SCHOOL OF EDUCATION AT MISSISSIPPI UNIVERSITY FOR WOMEN**

Mississippi University for Women has been dedicated to training teachers since it was founded in 1884, 140 years ago, as America's first public college for women. Sparked by Sallie Reneau's campaign to secure state funds for female higher education, today's institution boasts an inclusive community and a wide range of academic programs. Despite the university's expanded mission and curriculum, education remains one of its most popular and respected fields of study.

The W maintains steady recognition as one of the top 20 public southern regional universities in rankings released by U.S. News & World Report. The U.S. News & World Report's annual "Best Colleges" guide ranks institutions based on Quantitative data such as freshman retention, graduation rates and strength of Faculty, and it also includes qualitative factors such as surveys of peer institutions and evaluations by high school counselors.

The School of Education offers both undergraduate and graduate degrees to help students maximize an understanding of teaching, leading, and learning. Housed within the School of Education is an undergraduate degree program in Early Childhood Development (non-licensure program), an initial licensure undergraduate degree program in Elementary Education, an alternate route initial licensure program leading to a Master of Arts in Teaching (MAT) degree, and a Master of Education in Education (M.Ed.). Additionally, Mississippi Educator Licensure add-on certifications in the areas of Reading/Literacy (K-12), Gifted Education (K-12), and Special Education (K-6) and (7-12) are offered.

### **Goals of the Educator Preparation Provider (EPP)**

- Goal 1: Provide students high quality best practices in all modalities of instruction to progressively develop the knowledge, skills, and dispositions desired in the Professional Educator.
- Goal 2: Provide individualized support beyond a traditional classroom model for students to progressively develop the knowledge, skills, and dispositions desired in the Professional Educator and increase retention rates.
- Goal 3: Provide meaningful support and service to students and the learning community- at-large through focused effort and development of meaningful partnerships.
- Goal 4: Provide access to quality instruction, support, and coaching to those who wish to continue developing as Professional Educators.
- Goal 5: Ensure equitable, meaningful programming for recruitment of potential students to all degree and certification pathways and increase enrollment.

*(Adopted by the School of Education 7/1/2020; adopted by the MUW EPP 2/25/2021)*

Disclaimers:

The *Teacher Education Handbook* is provided as a supplement to the current *MUW Bulletin*, all other institutional policies and procedures, and all other School of Education policies and procedures to include those outlined on the [MUW School of Education's Website](#).

The program requirements contained within this document and other supplementary School of Education publications are subject to change and may be revised as necessary to meet requirements of the [Mississippi Department of Education](#), [Mississippi Institutions of Higher Learning](#), accrediting agencies, workforce demands, available resources, or other entities to which compliance is required.

# EDUCATOR PREPARATION PROGRAM CONCEPTUAL FRAMEWORK

The MUW EPP Conceptual framework is based upon the *Educator as Reflective Decision Maker* and represents the foundational, professional beliefs and practices guiding the development of educator candidates within the Mississippi University for Women Educator Preparation Program (EPP). The current model and framework were developed a number of years ago as a collaborative process involving the MUW faculty and constituency, and the unit has continued to find the framework relevant over time. Reviews and modifications have been used to update it and ensure continued viability. The elements of the conceptual framework represent:

## ***Diverse Educator Candidate Population (Foundation)***

The foundation for the conceptual framework is the diverse educator candidate population. The faculty and administration of the university are committed to recruitment of a diverse educator candidate population. The challenges and responsibilities of the Mississippi University for Women Educator Preparation Program (EPP) are to nurture all candidates' individual differences while providing them with development of appropriate depth and breadth in their understanding and experiences related to content, pedagogical skills, pedagogical content knowledge, and professionalism as educators. The faculty seeks to develop within each candidate the acquisition of knowledge, self-understanding, skills, and dispositions to practice appropriate professional reflective decision making.

## ***Educator Preparation Program Knowledge Base (Foundation)***

When undergraduate educator candidates initially enter Mississippi University for Women, they are introduced to a strong general knowledge base in core subject content areas through the required university general education curriculum (see the [Current Undergraduate Bulletin](#) for requirements). After admission to the program, teacher candidates continue their studies in their professional education courses and are guided to develop knowledge, skills, and dispositions to be successful educators who practice reflectively. The curricula for all educator preparation programs, including both content specific and professional education coursework, are based on well-founded theories and current research.

The knowledge base is delivered through and integration of experiences in both theory and practice for candidates. The pillars of the model represent all aspects of learning—knowledge, self-understanding, skills, and dispositions. For undergraduate teacher candidates, a carefully articulated progression of clinical experiences begins in residencies or the (ED 302) *Art and Science of Teaching* course and concludes with the full-time internship (ED 406, 407, 409) during the final professional education semester.

### ***Knowledge, Self-Understanding, Skills, and Dispositions (Pillars of the Model)***

Educator candidates in the Mississippi University for Women Education Preparation Program (EPP) are expected to develop and demonstrate professional competency in the areas represented in the pillars of the model: (a) applying knowledge that is related to content, pedagogical skills, and pedagogical content knowledge; (b) developing self- understanding through guided reflection upon their own practices, beliefs and skills development; (c) practicing appropriate teaching, leadership, and professional skills that support positive impact on K-12 student learning; and (d) acquiring and/or refining dispositions that foster learning and positive human relationships, reflect appropriate work, professional ethics and behavior, and demonstrate reflection upon their own values and decision making.

### ***Reflective Decision Making (Entablature resting on the Pillars in the model)***

The anticipated outcome for both graduate and undergraduate Educator Candidates is an ability to utilize reflective decision making in all aspects of professional practice. Candidates are guided in developing these skills through experiences in all aspects of the progression through their programs of study. Toward accomplishment of this aim, the Mississippi University for Women Education Preparation program has adapted the principles of the Interstate New Teacher Assessment and Support Consortium (INTASC) and the standards of the National Board for Professional Teaching Standards as goals for aspiring teacher candidates. Experiences are aligned with these standards. For aspiring administrators, the alignment is with the National Educational Leadership Preparation (NELP) standards, and the National Board of Professional Standards for Administrators.

### ***Continued Growth (Pediment above the Entablature)***

Educator candidates are guided and encouraged through their programs to study to continue to develop professional skills throughout their careers and pursue lifelong learning and professional growth. The pediment at top of the figure represents this goal for graduates of the programs. The university faculty are also expected to model these behaviors themselves in their own continued growth and professional behavior.

# **INTASC MODEL CORE TEACHING STANDARDS FOR TEACHERS**

*For a complete performances, essential knowledge, critical dispositions, and progressions for each standard, access [InTASC Model Core Teaching Standards for Teachers](#).*

## **Standard 1: Learner Development**

The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

## **Standard 2: Learning Differences**

The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

## **Standard 3: Learning Environments**

The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self-motivation.

## **Standard 4: Content Knowledge**

The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make these aspects of the discipline accessible and meaningful for learners to assure mastery of the content.

## **Standard 5: Application of Content**

The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.

## **Standard 6: Assessment**

The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher's and learner's decision making.

## **Standard 7: Planning for Instruction**

The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

## **Standard 8: Instructional Strategies**

The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

## **Standard 9: Professional Learning and Ethical Practice**

The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

## **Standard 10: Leadership and Collaboration**

The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

# **COUNCIL FOR THE ACCREDITATION OF EDUCATOR PREPARATION (CAEP) CORE TEACHING STANDARDS**

## *2022 CAEP Standards*

### **Standard 1: Content and Pedagogical Knowledge**

The provider ensures that candidates develop, through curriculum and experiences, a deep understanding of the critical concepts and principles of their discipline that integrate equity and diversity throughout candidates' courses and their developmental clinical experiences with diverse P-12 students. Upon completion, candidates can use discipline-specific practices and understand student culture and differing needs to advance learning by all students.

### **Standard 2: Clinical Partnerships and Practice**

The provider ensures effective partnerships and high-quality clinical practice are central to candidate preparation. These experiences should be designed to develop candidate's knowledge, skills, and professional dispositions to demonstrate positive impact on diverse students' learning and development. High quality clinical practice offers candidates experiences in different settings and modalities, as well as with diverse P-12 students, schools, families, and communities. Partners share responsibility to identify and address real problems of practice candidates experience in their engagement with P-12 students.

### **Standard 3: Candidate Recruitment, Progression, and Support**

The provider demonstrates that the quality of candidates is a continuous and purposeful focus from recruitment through completion. The provider demonstrates that development of candidate quality is the goal of educator preparation and that the EPP provides support services (such as advising, remediation, and mentoring) in all phases of the program so candidates will be successful.

### **Standard 4: Program Impact**

The provider demonstrates the effectiveness of its completers' instruction on P-12 student learning and development, and completer and employer satisfaction with the relevance and effectiveness of preparation.

### **Standard 5: Quality Assurance System and Continuous Improvement**

The provider maintains a quality assurance system that consists of valid data from multiple measures and supports continuous improvement that is sustained and evidence-based. The system is developed and maintained with input from internal and external stakeholders. The provider uses the results of inquiry and data collection to establish priorities, enhance program elements, establish goals for improving, and highlight innovations.

# MISSISSIPPI DEPARTMENT OF EDUCATION TEACHER GROWTH STANDARDS

The [Teacher Growth Rubric](#) has four domains and nine standards.

## **DOMAIN I: LESSON DESIGN**

*Teachers must be skilled in planning instruction that is appropriate for their students, fully aligned to state standards and reflect teaching to high standards of student learning.*

1. Lessons are aligned to standards and represent a coherent sequence of learning.
2. Lessons have levels of learning for all students.

## **DOMAIN II: STUDENT UNDERSTANDING**

*Teachers build the classroom to develop students' competence and confidence. This includes a wide range of inputs and processes such as modeling, collaborative and cooperative learning experiences, and assessments.*

3. The teacher assists students in taking responsibility for learning and monitors student learning.
4. The teacher provides multiple ways for students to make meaning of content.

## **DOMAIN III: CULTURE AND LEARNING ENVIRONMENT**

*Teachers build a learning environment that is predictable with established routines and procedures, one in which they know their students as people and as learners, and one in which students thrive.*

5. The teacher manages a learning-focused classroom community.
6. The teacher manages classroom space, time, and resources (including technology when appropriate) effectively for student learning.
7. The teacher creates and maintains a classroom of respect for all students.

## **DOMAIN IV: PROFESSIONAL RESPONSIBILITIES**

*Teachers engage with the professional community both within the school and beyond, demonstrate a commitment to ongoing learning, collaborate productively with colleagues and contribute to the life of the school.*

8. The teacher engages in professional learning.
9. The teacher establishes and maintains effective communication with families/guardians.

# PROFESSIONAL DISPOSITIONS OF THE PROFESSIONAL EDUCATOR

An individual's disposition is related to their qualities of mind and character, consequently one's disposition influences their behaviors.

As defined by our accrediting agency, the Council for Accreditation of Educator Preparation (CAEP), the dispositions of the professional educator include the values, commitments, and professional ethics that influence behaviors towards students, families, colleagues, and communities that affect the learning environment as well as the educator's own professional growth. The Mississippi Educator Preparation Program Collaborative established the *Professional Dispositions of the Professional Educator*, which are guided by an individual's beliefs and attitudes, and related to the following indicators: honesty and integrity, confidentiality, maturity and sound judgment, adherence to policy, acceptance of constructive criticism, fair and equitable practices, and appropriate professional relationships. The assessment of these indicators at the undergraduate and graduate levels is aligned with the *State of Mississippi Educator Code of Ethics and Standards of Conduct* (MCoE).

## MISSISSIPPI EDUCATOR CODE OF ETHICS AND STANDARDS OF CONDUCT

Upon entering the teaching profession, each educator assumes a number of obligations, one of which is to adhere to a set of principles which defines professional conduct. These principles are reflected in the *Mississippi Educator Code of Ethics and Standards of Conduct* (MCoE).

This code applies to all education candidates and persons licensed according to the rules established by the Mississippi State Board of Education and protects the health, safety and general welfare of students and educators. Ethical conduct is any conduct which promotes the health, safety, welfare, discipline and morals of students and colleagues. Unethical conduct is any conduct that impairs the license holder's ability to function in his/her employment position or a pattern of behavior that is

**1 Professional Conduct:** *An educator should demonstrate conduct that follows generally recognized professional standards.*

**2 Trustworthiness:** *An educator should exemplify honesty and integrity in the course of professional practice and does not knowingly engage in deceptive practices regarding official policies of the school district or educational institution.*

**3 Unlawful Acts:** *An educator shall abide by federal, state, and local laws and statutes and local school board policies.*

**4 Educator/Student Relationships:** *An educator should always maintain a professional relationship with all students, both in and outside the classroom.*

**5 Educator Collegial Relationships:** *An educator should always maintain a professional relationship with colleagues, both in and outside the classroom.*

**6 Alcohol, Drug and Tobacco Use or Possession:** *An educator should refrain from the use of alcohol and/or tobacco during the course of professional practice and should never use illegal or unauthorized drugs.*

**7 Public Funds and Property:** *An educator shall not knowingly misappropriate, divert, or use funds, personnel, property, or equipment committed to his or her charge for personal gain or advantage.*

**8 Remunerative Conduct:** *An educator should maintain integrity with students, colleagues, parents, patrons, or businesses when accepting gifts, gratuities, favors, and additional compensation.*

**9 Maintenance of Confidentiality:** *An educator shall comply with state and federal laws and local school board policies relating to confidentiality of student and personnel records, standardized test material, and other information covered by confidentiality agreements.*

**10 Breach of Contract or Abandonment of Employment:** *An educator should fulfill all of the terms and obligations detailed in the contract with the local school board or educational agency for the duration of the contract.*

# MISSISSIPPI EDUCATOR PREPARATION PROGRAM COLLABORATIVE DISPOSITIONS OF THE PROFESSIONAL EDUCATOR

## DOMAIN I. PROFESSIONALISM & ACADEMIC INTEGRITY DISPOSITIONS

The teacher candidate/graduate student protects **confidential information** concerning students and/or colleagues unless the law requires disclosure. (MCoE 9)

*The teacher candidate/graduate student protects confidential information concerning colleagues and/or students unless the law requires disclosure and encourages others to do the same.*

The teacher candidate/graduate student demonstrates **maturity and sound judgment** in all interactions with peers, university and P-12 personnel, and parents. (MCoE 5)

*The teacher candidate/graduate demonstrates maturity and sound judgment in all interactions with colleagues and works to build consensus in the workplace.*

The teacher candidate/graduate student follows **all university and P-12 school policies** including but not limited to policies for alcohol, drug, tobacco, and social media use. (MCoE 6)

*The teacher candidate/graduate student follows all university and P-12 school policies including but not limited to policies for alcohol, drug, tobacco, and social media use, and uses teachable moments or planned instruction to reinforce school policy.*

## DOMAIN II. CHARACTER DISPOSITIONS

The teacher candidate/ graduate student exemplifies **honesty and integrity** (honesty, tact, and fairness) with all stakeholders during his/her time in the program. (MCoE 2)

*The teacher candidate/graduate student exemplifies honesty and integrity with all stakeholders and encourages students to also act with honesty and integrity.*

The teacher candidate/graduate student accepts **constructive criticism** in a positive manner. (MCoE)

*The teacher candidate/graduate student accepts constructive criticism in a positive manner and also self-reflects and participates in professional development activities to promote personal professional growth.*

## DOMAIN III. SCHOOL SETTING DISPOSITIONS

The teacher candidate/ graduate student provides **fair and equitable opportunities** for all P-12 students **in a non-discriminatory manner**. (MCoE 4)

*The teacher candidate provides fair and equitable opportunities for all P-12 students in a non-discriminatory manner by nurturing the intellectual, physical, emotional, social, and civic potential of all students.*

The teacher candidate/ graduate student maintains a **professional relationship** with all students both inside and outside professional settings. (MCoE 4)

*The teacher candidate/graduate student models professionalism in all interactions with students and encourages students at every opportunity to treat each other with respect.*

## ACADEMIC ADVISING

### Definition

Academic advising is the process between the student and the assigned advisor of exploring the value of general education, reviewing with the goal of understanding the services and policies of the institution, discussing educational and career goals, and making appropriate course selections in furtherance of a successful student outcome. Advising is one aspect of the professional mentorship that is the foundation of an EPP's academic program.

### Purpose

The chief purpose of academic advising is to assist students in the development of meaningful educational plans that will be compatible with not only their career aspirations, but to also contribute to the process of preparing for a life full of change, challenge, and self-actualization. For Mississippi University for Women's School of Education, academic advising is based on the concept of shared responsibility between student and advisor and is a process of continuous improvement, clarification, and evaluation with the aim of furthering institutional and desired student outcomes. Advisors are professional mentors, and advising is a key component of the School's instructional model. Class scheduling is simply one part of the instructional model

### Procedural Overview

All students are assigned a navigator or faculty advisor upon admission to Mississippi University for Women. During or before enrollment in classes, new students will meet with advisors to learn about the requirements for their major(s) and minor(s).

Exploratory undergraduate students are served by the Student Success Navigators. Education students, including community college students who intend to transfer to the EPP in an education program, are in most cases initially advised by the navigator as follows:

<b>School of Education: Christi Dillon</b>	<b>College of Arts &amp; Sciences: Delilah Schmidt</b>	<b>Student Success Center – First Year Experience: Noah Holbrook</b>
Early Childhood Development	Biology/Biology TC	
Elementary Education	English/English TC	
	History/History TC	
	Math/Math TC	
	Music/Music TC	
	Spanish/Spanish TC	
	Theatre/Theatre TC	

## EARLY CHILDHOOD DEVELOPMENT DEGREE

Early childhood development is the science and art of creating and maintaining a healthy, stimulating educational environment for the growth and development of young children. The Bachelor of Science in Early Childhood Development major at MUW is designed to equip professionals with the knowledge and skills needed to provide services, teach, and guide young children, ages birth to eight. MUW's Bachelor of Science in Early Childhood Development is a *non-licensure* undergraduate program.

The educational objectives for this program are to engage students in learning experiences that will allow them to:

- Promote positive relationships among all children and adults;
- Promote learning and development in social, emotional, physical, language, and cognitive competencies;
- Develop instructional approaches that are appropriate for each child;
- Engage in ongoing systematic, formal, and informal assessment approaches to provide information on children's learning and development;
- Develop programs that promote the nutrition and health of children and protect children and staff from illness and injury;
- Employ and support a teaching staff with the educational qualifications, knowledge, and professional commitment necessary to promote children's learning and development and to support families' diverse needs and interests;
- Establish and maintain collaborative relationships with each child's family to foster children's development in all settings;
- Establish relationships with and uses of resources of the children's communities;
- Develop programs with a safe and healthful environment that provides appropriate and well-maintained indoor and outdoor physical environments; and
- Effectively implement policies, procedures, and systems that support stable staff and strong personnel, and fiscal, and program management so all children, families, and staff have high-quality experiences.

The educational objectives of this program are designed specifically to meet the needs of today's student and the state's and region's workforce. No special admission requirements apply for students who either enroll as freshmen or who transfer with academic credit only. Students who wish to transfer technical credit in early childhood are required to have earned an Associate of Applied Science (AAS) degree in early childhood prior to being admitted to MUW.

Students may apply up to 49 career/technical credit-hours from an Associate of Applied Science early childhood program through validation credit. Validation credit of competencies developed through technical coursework will be awarded to each student on a case by case basis for demonstration of corresponding institutional academic competencies through pass/fail testing. Validation credit will not be considered until the transferring student has successfully completed one academic semester as a MUW student with a minimum GPA of 2.5. Please see p. 15 for additional information concerning validation of technical credit.

*Note: All undergraduate students are admitted initially as early childhood majors (ECD) whether or not they intend to major in ECD (ECDI) or Elementary Education (ECD-EL). A student who indicates interest to major in Elementary Education is classified as ECD-EL until he or she meets Mississippi Department of Education (MDE) qualifications to be admitted into a Teacher Education program and may be reclassified as an Elementary Education major and may be recommended as a candidate for initial licensure through MDE.*

## **MUW ECD VALIDATION CREDIT FOR MS COMMUNITY COLLEGE ECE TECHNOLOGY PROGRAMS**

Students who wish to apply technical credit in early childhood are required to have earned an Associate of Applied Science degree in early childhood from a partnership Community College prior to being admitted to MUW. Current partnership Community Colleges with early childhood Memorandum of Understanding (MOU) agreements with MUW's School of Education are: Copiah-Lincoln Community College (Co-Lin), Itawamba Community College (ICC), and Mississippi Gulf Coast Community College (MGCCC).

Students interested in testing for validation credit must apply to do so and pass all tests during their first semester at the MUW. Students must have earned credit for courses that are aligned with MUW education courses according to the partnership agreement in order to earn validation credit for a corresponding MUW course. All validation testing must be completed by October 15<sup>th</sup> for students entering the program in a fall term, by March 15<sup>th</sup> for students entering during the spring, and July 15<sup>th</sup> for students entering during the summer.

Validation credit of competencies developed through technical coursework will be awarded to each student on a case by case basis for demonstration of corresponding institutional academic competencies through pass/fail testing on comprehensive final course assignments as approved by the faculty, Chair of the Department of Education, and Dean of the School of Education.

MUW competencies, outcomes found in each Early Childhood Development course syllabi, are matched with the outcomes identified in each course of the MS Community College "Early Childhood Education Technology, Mississippi Curriculum Framework."

Students will have only one opportunity to earn validation credit for a particular MUW course for technical coursework earned at one of the School of Education's partnership Community Colleges.

***Validation credit will not be considered until the transferring student has successfully completed her or his first academic semester as a MUW student with a minimum GPA of 2.5. Any credit earned will be awarded by the Registrar's Office after completion of that student's first semester at MUW.***

## **ADVISING FOR EARLY CHILDHOOD DEGREE AND ELEMENTARY EDUCATION DEGREE**

All degree-seeking students are encouraged to meet with their advisors on a regular basis. Advisors and advisees should:

- Assess and evaluate the student's suitability to the discipline they have chosen;
- Review the program requirements for their major found in the Undergraduate Bulletin and in Degree Works;
- Agree on a course schedule plan, documented in the Academic Schedule Form each semester, with the advisor keeping one copy of the semester's course schedule plan in the student file and with the student receiving a copy of the semester's course schedule plan\*;
- Review the requirements for the degree including important dates and deadlines such as when to apply for graduation;
- Keep students up to date on any changes that may occur during their time in the degree program and discuss available options;
- Identify any deficits in the student's record and discuss ways to correct them; and,
- Discuss career, pre-professional, and graduate school options.

\* Every degree-seeking student should be provided with a course schedule plan each semester along with instructions for registering courses for the semester. The advisor and advisee should review this together, sign off in agreement, and each keep a copy for their records. The original document with signatures should be placed in the student's file.

## **ADVISOR RESPONSIBILITIES**

The relationship between advisor and advisee is one of shared responsibility. While students are ultimately responsible for the choices they make, it is understood that in order to make knowledgeable decisions, students need the advice of academic advisors and others in the University community. The academic advisor is their primary resource regarding academic issues, opportunities, and programs and should be thought of more as a mentor. Because of this relationship, it is imperative that the student's main contact be with her or his advisor. If a student contacts an advisor for direction that is not assigned to the student, it is that advisor's responsibility to direct the student back to her or his current advisor for further direction. When faculty are not on contract, students will be directed to the Navigator, the Chair of the Department of Education, or the appropriate department chair if the student is in a secondary or specialty education program.

### **Advisor Role**

- Be accessible and responsive to advisees;
- Communicate and clarify university policies and procedures;
- Help match advisee needs with available resources and make appropriate referrals when necessary;
- Maintain reasonable office hours and methods of availability for students; students should be able to set up appointments via the Navigator's or advisor's calendaring system allowing for adequate time to discuss goals, career choice, make course selections, and discuss any other questions;
- Inform students how to change college and/or departments and provide information to explain the process students follow to enroll in their courses and to add or drop courses during the semester in coordination with the Chair of the Department of Education when in the best interest of students to do so;
- Prepare students for graduation by discussing degree requirements, help with strategic course selections designed to minimize the number of semesters required for graduation, and inform students of opportunities in their field of study;
- Be an advocate within policy and best practices for the student when necessary;
- Discuss satisfactory academic progress and the consequences of not achieving certain benchmarks in a timely manner for degree progress;
- Discuss connections between academic preparation and careers in the "real world;"
- Help students to explore their abilities and help facilitate progress in any areas which require improvement;
- Be knowledgeable about and share opportunities for additional development and engagement in programs such as Jumpstart, additional workshops and web-based training offered through the School of Education or off-campus, additional related organizations or activities, and career opportunities while a student and after graduation;
- Secondary and specialty education faculty who have advisees who are contemplating any

program changes should make those advisees aware of the opportunity to enroll in two graduate courses, or 6 graduate credit hours, from ED 538 (3 credit hours), ED 549 (3 credit hours) or ED 551 (3 credit hours) once they have completed at least 90 semester hours with a satisfactory GPA. This is an opportunity to begin taking courses during the senior year that may be applied to the Master of Arts in Teaching (MAT) or discuss with their advisee the Accelerated MAT program;

- Follow-up with advisees via your MUW email account—MUW email is the official means of communicating with students when not meeting face-to-face;
- Serve as a professional mentor, including modeling best practices for advisees, classroom students, colleagues and others who are a part of MUW’s wider community;
- Maintain clear documentation of decisions and concerns to be retained in the advisee’s central file;
- Submit the advisee’s *Desired Degree Tracking Form* to the Department of Education as requested and update each semester as needed.

**Reminder for all: The application to participate for commencement is not the same as the application for graduation. Students must apply for these separately. Students may choose not to participate in commencement, but each student MUST apply for graduation. Failure to apply for graduation on or before deadlines published by the Office of the Registrar WILL result in delays in the MDE licensure review and award process for students seeking a MS Educator License.**

In order for faculty to be successful in all of the above points, the faculty member must be knowledgeable and up-to-date on matters concerning:

- Curriculum—requirements in the student's major including those related to any licensure-specific requirements, general education requirements, and the graduation requirements and deadlines of the university that students need to know to progress successfully to graduation;
- Registration procedures;
- Student personnel services—medical, counseling, housing, placement, social, recreational, etc.;
- Financial obligations; and
- Basic job market, licensing, and employment information.

## **ADVISEE RESPONSIBILITIES**

### **Advisee Role**

- Review and understand university policies and procedures, General Education Requirements, graduation requirements, and the Mississippi University for Women Bulletins;
- Check MUW email account on a regular basis;
- Learn to access and navigate Canvas and Banner;
- Be aware of academic dates and deadlines, especially those posted on the Registrar's website ([www.muw.edu/registrar](http://www.muw.edu/registrar));
- Explore resources to assist in making career and academic decisions;
- Schedule and attend advising appointments;
- Arrive on time for appointments;
- Prepare for advising sessions and bring relevant materials to appointment;
- Bring a list of questions to appointments and ask questions if a topic is not understood;
- Communicate openly with advisor by clarifying personal values, abilities, goals, and needs;
- Be familiar with requirements of selected major(s)/minor(s) and schedule courses in accordance with those requirements;
- While advising is a shared responsibility, you must accept final responsibility for your decisions;
- Follow-up with advisor in MUW email account—your MUW MyApps email is your official means of communication while a student at MUW.

The following are skills that the advisor and undergraduate student will work on together to gain by the end of each year in the student's academic program. The skills should be reviewed each semester.

### **Freshman Year**

- Know who your academic advisor is and how to contact them;
- Learn and accept the differences between high school and college;
- Know that academic advising is different from high school guidance counseling;
- Become familiar with the General Education requirements;
- Know the General Education requirements for your major, if declared, or programs being considered;
- Be familiar with the proper degree audit sheets for your major or programs being considered;
- Know the requirements for acceptance into your desired program(s) of study;
- Learn where to find and become familiar with academic calendar/deadlines, add/drop, registration dates, and any form of "Degree Planning Guides," etc. found on program website(s), the Registrar Office website ([www.muw.edu/registrar](http://www.muw.edu/registrar)), and related webpages;
- Understand the university's expectations and the consequences of behavior on future employment;
- Become familiar with campus services;

- Become familiar with the Undergraduate Bulletin and Graduate Bulletin, depending upon major, found on the Registrar Office website ([www.muw.edu/registrar](http://www.muw.edu/registrar));
- Explore academic, career, and personal interests;
- Learn how to communicate properly with university faculty, staff, and other professionals;
- Discover and assess your own skills, values, talents, strengths and weaknesses;
- Be able to navigate Banner, Canvas and other essential university systems effectively.

### **Sophomore Year**

- For students interested in elementary education, begin to narrow your interests to determine an elementary education area of concentration if not already determined;
- Explore course requirements;
- Explore experiences that will help clarify goals and interests (professional organizations, mentorships, student employment, volunteerism, study abroad, etc.);
- Determine if your strengths and interests fit major through discussion.

### **Junior Year**

- Particularly for transfer students and students transitioning from an advising Navigator, get to know your new faculty advisor;
- Complete a degree check to determine classes still needed to meet major and graduation requirements;
- Meet deadlines to enter the Teacher Education Program if in an initial licensure program;
- Research employment or graduate school options and requirements for admission/employment;
- Begin the networking process and consider participating in career/employment fairs;
- Be aware of graduation process, dates, and deadlines;
- See faculty advisor for input on identifying and addressing additional education and skills needed for employment or for graduate school and check registration dates for entrance exams and applications.

### **Senior Year**

- Begin the graduation application process — pay careful attention to deadlines;
- Apply to graduate programs if considering continuing education immediately following graduation;
- Prepare to market yourself to potential employers and graduate schools;
- Take advantage of career fairs and on-campus interview opportunities;
- Continue networking now and throughout your professional career;
- Polish your resume, cover letters, and portfolios.

## **LEGAL AND MORAL ISSUES IN ACADEMIC ADVISING**

Legal issues involved in academic advising generally fall under four categories (D. Parker Young, "Legal Issues Regarding Academic Advising," NACADA Journal, November 1982):

- The contractual relationship between students and the institution;
- Guidelines governing privacy of student records;
- The concept of privileged communications;
- Academic due process and the need for grievance procedures.

Publications provided by the university (handbooks, syllabi, bulletins, departmental materials, etc.) establish contractual obligations between the Mississippi University for Women School of Education and specialty and secondary education programs with students. Although responsibility for knowing degree requirements eventually falls both to the students and advisors, advisors will not be held liable for the careless, reckless or impulsive behavior of students who do not follow properly documented academic advisement. Advisors can help advisees avoid problems by keeping complete and accurate notes on each and every student they advise, maintaining advising communication through official channels of communication, and placing copies of advising notes in student files.

Advisors must discern when and where to refer students whose questions or concerns surpass their expertise. It is imperative that advisors are well-versed in university policies as outlined in official bulletins, student handbooks, and other institutional publications.

### **Communication with Students**

Communication between advisors and their advisees is critical to the Mentor/Mentee relationship. While there is no substitution for a face-to-face conversation, it is always understood there will be times when this is not feasible for either the advisor or advisee. In cases where face-to-face sessions are not feasible, every effort should be made to have some form of meaningful contact with the student. This may be accomplished via phone calls, video conferencing, email, and, while not preferred, text messaging.

In-person advising sessions should be documented. The advisee should receive one copy of that documentation, and another copy should be placed in the student's advising file. All communication with a student who is at distance should be followed up with an official email clarifying what was discussed and any decisions that were agreed upon. A copy of this email communication should be placed in the student's advising file.

## **Student Advising Files**

Students who have been assigned a faculty advisor should have a file that will be maintained in a central location to be established by the Chair of the Department of Education. Files should be signed out and back in after *each* use; student files should not be kept in faculty offices or any other location that has not been established by the Chair of the Department of Education. Files should be kept current, with all documentation, and all documentation should be kept up to date and in order when placed in or returned to the file. Copies of the following documentation should be placed in a student's advising file:

- Advising checklist(s) used for advising conversations;
- Copy of signed student schedule or copy of email from student's official MUW email account;
- Advising notes;
- Any change of major forms, add/drop forms, withdrawal forms, etc.;
- For undergraduate students — Student Desired Degree Tracking Form indicating student's intention to finish either as an Early Childhood Development major or as an Elementary Education major (new form required at each advising session to follow each undergraduate student's plans and progression).

## **Reporting Concerns Regarding Advisees**

The following behaviors and attitudes may indicate that a student could benefit from additional assistance. Please refer the student to the appropriate campus resource (i.e. Health Center, Counseling Center, Student Success Center), or the advisor can submit an Early Alert or BIT report. Access for filing university reports is found at the bottom of the MUW Homepage ([www.muw.edu](http://www.muw.edu)).

Unusual behavior that may include the following: social withdrawal; unwillingness to communicate; repeated absences from class(es)

Trauma and traumatic changes that may include the following: death of a family member or friend; difficulty in personal relationships; terminal/chronic illness of student or student's family member(s)

Academic issues that may include the following: sudden changes in academic performance; poor or nonexistent study habits; severe test anxiety

Issues with choice of major that may include the following: dissatisfaction with the major; unrealistic career expectations; chronic indecisiveness; uncertainty in career goals and or paths to success

## **Early Alerts**

Early Alerts are handled by the Student Success Navigator assigned to the student's primary major. The Education Navigator will attempt to contact the student to discuss issue(s) reported by faculty. If a student fails to respond to the Education Navigator's attempts to make contact, a hold will be placed by the navigator on the student's account in Banner for "Failure to Communicate." The hold will not be removed until the student has contacted the Education

Navigator or her or his faculty advisor. Once the student has made contact, the faculty advisor, not the student, should request the Navigator (not the Student Success Center) to remove the hold.

## **Probation**

Students who's cumulative MUW GPA falls below 2.0 will be placed on academic probation. Students admitted with a GPA less than 2.0 as evaluated by academic policies will be placed on academic probation upon admission. Students on first academic probation (P1) returning in the fall or spring will be limited to twelve (12) academic hours, or six (6) academic hours in the summer. Additionally, students must successfully complete UN 098 Academic Recovery, a three (3) hour course consisting of a series of study skills lectures designed to improve study skills for a total of no more than fifteen (15) or nine (9) total hours. The Academic Recovery class is not required for subsequent semesters, but the limit of twelve (12) hours for spring and fall and six (6) for summer will continue until a cumulative MUW GPA of 2.0 or better is achieved.

## **Suspension**

Students have two options on their first academic suspension (S1). They may return to MUW the next semester at which time they will be required to enroll in the Turning Point Program (UN 099). Students returning in the fall or spring will be limited to twelve (12) hours or six (6) hours in the summer, including UN 099 Turning Point/Study Skills. The Turning Point class is not required for subsequent semesters, but the limit of twelve (12) hours for spring and fall and six (6) for summer will continue until a cumulative MUW GPA of 2.0 is achieved. Support for S1 students will continue for the semester following Turning Point:

(a) students must meet with their academic advisor three times per semester – at the end of the first two weeks, before midterm through the advising period, and once during the second half of the semester,

(b) the Early Alert Coordinator will pay particular attention to reports on these students and contact them frequently regarding assistance. Students must pass the Turning Point course and earn a MUW GPA of 2.0 or better for the semester to successfully complete the Turning Point program. Students who do not pass the Turning Point course or do not earn a MUW GPA of 2.0 or better for the semester have not successfully completed the Turning Point program.

Students who officially withdraw from the Turning Point course will be suspended for one regular (fall or spring) semester. Students who do not successfully complete the Turning Point program will be reclassified S2 and will be suspended for one calendar year.

Students who choose not to participate in the Turning Point Program will be suspended for one regular (fall or spring) semester. Readmission to MUW will be automatic at the completion of the first suspension period. However, the student will be placed on academic probation when readmitted to the institution.

## **End of Semester Advising**

At the end of each semester, the Student Success Center will send out a list of current students who have not registered for courses for the upcoming semester to the Education Navigator. Once received, the Education Navigator will break down the list by advisor and disseminate to the advisor and copy the Chair of the Department of Education. Advisors should respond to the Education Navigator's request for information in a timely and accurate manner.

At the end of the fall semester, advisors will still be responsible for attempting to contact these students in a sincere attempt to encourage students to register for courses even after classes have ended for the semester.

At the end of the spring and summer semesters, the Education Navigator and Chair of the Department of Education will work together to contact and advise students who appear on the list(s) *after* faculty contracts have ended for the semester.

## **Override Requests**

Override requests should be sent according to the Chair of the Department of Education instructions. Overrides for the School of Education can be processed only for classes beginning with an ED prefix by the Chair of the Department of Education or Dean of the School of Education. Requests for overrides for courses not beginning with an ED prefix should be sent to the Chair of the Department of Education or the person who will review the request and will make the request of the appropriate department if the request is determined necessary.

## **UNDERGRADUATE TEACHER EDUCATION ELEMENTARY, SECONDARY, & SPECIALTY**

The School of Education offers both undergraduate and graduate degrees designed to help students maximize an understanding of teaching, leading, and learning through the Department of Education. Housed within the School of Education are undergraduate degree programs in Early Childhood Development (non-licensure track) and Elementary Education (licensure track), and graduate degree programs in Master of Arts in Teaching (secondary and specialty education) and Master of Education (M.Ed.) in Education with endorsement options in Gifted Studies (K-12), Reading (K-12), and Special Education (Mild/Moderate Disability K-12).

Education coursework is also available for those seeking teaching certification in other areas. Housed within the College of Arts & Sciences, these degrees include K-12 or 7-12 Mississippi licensure eligibility. The licensure programs in K-12 include Music Education (both Instrumental and Vocal), Spanish Education, and Theater Education with Teacher Certifications. The licensure programs for 7-12 include Biology, Physical Science, English, Social Studies, and Mathematics Teacher Certifications.

The B.S. degree in Elementary Education and the Master of Arts in Teaching both lead to initial licensure options with the Mississippi Department of Education (MDE). The M.Ed. may lead to upgrading a Mississippi Educator Class A license to a Class AA license.

Additionally, the W offers institutional-approved programs for Mississippi add-on teaching endorsements in several subject areas.

The *MUW Teacher Education Handbook*, at its current publication, describes as accurately as possible the policies, procedures, regulations, and requirements related to teacher education. MUW's teacher education faculty reserve the right to adjust program-specific policies at any time to promote the best interest of those involved in the program and in compliance with state regulations and best practices regarding teacher education.

CAEP is the Council for the Accreditation of Educator Preparation. MUW's EPP initial licensure programs are fully accredited by CAEP.

The Mississippi University for Women Education Program meets all the Program Review Standards of the Mississippi State Department of Education.

All teacher education programs are covered by the Mississippi Institution of High Learning Quality Assurance Policy. The university warrants the quality of our graduates for a period of two years immediately following graduation. Certain guidelines do apply. Contact the School of Education for more information. (IHL Policy 518)

# EDUCATOR PREPARATION PROGRAM GOVERNANCE

## TEACHER EDUCATION COUNCIL (TEC)

The Teacher Education Council serves as the governing body for the Teacher Education programs. Membership on the Teacher Education Council consists of representatives from each degree program with a pathway to educator licensure to include the Director of Field Experience, Chair of the Department of Education, and the Deans of the School of Education and the College of Arts and Sciences, one undergraduate Teacher Education and one graduate Teacher Education student (appointed by the Dean of the School of Education), and at least one representative of the local public schools and each external Teacher Education advisory group.

The Council is chaired by the Dean of the School of Education. The Teacher Education Council meets each September, November, February, and April; additional meetings are subject to call by the chair. The Council provides a forum for discussion and planning of Teacher Education matters throughout the University to assure that all personnel involved in Teacher Education are compliant with accreditation and Mississippi Department of Education guidelines, as well as University degree requirements.

### 2024-2025 TEC Membership (as of 1 July 2024)

Martin Hatton  
*TEC Chair, School of Education Dean*

Bob Fuller  
*Education Department Chair*

Kelly Ballard  
*Director of Field Experiences*

Kendall Dunkelberg  
*Languages, Literature, & Philosophy  
Department Chair*

Bonnie Oppenheimer  
*Sciences & Mathematics Department Chair*

Penny Mansell  
*Director, Center for Education Support*

Vacant  
*School District Representative  
Clinical Partnership Committee Liaison*

Vacant  
*Graduate Student*

Brian Anderson  
*College of Arts & Sciences Dean*

Julia Mortyakova  
*Music Department Chair*

David Carter  
*Theatre Department Chair*

Kristi DiClemente  
*History, Political Science, & Geography  
Department Chair*

Georgia Graham  
*Director, Child and Parent Development  
Center*

Christy Adams  
*Accreditation Liaison*

Vacant  
*School District Representative  
School of Education Advisory Board Liaison*

Vacant  
*Undergraduate Student*

Teacher Education Council meetings are open to those who would like to observe the deliberations of the Council. The Council reviews all proposed revisions in Teacher Education requirements and policies from the Teacher Education faculty and/or the subject-area programs to ensure compliance with accreditation, Mississippi Department of Education, and University requirements and policies. Recommendations from the Council are forwarded to the Chief Academic Officer, Undergraduate Curriculum Council, Graduate Council, or other institutional and external constituencies, as appropriate, for further action.

## **EDUCATOR PREPARATION PROGRAM DATA REVIEW COMMITTEES**

The Mississippi University for Women Educator Preparation Program (EPP) has established a comprehensive Continuous Improvement Process that is integral to maintaining and enhancing the quality of its educational programs. This process is supported by several key committees and advisory boards, each playing a crucial role in ensuring data-driven enhancements and effective program implementation.

Serving as a leadership group, the Data Review Team (DRT) is responsible for meeting monthly to review and analyze data to identify trends relevant to EPP operations. The DRT looks at reports by cohort, disaggregated by performance indicators and programs, to determine trends. It also periodically reviews the assessment system, and proposes changes the Assessment, Accountability, and Curriculum Committee. Data sources include institutional, state (Mississippi Department of Education), and federal (Department of Education) reporting processes to measure the overall success of the EPP programs. Additionally, stakeholders (Mentor Teachers, University Supervisors, and Teacher Candidates) are surveyed every semester for feedback regarding program strengths and weaknesses.

The DRT includes members from the EPP's Leadership Team (Deans of both School of Education and College of Arts and Science), the Chair of the Department of Education, the Accreditation Liaison, Program Coordinators, and the Assistant to the Dean of the School of Education/Data Analyst.

The Assessment, Accountability, and Curriculum Committee is a standing committee that convenes monthly. The AACC reviews processes related to the EPP's QAS. The AACC brings broad-scale trends and observations directly to the EPP faculty, ensuring timely attention to urgent matters and independently reports trends to the TEC as needed. The committee shares their recommendations based on the proposals they receive from the DRT with the EPP faculty. Additionally, this committee tracks any proposals to the institution, IHL, MDE, or the accrediting body to make sure all deadlines are met. The AACC includes the Accreditation Liaison to the Dean's Office (Committee Chair), the Assistant to the Dean of the School of Education/Data Analyst, and two members of the EPP faculty (one Elementary Education and one Secondary/Specialty).

The EPP faculty reviews and reflects upon reports from the AAC and DRT to identify successes and areas for improvement. They formalize modification suggestions into proposals, which are then sent to the TEC for final review and approval.

The Teacher Education Council (TEC) reviews trends and proposed changes from the EPP Faculty and/or the AACC, and approves and recommends changes for implementation, ensuring alignment with broader educational standards. Approved changes undergo the institution's curriculum and assessment review processes with fully approved changes being implemented by the EPP.

The EPP's Marketing, Recruitment, and Retention Committee focuses on data related to recruitment and retention initiatives, ensuring the program attracts and retains high-quality candidates.

The School of Education Advisory Board includes superintendents and other educational leadership stakeholders who provide broad perspectives and context for interpreting data and guiding continuous improvement efforts. The Clinical Partnership Committee is comprised of

Mentor Teachers and school personnel and monitors field placement education practices. Both external committees monitor for conformity to institutional philosophy, state and national standards, and responsiveness to educational needs while identifying and encouraging best practices in educational needs and field experiences.

In Spring 2025, the EPP will start a Teacher Candidate Advisory Board which will consist of teacher candidates which will help in providing insights into coursework and field experiences, ensuring the student perspective is considered at all steps in the program.

The Continuous Improvement Process at the Mississippi University for Women Educator Preparation Program involves multiple committees and advisory boards working collaboratively. This process ensures that data from various sources is collected, reviewed, and acted upon to enhance program quality and student outcomes, thereby supporting the continuous improvement of the EPP.

## **EDUCATION PREPARATION PROGRAM (EPP) QUALITY ASSURANCE SYSTEM**

Effective Fall 2020, the Quality Assurance System for Program Improvement (QAS) for the MUW School of Education (SoE) and MUW's EPP was developed to enhance and expand upon previous MUW education program administration's data assessment procedures, the standards established by the Mississippi Department of Education (MDE) Program Review Process, the CAEP Review Process, and MUW's Planning and Institutional Effectiveness Process. The EPP's stance on the collection, analysis, communication, and use of data for decision making related to program improvement to support and advance the shared vision of the School of Education and the overall EPP are outlined in the EPP's QAS. Additionally, course assessment tools and other means of evaluation are explained. The establishment of a QAS is based upon a fundamental assumption that the QAS is a dynamic process involving systemic change to be gradually introduced and implemented in the EPP's continuous improvement efforts and overall plans. Therefore, assessment and evaluation tools included in the QAS may be in a phase of draft, proposal, pilot, or full implementation, and the QAS itself will be subjected to assessment for continued effectiveness.

The QAS is found in the "Program Planning" tab, under the "About" section, of the School of Education's website. The QAS and all EPP handbooks are EPP policy designed for use by faculty, field-based partners, and Teacher Education students at all levels and information about standards, curriculum, field experiences, and assessment practices.

## MUW LICENSURE PROGRAMS

<b>ELEMENTARY GRADE LEVELS</b>	
<b>120</b>	Elementary Education (K-6)
<b>MIDDLE GRADE LEVELS</b>	
<b>901</b>	Math (7-8)
<b>SECONDARY EDUCATION AND SPECIAL SUBJECTS</b>	
<b>181</b>	Biology (7-12)
<b>185</b>	Chemistry (7-12)
<b>119</b>	English (7-12)
<b>192</b>	Social Studies (7-12)
<b>154</b>	Mathematics (7-12)
<b>166</b>	Music Education Vocal (K-12)
<b>165</b>	Music Education Instrumental (K-12)
<b>140</b>	Spanish (K-12)
<b>123</b>	Drama (Performing Arts) (K-12)
<b>MUW INSTITUTIONAL ADD-ON ENDORSEMENTS TO AN INITIAL LICENSE</b>	
<b>119</b>	English (7-12)
<b>188</b>	General Science (7-12)
<b>192</b>	Social Studies (7-12)
<b>154</b>	Mathematics (7-12) <i>*Specific course work at MUW required</i>
<b>182</b>	Physical Science (7-12) <i>Chemistry with Physical Science Teacher Certification Majors ONLY</i>
<b>GRADUATE ADD-ON CERTIFICATION PROGRAMS</b>	
<b>207</b>	Gifted (K-12) <i>Certification Program or Master's Degree</i>
<b>174</b>	Reading (K-12) <i>Certification Program or Master's Degree</i>
<b>221</b>	Special Education (Mild/Moderate Disability K-12)

### Notice Regarding Licensure

Requirements governing licensure in the state of Mississippi are continually revised. As a result, requirements for degrees leading to licensure are subject to change from those published in the MUW Bulletin. Students are advised to be in close communication with their education advisors to ensure that both degree requirements and licensure requirements are met.

Students seeking licensure in other states should contact the Department of Education in that state for their license requirements.

## SELECTION OF CONCENTRATION AREA AND OPTIONAL ADD-ON ENDORSEMENTS

### Elementary Concentration (K-6)

**A concentration area requires a minimum of 18 semester hours for K-6 elementary majors.**

- Developmental courses do not count toward a concentration: e.g. EN 100, MA 100
- Minimum grade of “C” is required
- Transfer courses are acceptable
- Students may specify more than one concentration

*All education majors may add subject area endorsement(s) by completing a minimum of 18 approved credit hours in that subject area. If education majors choose to obtain a subject area endorsement(s), in addition to being licensed to teach Elementary Education (K-6) or a Specialty (K-12)/Secondary (7-12) subject area, they will also be licensed to teach the endorsed subject area (s) in grades 7-12.*

#### English

*18 hours EN Prefix, EN 101 or above.*

Recommended courses: EN 409, EN 341, EN 203, EN 205, EN 201, EN 202, EN 231, EN 232, EN 311, EN 312

#### Science

*18 hours*

BS, BSB, BSM, PS, PSC, SM Prefixes—any combination a General Science (7-12) endorsement

*Students who wish to have an endorsement specifically in Biology, Chemistry, or Physical Science, need to choose all Biological Science courses (18 hours), all Physical Science courses (18 hours), or all Chemistry courses (18 hours).*

#### Social Studies

*18 hours*

ANT, EC, GEO, HIS, POL, SOC, PSY prefixes—any combination for a Social Studies (7-12 endorsement)

*The Mississippi Department of Education encourages courses to be HIS, POL, and GEO courses.*

<b>MATH (7-8) ENDORSEMENT (CODE 901)</b>									
<i>Electives must have a MA prefix and be above MA 113.</i>									
COURSE NUMBER	COURSE NAME	SEMESTER	HOURS	GRADE					
MA 113	College Algebra		3						
MA 111	Modern Math I		3						
MA 112	Modern Math II		3						
MA	Elective		3						
MA	Elective		3						
MA	Elective		3						

<b>INSTITUTIONAL ADD-ON FOR MATH GRADES 7-12</b>									
<b>ENDORSEMENT CODE 154 ADDED TO AN INITIAL LICENSE</b>									
COURSE #	COURSE NAME	SEM.	HOURS	GRADE	<b>MA CONCENTRATION CHOICES</b>				
					COURSE #	COURSE NAME	SEM.	HOURS	GRADE
MA 112	Modern Math II		3		MA 305	Linear Algebra		3	
MA 123	Statistics		3		MA	Elective		3	
MA 181	Calculus I		3		MA	Elective		3	
MA 182	Calculus II		3		MA	Elective		3	

*Elective choices are MA 130: Precalculus, MA 318: Mathematics for Secondary School Teachers, and/or MA 319: Methods and Materials in Secondary Mathematics.*

## TEACHER EDUCATION CANDIDATE EXPECTATIONS

Teacher Education Candidates are expected to demonstrate a desire to engage in collegiate course work and field experiences. They are expected to become familiar with the policies, procedures, and required assessments of the program as presented in this handbook and other School of Education supplementary publications as well as the academic and standards of conduct policies of Mississippi University for Women. Below is some additional guidance.

### Watermark-Student Learning & Licensure

1. The MUW Educator Preparation Program uses the Watermark™ Student Learning and Licensure electronic assessment management system to collect, analyze, and report data related to program.
2. The Teacher Candidate is expected to learn how to use the system to upload key and program assessments as well as access coaching and feedback. More information about Watermark™ is provided in ED 302.

### Professional Dispositions

1. Teacher Candidates should desire a career in the field of education and embody the qualities of mind and character expected by professional educators. A goal of the program is to develop and strengthen Teacher Candidates' awareness and use of ethical decision making through one's own Professional Dispositions, demonstrating growth toward becoming a professional educator.
2. Standards for Professional Dispositions are aligned to the *Mississippi Educator Code of Ethics and Standards of Conduct*. Teacher Candidates are evaluated against these standards throughout the program.

Teacher Candidates who fail to show acceptable dispositions during their program in classes, coursework assignments, interactions with the course instructor and peers, and other situations related to the Teacher Education program will receive the following:

**First time:** The Teacher Candidate will receive a Professional Dispositions Infraction Form from the instructor. A coaching conference will be held with the Teacher Candidate, instructor, advisor, and other education faculty. The signed Professional Dispositions Infraction Form should be emailed to the Director of Field Experience and Chair of the Department of Education to be filed.

**Second Time:** The Teacher Candidate will receive another Professional Dispositions Infraction Form from the instructor. A coaching conference will be held with the Teacher Candidate, instructor, advisor, and the Chair of the Department of Education.

**Third Time:** The Teacher Candidate will be placed on an improvement plan. Another coaching conference with the Teacher Candidate, instructor, advisor, and the Chair of the Department of Education will be held and the issues outlined in the improvement plan must be met within the specified timeline or the Teacher Candidate will be excluded from the program. The signed Professional Dispositions Infraction Form should be emailed to the Director of Field Experience and Chair of the Department of Education to be filed.

## **Professional Communication**

Teacher Candidates are expected to demonstrate professional communication with all instructors, university supervisors and personnel, student colleagues, and school setting personnel. In a professional setting, the expectation of a return phone call or email may be up to 24 hours depending on the teaching schedule and student demands of a particular MUW faculty member or staff. All electronic communication with University personnel should be via the MUW CANVAS courses, Watermark, or myapps when possible. Most answers to questions may be found in the CANVAS shells of the instructors or the [School of Education](#) website. If you are unable to locate the information you need, the MUW personnel has not returned your call or email after 24 hours, you have an emergency, or if you have other related inquiries please contact the Department of Education at 662-241-6415.

## **Meaningful Engagement in Coursework and Field Experiences**

Education is a mentor-based service profession. Teaching is a career requiring special training leading to a professional degree and license, similar to the process of becoming an architect, accountant, engineer, doctor, or lawyer. Teacher Candidates are expected to develop the specialized knowledge, skills, and dispositions of a professional educator.

Teacher Candidates are students who will one day be educators. Teacher Candidates should be acutely aware of the instructor/University Supervisor's expectations as communicated via the CANVAS course, on-campus/virtual meetings, syllabi, *Teacher Education Handbook*, and other forms of communication or supplementary publications. As future educators, it is expected that Teacher Candidates *genuinely desire* to become an educator, seeking to meet all program expectations at high level of achievement through the acceptance and implementation of coaching and feedback.

All field experiences in the program are equivalent to a learning laboratory. However, they should be treated as though the Teacher Candidate is in an employed position in a school system, meeting the expectations of the MUW program *and the school setting*. Professional dispositions are evaluated throughout the program, and Teacher Candidates should endeavor to consistently demonstrate professionalism.

# STUDENT RECORD OF PROGRESSION THROUGH THE UNDERGRADUATE EDUCATION PROGRAM

For complete curriculum requirements in each major, please access the current [Undergraduate Bulletin](#).

## 1. Admission to the University

All paperwork concerning admission to MUW can be secured from and must be returned to the Office of Admissions (Telephone: 329-7106)

<https://www.muw.edu/admissions>

### Date of Admission to MUW

## 2. Declaration of Major in Elementary or Secondary Education

Elementary Education major students report to the School of Education for assignment of an advisor. Other secondary/K-12 majors should report to the content area departments for an academic advisor.

\_\_\_\_\_  
*Advisor's Name*

\_\_\_\_\_  
*Phone/Email*

\_\_\_\_\_  
*Office*

## 3. Core Classes

Each student should meet with his or her academic advisor each semester during the designated pre-registration time to plan coursework for future semesters. See the current [MUW Academic Calendar](#) at the Registrar's website for dates.

## 4. Admission to Elementary or Secondary Education

Students apply for admission to Teacher Education the semester prior to their senior year, however students begin to meet the requirements for Teacher Education in **ED 302: Art and Science of Education**. This step usually occurs during the sophomore year or first semester of the junior year.

Teacher Education Admissions Checklist	Date Completed
Watermark Registration (begins in ED 302)	
Required Notifications + Teaching Licensure Advisory Notification	
Criminal Background Check Cleared	
Minimum Grade of "C" in ED 200	
Minimum Grade of "B" in ED 302	
Completion of 44 semester hours <b>and Minimum Overall GPA of 2.50</b>	
Passing Scores on Praxis Core Academic Skills for Educators -or- ACT or SAT-or- GPA of 3.0 for previous 60 credit hours	

Tested Areas	Praxis Core Academic Skills for Educators Scores	Date Taken
Reading		
Writing		
Mathematics		
Test scores must be <b><i>no more than 5 years old</i></b> at the time of initial admission. <b><i>MUW GPA for previous 60 credit hours (includes all transfer credit applied to current transcript):</i></b> _____		
ACT COMPOSITE SCORE		
SAT COMPOSITE EQUIVALENT		

For students returning for ***a second degree***, already have a B.S. or B.A., their undergraduate core will satisfy the core requirement for Teacher Education. However, these Teacher Candidates must complete MA 113 *College Algebra (or math above MA 113)*, EN 101 *English Composition I*, EN 102 *English Composition II*, COM 101 *Oral Communications*, MA 111 *Modern Elementary Math I*, MA 112 *Modern Elementary Math II* (MA 111-112 applies to Elementary Education majors only), and any other professional education courses. Additionally, if a course is required for Teacher Education and was not a part of the individuals first degree, the course(s) must be taken at MUW.

**5. Admission to Teacher Internship**      The application for Teacher Internship is provided through Watermark around the midterm of each semester. See your academic advisor or inquire in the School of Education for access.

**Date of Admission to Teacher Internship**

<b>Teacher Internship Admissions Checklist</b>					<b>Date Completed</b>
Admission to Teacher Education ( <b><i>At least one semester prior to filing application for Internship</i></b> )					
Completion of 84 Semester Hours ( <b><i>Must include all required professional education courses</i></b> )					
Application for Teacher Internship (semester prior to TI)					
Liability Insurance					
Overall Minimum GPA of 2.50					
MUW Minimum GPA of 2.50					
75 Hours of Working with Children Documentation (Secondary and K-12 only)					
Mississippi Pre-service 101 License Issued					
<b>Minimum Grade of "C" in the following courses:</b>					
English Comp I	English Comp II	Oral Comm 101	Math 113 (or higher)	All Professional ED Courses	All Endorsement Area Courses
<b>Elementary Majors ONLY:</b>					
Math 111			Math 112		

## 6. Admission to Candidacy for Graduation

Admission to Candidacy for Graduation Checklist	Completed
<i>Residency Requirements (Minimum of 30 semester hours credit from MUW, excluding correspondence courses and advanced standing exams)</i>	
<b>2.50 Overall GPA</b>	
<b>2.50 MUW GPA</b>	
<b>2.50 GPA in major field</b>	
<b>Credit Hours in chosen curriculum</b>	
<b>Application for degree filed with Registrar by the deadline</b> <i>(See the MUW Academic Calendar)</i>	

## 7. Application for Teaching License

Admission for Teaching License Checklist	Completed
Completion of all degree requirements and all Teacher Education program requirements	
Minimum grade of "C" in Teacher Internship	
Satisfactory scores on PRAXIS CORE -or- ACT or SAT - or - GPA of 3.0 or higher for previous 60 credit hours	
Satisfactory scores on respective Praxis II: Principles of Learning and Teaching Exam (all education majors)	
Satisfactory score of Praxis II: Elementary Education: Curriculum, Instruction, and Assessment Exam (Elementary Ed only)	
Satisfactory score of respective Praxis II Subject Area Exam (K-12 & 7-12 education majors only)	
Satisfactory scores on MS Foundations of Reading Exam (Elementary Ed only)	
Official transcript request sent to MDE (Degree date must show as conferred)	
Submit online licensure application through the Mississippi Department of Education	

### Classes of Educator Licensure in Mississippi

**Class A** license requires a Baccalaureate Degree.

**Class AA** license requires a Master's Degree.

**Class AAA** license requires a Specialist Degree.

**Class AAAA** license requires a Doctoral Degree.

### Supplemental Endorsements for Mississippi Teacher Certification

Additional endorsements in content or special subject areas may be added to a standard license with 18 semester hours of approved coursework in a content area with no grade lower than a "C." Some supplemental endorsements may also be added by taking the Praxis II Specialty Area Test.

#### Notice Regarding Licensure

Requirements governing licensure in the state of Mississippi are continually revised. As a result, requirements for degrees leading to licensure are subject to change from those published in the MUW Bulletin. Students are advised to be in close communication with their education advisors to ensure that both degree requirements and licensure requirements are met. Also, students seeking licensure in other states should contact the Department of Education in that state for their license requirements.

**For the most up-to-date licensure information in the State of  
Mississippi: Mississippi Department of Education**  
Office of Educator Licensure 601-359-3483 <https://www.mdek12.org/OEL>

## BEGINNING THE PROGRAM

### NOTICE REGARDING PROFESSIONAL EDUCATION AND CONCENTRATION AND/OR ENDORSEMENT AREA COURSEWORK

*ED 302* is a MUW Elementary Education Critical Pathway Course that requires a minimum grade of “B”.

If a Teacher Candidate receives a “D” or “F” in a concentration and/or endorsement area course or professional education course (other than *ED 302*) and retakes the course to earn a “C” or above, only the second grade is used for determining professional area GPA. Effective August 2020 students enrolled in the B.S. in Early Childhood Development and the B.S. in Elementary Education may repeat a course only once in an attempt to earn the minimum grade required.

#### **ED 200: Education as a Profession**

*ED 200: Education as a Profession* is the first education course to be taken. This course seeks to involve prospective teachers in the issues of schooling and education and to give them a clear view of skills, knowledge, and dispositions they will need to be successful professionals. The philosophical foundations and the history of American education, governance, finance, and ethical and legal issues are discussed. The Teacher Education Handbook is a supplemental text to all professional education courses, and should be introduced during *ED 200*. Teacher Candidates are responsible for becoming familiar with all program requirements.

#### **ED 302: Art and Science of Teaching**

*ED 302: Art and Science of Teaching* is a gateway course to the program and requires a minimum grade of “B.” It may be taken during the same semester as *ED 200* but, if not, **should be taken immediately following ED 200**. Teacher Candidates complete a field experience with this course. Elementary Education majors will complete the field experience in *ED 311: Education Residency I*. School and classroom placements are made through the MUW Office of Field Experiences in cooperation with the appropriate school district. The field experience schedule will be determined by the individual Teacher Candidate in cooperation with the assigned Mentor Teacher. It is the student’s responsibility to make a diligent effort to contact the cooperating Mentor Teacher (**multiple ways, if necessary**) to establish an observation schedule. If a Teacher Candidate has difficulty connecting with the Mentor Teacher, they should notify the *ED 302* course instructor. Teacher Candidates apply for admission to Teacher Education the semester prior to their senior year, however they begin to meet the requirements for Teacher Education in *ED 302: Art and Science of Teaching*. This step usually occurs during the sophomore year or first semester of the junior year.

#### **ED 302 Course-Related Expenses**

**Background check fee** (*One background check is valid for students who are continuously enrolled at MUW*)

1. The fee is charged to the Teacher Candidate’s BANNER account at the time of course registration.
2. Go to <https://scholar.verifiedcredentials.com/muw> for current fees and information
3. The Verified Credentials school code is provided in *ED 302*.

#### **Watermark Registration fee for 7 year subscription:**

Subscription fee charged to the Teacher Candidate’s BANNER account at time of course registration.

## **The Pre-Professional Portfolio**

Teacher Candidates' submission of entries for the Pre-Professional Portfolio begin with the ED 200/ED 302 courses and continue through the final semester of the Teacher Internship. All submissions for the Pre-Professional Portfolio are uploaded to Watermark for assessment. Pre-Professional Portfolio Guidelines can be found in [Appendix A](#) of this Handbook.

### **Elementary Education Majors**

#### **MA 111 Modern Elementary Math**

Teacher Candidates who register for MA 111 *Modern Elementary Math* need to obtain information about the pre-test that will be given the first day of class from Dr. Bonnie Oppenheimer in Room 106B in Parkinson Hall or from the School of Education's Navigator, Ms. Christi Dillon.

#### **Notice Regarding Critical Pathway Course Grades**

The progression of study through the undergraduate programs require a minimum grade of "B" in the gateway course ED 302 for Elementary Education Majors, and "C" in all other professional education courses, specific content courses, and other specific courses as identified in the program materials for students in either the B.S. in Early Childhood Development or the B.S. in Elementary Education.

Professional education courses are defined by the unit as those which provide components in theory of teaching and learning, pedagogy, and/or content pedagogy.

#### **Notice Regarding Repeat Coursework**

Please note: Beginning August 2020, each undergraduate education student may repeat an education course or core required course once. Students who do not achieve required minimum grades after two attempts will not qualify to continue in the respective program(s) depending upon each program's minimum grade requirement. This restriction applies to all current and new undergraduate education students either in the B.S. in Early Childhood Development or the B.S. in Elementary Education.

## COURSE INFORMATION

### Restricted Professional Education Courses

ED 311	Education Residency I
ED 367	Education Residency II
ED 390	Classroom Management & Student Accommodations & Interventions
ED 405**	Teaching Mathematics in Elementary & Middle Schools
ED 406, 407, 409**	Teacher Internship
ED 410**	Teaching Social Studies in Elementary & Middle Schools
ED 412**	Teaching Science in Elementary & Middle School
ED 434**	Methods for Teaching Reading & Language Arts in Elem. & Middle Schools
ED 435**	Education Residency III
ED 466**	Diagnosing & Assessing Reading Difficulties in Children
EN 410**	Methods & Materials in Secondary English
FL 410**	Methods & Materials in Secondary Languages
HIS 410**	Methods & Materials in Secondary History & Social Studies
MA 319**	Methods & Materials in Secondary Mathematics
BSB 313**	Methods & Materials in Science (Biology)
PS 313**	Methods & Materials in Sciences (Chemistry)
MUS 325**	Secondary Music Methods
MUS 326**	Secondary Music Methods (Instrumental)
TH 207**	Creative Dramatics

### Frequency of Course Offerings-Fall and Spring

*These courses are currently offered in both Fall and Spring semesters each academic year.*

ED 200	Education as a Profession
ED 297	Instructional Technology I
ED 302	Art and Science of Teaching
ED 304	Principles of Early Childhood Learning
ED 306	Introduction to Special Education
ED 311	Education Residency I
ED 360	Educational Psychology
ED 361	Early Literacy Instruction I
ED 362	Early Literacy Instruction II
ED 365	Integrating Reading and Writing Across the Curriculum
ED 367	Education Residency II
ED 390	Classroom Management & Student Accommodations & Interventions
ED 405**	Teaching Mathematics in Elementary & Middle Schools
ED 406, 407, 409**	Teacher Internship
ED 410**	Teaching Social Studies in Elementary & Middle Schools
ED 412**	Teaching Science in Elementary & Middle Schools
ED 434**	Methods for Teaching Reading & Language Arts in Elem. & Middle Schools
ED 435	Education Residency III
ED 452**	Educational Measurement
ED 466**	Diagnosing & Assessing Reading Difficulties in Children
PSY 206	Human Growth & Development

*\*\*These courses require admission to Teacher Education.*

## SECONDARY/K-12 ADVANCED METHODS COURSES

Students should consult the current [MUW Bulletin](#) for frequency of other professional education courses.

Some will be offered in the summer, but final decisions are based upon enrollment and/or faculty availability.

**Advanced Methods Courses for Secondary and K-12 Majors:** Various academic departments on campus offer special methods courses that must be taken prior to Teacher Internship, but they may not be available every semester. Currently, most are planned as **fall only** offerings and some will be **alternating falls**. Teacher Candidates should check with their respective departments and plan their programs carefully to ensure these courses are taken prior to the Teacher Internship.

COURSE CODE	COURSE TITLE
MUS 320	Music Education Methods & Materials
MUS 325	Secondary Music Methods
MUS 326	Secondary Music Methods (Instrumental)
EN 410	Methods and Materials in Secondary English
FL 410	Methods and Materials in Secondary Language
HIS 410	Methods and Materials in Secondary History & Social Studies
MA 319	Methods and Materials in Secondary Mathematics
BSB 313	Methods and Materials in Science (Biology)
PS 313	Methods and Materials in Science (Chemistry)
TH 207	Creative Dramatics

**To be admitted to Teacher Education, Teacher Candidates must meet all these requirements:**

- Completed background check through Verified Credentials with a clear background verification.
- Completed ED 200: Education as a Profession with a grade of “C” or higher.
- Completed ED 302: Art and Science of Teaching with a grade of “B” or higher (you are only allowed to take this class twice to obtain the grade of “B” or higher).
- Overall GPA of 2.50 or higher on a minimum of 44 semester hours.
- Composite score of 21 or higher on the ACT **or** passing Praxis Core scores (Reading 156, Writing 162, and Math 130) **or** a MUW transcribed GPA of 3.0 or higher for the previous 60 credit hours.

### **Non-Transfer of Professional Education Courses:**

In order for MUW to recommend licensure, ALL required professional education courses must be taken at MUW.

### **Summer School Course Work:**

Teacher Candidates planning to take courses at other institutions should secure the approval of the chair of the appropriate department **in advance** to ensure that these courses will be acceptable to MUW. Transcripts of credits from summer sessions must be filed with the Registrar before August 30 for proper evaluation. Students are responsible for requesting these transcripts and for paying all charges assessed for them.

### **Second Degrees:**

A student may earn a second degree at MUW by completing at least 30 hours in residence after completion of the first degree and by satisfying all requirements for the second degree and the core curriculum (PS #1508).

### **Professional Semester:**

This is the Teacher Internship semester. Teacher Interns should be enrolled in ED 452 Educational Measurement **AND** the appropriate Teacher Internship course (9 semester hours). The program of the Professional Semester will be followed without deviation. No other coursework may be taken during the Professional Semester, except with special approval by the Director of Field Experience. Because Teacher Internship is a full-time on-the-job experience and requires much planning and preparation beyond the 40-hour work week, Teacher Interns are discouraged from outside employment while enrolled in Teacher Internship. Although it is not essential that all core/concentration coursework is completed prior to the Professional Semester, all professional education and required core courses must be completed with a "C" or above. Elementary majors must earn a "C" or better in concentration courses that will be used for licensure. Elementary majors should review this Handbook for additional requirements.

## **APPEALS/REQUESTS FOR EXCEPTION TO STATED POLICY**

A route of appeal exists for a Teacher Candidate who:

A.) Questions a decision affecting status in the Teacher Education program or Teacher Internship,

OR

B.) Requests special consideration beyond stated policies (e.g. applying for admission to Teacher Internship after the announced deadline).

All appeals must be filed within 30 days after the decision under question has been made. The Teacher Candidate will file a written request through the Office of Field Experiences, stating the request and the rationale, and providing related supportive data as needed. At the earliest appropriate time, a meeting of the Admissions/Appeals Committee for Teacher Education will consider the student's petition. The Teacher Candidate will be notified in writing of the decision.

***Note: Appeals to request an exception to admission to Teacher Education or Teacher Internship due to a deficiency in the required GPA will not be granted.***

*Additional coursework and outside employment are items explained and requested in the Teacher Internship Application, and the Director of Field Experience communicates with the Teacher Candidate and the Teacher Candidate's advisor to gather information for making the decision to approve or deny the request.*

## **BACKGROUND CHECK POLICY FOR FIELD EXPERIENCES**

Teacher Candidates who are enrolled in a Teacher Education program at Mississippi University for Women are required to submit a criminal background check prior to participating in any off-campus field experience assignments such as observations, methods, or practicum in P-12 schools. The background check must be completed with Verified Credentials, Inc. vendor using code: WXCYJ-92947. Background checks from other companies or for other employment are not acceptable to meet this requirement. Background checks should be completed prior to or during the first two weeks of ED 302 to ensure that background check results are able to be reviewed prior to placement in a clinical experience. No clinical placements will be assigned prior to the university receiving the background check results.

Teacher Candidates who cannot successfully complete a background check may not be eligible to continue in the course or education degree program. Please refer to the Mississippi Department of Education Office of Educator Licensure guidelines [Mississippi Code 37-3-2(11) (g)-(h)]. MUW reserves the right to disclose the results of a Teacher Candidate's criminal background check report to officials of a potential placement center at the discretion of MUW or upon request from the placement school.

The background check is valid as long as the Teacher Candidate is continuously enrolled in the program. Failure to remain continuously reenrolled may result in the need for a new background check prior to be assigned for field experience placement.

If a Teacher Candidate is involved in an incident potentially affecting the background check between the time of completion of the background check and the beginning of the field experience or during the time of participation in a field experience, it is their responsibility to disclose the incident to the Office of Field Experiences. Failure to disclose the information could result in the Teacher Candidate being dismissed from the Teacher Education program.

Existence of a flagged background check does not automatically disqualify an individual from admission. A flagged background check will be reviewed and Teacher Candidates may be required to meet with the Admission/Appeals Committee for Teacher Education to explain the nature of the offense and/or to determine eligibility for admission to the program. Mississippi University for Women is not responsible for Teacher Candidates admitted to the program with a flagged background check who are later denied licensure by the Mississippi Department of Education or any other state department of education.

If a Teacher Candidate is dismissed, the Teacher Candidate is not entitled to any tuition refund. The following will result in immediate dismissal from the education program:

- Refusal to complete a background check,
- A conviction for sexual misconduct,
- A conviction of drug/narcotic use,
- A conviction of a violent act,
- A conviction of an act against a child, and/or
- A violation or conviction that is contrary to the Mississippi Educator Code of Ethics and Standards of Conduct, Code 1717.

All appeals to the decision of the Admissions/Appeals Committee for Teacher Education must follow the Appeals Process for the Mississippi University for Women's Educator Preparation Program (EPP) and the Appeals Process for the University available in the current Teacher Education Handbook and the current University Bulletin.

## DESCRIPTION OF FIELD EXPERIENCES

Field experiences are planned so that the knowledge, theories, and practices taught in the Teacher Education courses are applied in meaningful ways throughout the program. The sequencing moves the Teacher Candidate from identifying the decisions teachers make to making planning, instructional, and management decisions themselves. All field experiences are in schools in which Teacher Candidates have the opportunity to work with diverse populations.

<b>LEVEL</b>	<b>DESCRIPTION</b>
<b>LEVEL I</b>	This experience occurs during the introductory coursework of the program. Placement assignments are made by the Director of Field Experience in cooperation with the school district central office liaisons and administrators. The Level I experience emphasizes instructional planning that is sensitive to student differences and thus involves a variety of teaching methodologies and modes of student assessment. An evaluation of the Teacher Candidate is completed by the Mentor Teacher and the field experience course instructor.
<b>LEVEL II</b>	This field experience occurs in the special methods classes. Teacher Candidates enrolled in special methods courses teach lessons in the assigned field experience placements. Field Experience hours vary depending on the major/course. An evaluation of the Teacher Candidate is completed by the Mentor Teacher and the field experience course instructor.
<b>LEVEL III</b>	This field experience occurs in the advanced methods classes. Teacher Candidates enrolled in advanced methods courses teach lessons in the assigned field placements. Field Experience hours vary depending on the major/course. An evaluation of the Teacher Candidate is completed by the Mentor Teacher and the field experience course instructor. This is the Methods Block for Elementary Education majors.
<b>LEVEL IV</b>	The Teacher Internship comprises Level IV of the clinical experience sequence. Typically, MUW places Teacher Interns in two settings: one for Phase I (approximately seven weeks) and another for Phase II (approximately seven weeks). Generally, elementary majors have one placement in lower elementary grades and one in upper elementary or middle school grades. Secondary majors have one placement in a middle school or junior high school and one placement in a high school. Special subjects K-12 majors have one placement in an elementary school and one in a middle/high school. Assignments are made by the Director of Field Experience in cooperation with school district central office liaisons and administrators. The Mentor Teacher and University Supervisor work together to ensure a positive learning experiences for the Teacher Intern and to provide mid-term and final assessments of teaching performance. The teacher intern should be observed a minimum of four times during the Professional Semester. During Teacher Internship, the Teacher Intern also participates in three mandatory seminars (in person or via Zoom).

### **FIELD EXPERIENCE ASSIGNMENTS:**

Levels I, II, and III clinical experience assignments are made in collaboration with MUW cooperating schools that are located near or within the Golden Triangle Regional area or at the Wesson Attendance Center in Wesson, Mississippi. Assignments beyond this range of the MUW campus (or with schools other than cooperating schools) must be arranged with the Office of Field Experiences. Most field experience courses are placed exclusively at certain cooperating schools according to partnership agreements and/or availability of the cooperating school curricula/programming aligned with a particular field experience course. Teacher Candidates should complete the required hours gradually across the semester.

### **CHANGING A MAJOR AFTER PLACEMENT APPROVAL:**

For Teacher Candidates who change their academic major after a placement has been approved, the Office of Field Experiences may or may not be able to accommodate a change of placement to a subject area associated with a new major.

### **INTERNSHIP PLACEMENTS:**

Internship assignments will be made collaboratively with MUW cooperating schools that are located within an approximate 40 to 50-mile radius of the Mississippi University for Women. Assignments beyond this range of the MUW campus must be arranged with the Office of Field Experiences.

As part of the EPP Quality Assurance System, all Teacher Candidates are evaluated using four (4) key assessments, including the Mississippi state-developed common instruments, which may be found on the School of Education's website under the "Program Planning" tab near the top of the page, on the "MS Common Instruments" page.

### **RECOGNIZING AND REPORTING CHILD ABUSE:**

Any person who knows or has reason to suspect abuse or neglect of a child by a parent, legal custodian, caregiver, or other person(s) responsible for the child's care, is required by law to make a report to the Mississippi Department of Child Protection Services. See Section 43-21-105 and Section 43-21-353 of the Mississippi Code for more information.

Teacher Candidates must first notify the school building administrator and then notify the Director of Field Experiences prior to making an official report of suspected abuse or neglect.

<https://www.mdcps.ms.gov/programs/reporting-child-abuse-and-neglect>

The Dean of the School of Education is a mandatory reporter and will notify the Mississippi Department of Education of Teacher Intern reports of suspected abuse or neglect.

## SUMMARY OF FIELD EXPERIENCE COURSES

<b>Course Number and Title</b>	<b>Brief Description</b>
BSB 313 Materials and Methods in Science (Biology)	Minimum 10 hours in a secondary classroom Direct teaching, tutoring, assisting with projects Teach one lesson
ED 200 Education as a Profession	Minimum 10 observation hours in a K-12 classroom Observe, create bulletin boards, read to children, and design classroom activities
ED 302 The Art and Science of Teaching	Minimum 10 hours in a K-12 classroom One-on one, small group, and whole group tutoring/teaching; assisting the Mentor Teacher with various tasks Teach one lesson
ED 304 Principles of Early Childhood Education	Minimum 5 observation hours in assigned early childhood classroom Observe, create bulletin boards, read to children, and design classroom activities
ED 306 Introduction to Special Education	Minimum 10 hours in a K-12 classroom One-on one, small group, and whole group tutoring/teaching assessment with students with exceptionalities
ED 365 Content Area Reading	Minimum 10 hours in a middle school classroom One-on one, small group, and whole group literacy tutoring/ teaching/assessment Teach one lesson
ED 390 Classroom Management and Student Accommodations and Interventions	Minimum 10 observation hours in a K-12 classroom Observe classroom management and student accommodations and interventions, create bulletin boards, read to children, and design classroom activities
EN 410 Methods and Materials in Secondary English	Minimum 22 hours in a 7-12 English classroom Observe/assist/teach/tutor Teach one lesson
FL 410 Methods and Materials of Secondary Foreign Language	Minimum 22 hours in a K-12 foreign language classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks Teach one lesson
FPA 399 Fine and Performing Arts: Teaching Methods	Minimum 10 hours in a K-12 fine or performing arts classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks Teach one lesson
HIS 410 Methods and Materials of Secondary Social Studies	Minimum 10 hours in a 7-12 history/social studies classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks Teach one lesson
MA 319 Methods and Materials of Secondary Mathematics	Minimum of 10 hours of teaching in a 7-12 math classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks
MUS 320 Music Education Materials and Methods	Minimum 10 hours in a K-12 music classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks Plan and teach lessons
MUS 325 Secondary Music Methods	Minimum 10 hours in a 7-12 music classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks Plan and teach lessons
MUS 326 Secondary Music Methods (Instrumental)	Minimum 10 hours in a 7-12 music classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks Plan and teach lessons
PS 313 Materials and Methods in Physical Science (Chemistry)	Minimum 10 hours in a 7-12 physical science classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks Plan and teach lessons
TH 207 Creative Dramatics	Minimum 10 hours in a K-12 theatre/performing arts classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks Plan and teach lessons
ED 311 Education Residency I	Minimum 40 hours in a K-6 classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks
ED 367 Education Residency II	Minimum 40 hours in a K-6 classroom One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks
ED 435 Education Residency III	Minimum 80 hours in a K-6 classroom for a 5-week period One-on one, small group, and whole group tutoring/teaching; assisting MT with various tasks

# ATTRIBUTES REPRESENTING PROFESSIONAL DISPOSITIONS

*Qualities Important to Future Teachers and Educational Professionals*

## **Personal qualities important to the teaching/education profession**

- Possesses integrity
- Is highly motivated
- Displays perseverance
- Exhibits self-control
- Is punctual and reliable
- Presents a professional appearance and demeanor
- Accepts responsibility
- Evidences high academic achievement
- Takes initiative
- Shows maturity of judgment
- Demonstrates warmth and advocacy for children

## **Qualities important to collaboration**

- Establishes rapport with others
- Communicates respectfully and with effective communication skills
- Values teamwork
- Demonstrates a commitment to achieving team goals
- Assumes appropriate roles in the collaborative process
- Demonstrates a respectful appreciation for diverse perspectives
- Seeks to develop and maintain professional workplace relationships

## **Commitment to professional growth**

- Responds appropriately to supervision
- Accepts constructive criticism and suggestions
- Uses suggestions to improve skills and understanding
- Strives to achieve competency
- Maintains integrity
- Reflects on/evaluates strengths and areas for improvement
- Displays interest and curiosity in the learning process
- Values life-long learning
- Is a self-directed learner

## **Commitment to diversity and social justice**

- Demonstrates cultural respect and understanding
- Displays sensitivity to ethnically, linguistically, cognitively, physically, socially diverse groups and individuals
- Treats all people equally
- Believes in equal educational/vocational opportunity
- Advocates for appropriate expectations for *all* students

## **Commitment to ethical practices**

- Maintains confidentiality
- Is honest and trustworthy
- Uses sound, informed judgment
- Displays ethical behavior
- Abides by ethical responsibilities
- Abides by legal mandates

## **REMOVAL FROM A LEVEL I, LEVEL II, OR LEVEL III FIELD EXPERIENCE**

### **Administrative Removal**

Teacher Candidates removed from a field placement will be administratively removed from the field experience course. If a student is removed after the university's designated drop date, then the student must withdraw from internship. Since this action is an administrative removal, the grades recorded for student teaching and educational measurement will be a "W."

Note: Teacher Candidates may lose all or part of tuition paid for the semester.

### **Lack of Ability in Teaching Performance or Professional Dispositions Termination**

Although rare, sometimes a Teacher Candidate's lack of progress in assuming classroom responsibilities may cause school officials and/or university officials (professor, Director of Field Experiences, Chair of the Department of Education, and/or Dean of the School of Education) to seek termination of the clinical placement. If a cooperating teacher or principal believes a Teacher Candidate is not performing appropriately (including but not limited to: poor planning and instruction, lack of professional dispositions, and/or violation of the Mississippi Educator Code of Ethics and Standards of Conduct or the Mississippi University for Women Code of Conduct) in the assigned field experience placement, the Mentor Teacher and/or principal must discuss the problems with the university officials and the field experience student. If the university officials believe a Teacher Candidate is not performing appropriately in the assignment, the university officials must discuss the situation with the Mentor Teacher, principal, and Teacher Candidate. After the discussion (regardless of whether the cooperating school personnel or the university personnel initiated the concern for lack of performance), the university officials, Mentor Teacher, and Teacher Candidate will collaboratively write an improvement plan.

The improvement plan may include not only teaching performance indicators but also professional dispositions. Professional behaviors that should be demonstrated include but are not limited to collaboration, reflection, integrity, learning initiative, responsibility, respect, diversity and professionalism broadly defined.

The improvement plan will be signed by the Teacher Candidate to confirm agreement to work toward meeting the goals of the improvement plan. If the Teacher Candidate refuses to sign the plan, then a statement will be written on the plan indicating that that Teacher Candidate refused to sign the plan. Upon completion of all signatures on the improvement plan, the plan will be submitted to the Office of Field Experiences for review and placement in the Teacher Candidate's file. If the Teacher Candidate shows continuous improvement, they will continue with the experiences at the assigned site with careful supervision.

If the Mentor Teacher, principal, or university officials continue to see no improvement in the Teacher Candidate's performance within five (5) school days of the date of the submission of the

improvement plan, a decision for termination may be made. A termination conference with university officials and the Mentor Teacher will take place. A letter of termination of the field experience will be submitted to the student within three (3) school days of the conference with the university officials and the Mentor Teacher. The letter of termination shall include the date of termination and goals of the improvement plan that were not met.

Please see the page 48 for a list of dispositions that outlines qualities expected of future teachers and educational professionals.

### **Immediate Termination**

A Teacher candidate may be terminated immediately from a placement and/or the Teacher Education program if continuing the placement compromises the safety of the students or if violation of the Mississippi Educator Code of Ethics and Standards of Conductor or the Mississippi University for Women Code of Conduct (reference current MUW Undergraduate Bulletin) is found to be evident. Decisions for immediate termination should represent a consensus among the cooperating school's administration and university administration.

School personnel who believe their students are unsafe if a placement continues should contact the appropriate university officials. Professors or other appropriate university personnel who believe the students are unsafe should contact the Director of Field Experiences. The Director of Field Experiences will schedule a meeting as quickly as possible with all persons involved for the purpose of discussing appropriate solutions.

Within three (3) school days of receiving a complaint supported by appropriate documentation, the Director of Field Experiences will convene a committee consisting of the relevant cooperating school personnel (if appropriate), university personnel, and the Teacher Candidate to review the documentation of evidence and a decision for termination or no termination will be made. The letter of decision of termination or no termination will be sent to the Teacher Candidate within three (3) school days of the committee hearing.

### **Appeals Procedure for the Teacher Candidate**

If it is determined that a Teacher Candidate needs to be removed from a placement and/or the Teacher Education program, the Teacher Candidate has the right to appeal that decision. The Teacher Candidate must initiate the appeals process by submitting a written request to the Director of Field Experiences within three (3) days after being removed.

### **Action by the Teacher Candidate**

A Teacher Candidate appealing for readmission into the placement and/or Teacher Education program will submit a typed letter to the Director of Field Experiences requesting a meeting with the Admissions/Appeals to Teacher Education Committee. In the written letter, the Teacher Candidate will justify their request and describe the steps that have been taken to rectify the situation.

Documentation including why they should be allowed to re-enroll and information about additional experiences that have been undertaken to help them remedy problems identified during the field

experience placement should be included in the letter.

The letter will be forwarded to the Director of Field Experiences, who will then convene the Admissions/Appeals Committee for Teacher Education. The Director will send a letter to the Teacher Candidate indicating the time and place of the meeting requesting that the Teacher Candidate be prepared to explain the situation, provide documentation to verify remediation, and answer questions by the committee members.

**Action of the Admissions/Appeals Committee for Teacher Education**

The committee can either accept or deny the Teacher Candidate's appeal request. The Teacher Candidate will be notified within five (5) school days of the committee's decision.

NOTE: If the committee accepts the Teacher Candidate's appeal, the Teacher Candidate will continue the next semester (not the semester in which the removal occurred.)

## REQUIRED LICENSURE EXAMS

**\*NOTE: You will not be recommended for licensure upon graduation if you have not met the licensure exam requirements. Once documentation of passing scores on all required licensure exams is in MECCA, contact the Director of Field Experiences so they can verify and recommended for licensure.**

Teacher Candidates **must request** that all licensure scores be sent to Mississippi University for Women. **Omitting this request on an application will result in an extra fee when scores must be requested later.** The student's copy is so designated and, just as with transcripts, cannot serve as an "official" copy. **The ETS recipient code for MUW is 1481.**

The chart below shows the licensure exams required by the MS Department of Education for each licensure-track MUW Teacher Education program. The title of the exam is at the top, and the specific exam code and required score for each exam is listed with each program. **The underlined text in the chart links you to the appropriate website for exam cost, resources, and registration.**

- It is suggested you take your Foundations of Reading exam after completing all four literacy courses & with enough time to retake before graduation, if needed.
- It is suggested you take your Praxis II exam(s) with enough time to retake before graduation, if needed. Testing after your "Materials & Methods" course(s) is ideal.

MUW Teacher Education Program	Praxis II: Principles of Learning & Teaching	Praxis II: Subject Area Exam	MS Foundations of Reading Test
Elementary Education (K-6)	K-6, Exam Code <a href="#">5622</a> PASS: 160	Elementary Ed: Curriculum, Instruction, & Assessment, K-6, Exam Code <a href="#">5017</a> (PASS: 153)	<a href="#">YES</a> (PASS: 233)

## ADMISSION TO THE UNDERGRADUATE TEACHER EDUCATION PROGRAM

**To be admitted to the MUW Teacher Education program, students must meet all these requirements:**

- Completed background check through Verified Credentials with a clear background verification.
- Completed *ED 200: Education as a Profession* with a grade of “C” or higher.
- Completed *ED 302: Art and Science of Teaching* with a grade of “B” or higher.
- Overall GPA of 2.50 or higher on a minimum of 44 credit hours of coursework; please consult with your academic advisor to address specific coursework that must be completed.
- Composite score of 21 or higher on the ACT **or** passing Praxis Core scores (Reading 156, Writing 162, and Math 130) **or** an overall MUW GPA of 3.0 or higher.

### Notice Regarding Repeat Coursework

Beginning August 2020, each undergraduate education student may repeat an education course or core required course once. Students who do not achieve the required minimum grades after two attempts will not qualify to continue in the respective program/s depending upon each program's minimum grade requirement. This restriction applies to all current and new undergraduate education students either in the B.S. in Early Childhood Development program or the B.S. in Elementary Education program.

#### Exam/GPA Requirements for Admission to Teacher Education

Teacher Candidates must meet **ONE** of the three following requirements **PRIOR to admission into Teacher Education:**

*An overall MUW GPA of 3.0 or higher.*

**OR**

*An ACT/Residual ACT composite score of 21 or higher (or an SAT equivalent score of 1060)*

**OR**

*Passing scores on the Praxis Core (Test 5752: contains all 3 subtests)  
MS Qualifying Praxis Core Scores—Reading: 156, Writing: 162, Mathematics: 130*

It is recommended that the ACT or Praxis CORE be attempted/submitted during the semester of enrollment in **ED 302**. All test scores used for admission to the Teacher Education program must be no more than 5 years old at the time of admission.

Teacher Candidates **must request** that all licensure scores be sent to Mississippi University for Women. Educational Testing Service does not do so automatically. **Omitting this request on an application will result in an extra fee when scores must be requested later.** The student's copy is so designated and, just as with transcripts, cannot serve as an “official” copy. **The ETS recipient code for MUW is 1481.**

## **Residual ACT at MUW**

The Residual ACT is available to students who were unable to take the exam on the national test dates.

**Cost:** \$55 (No fee waivers available. Refunds will not be given. Students may reschedule.)

**Score Reports:** The Student Success Center does not provide score reports.

To receive your scores, call the Office of Admissions (662) 329-7106 after 1:00 PM on the Wednesday after your test. Contact the Student Success Center for more information: <https://www.muw.edu/ssc/testing/act/> or (662) 329 -7138 or email [ssc@muw.edu](mailto:ssc@muw.edu).

The scores from the Residual ACT are **only valid at Mississippi University for Women** and cannot be sent to another institution. Residual ACT assessments may only be taken **every 60 days**, regardless of testing location.

## MUW STUDENT EDUCATION ORGANIZATIONS

MUW Teacher Education Teacher Candidates are encouraged to participate in their professional organizations.

Contact the School of Education for advisor contact information. 662-329-7175

### **MPE Mississippi Association of Professional Educators**

**Eligibility:** Any Teacher Education major  
(Admission to Teacher Education is not a prerequisite)

**Meetings:** Monthly: Please see faculty advisor, Mrs. Rose Ford, for details.

### **KKI Kappa Kappa Iota**

**Eligibility:** Any Teacher Education major  
(Admission to Teacher Education is not a prerequisite)

**Meetings:** Monthly: Please see faculty advisor(s), Mrs. Rose Ford or Mrs. Penny Mansell for details.

## **Teacher Education Honors and Awards for Teacher Candidates**

### *Mississippi Association of Colleges of Teacher Education Outstanding Teacher Candidate Award*

The Mississippi Association of Colleges of Teacher Education (MACTE) sponsors an annual award honoring outstanding Teacher Candidates. One undergraduate Teacher Candidate from each member institution is honored. This honor is awarded to one MUW Teacher Candidate each academic year and is based on the following criteria: GPA, outstanding teaching ability, outstanding character and interpersonal skills determined by performance on Teacher Candidate disposition assessments, and other contributions such as leadership and service while at the university. Outstanding area school administrators and teachers are also recognized during this event.

### *Outstanding Teacher Intern Award*

The MUW Office of Field Experiences recognizes one outstanding Teacher Intern each fall and spring semester, and the selection is based on the Teacher Intern's personal characteristics, professional characteristics, and skills in teaching methodology.

### *EPP Student Awards*

The MUW EPP recognizes outstanding Teacher Candidates and MAT/M.Ed. Candidates in the following areas each fall and spring semester. Recipients are typically recognized during an EPP awards ceremony.

- Early Childhood Development Teacher Candidate
- Elementary Education Teacher Candidate
- Secondary/Specialty Education Teacher Candidate
- Master of Arts in Teaching Candidate
- Master of Education in Education Candidate

## **SCHOOL OF EDUCATION SERVICES**

### **Education Interview Day**

The opportunity to interview with school district representatives from the southeastern region of the United States is offered to Teacher Education students through a Teacher Recruitment Day held each spring. All seniors are strongly encouraged to attend, and provisions are made for Teacher Candidates that are currently interning. The Center for Education Support will provide information regarding location, date, and time.

### **Placement & Follow-up**

Graduates are assisted in securing positions by both the education faculty and Career Services. To facilitate this process, all graduates should register with Career Services to establish their placement and credentials files. In addition to its on-going interest in the placement and success of its graduates, the School of Education formally conducts one-year and three-year follow-ups on Teacher Education graduates.

### **W-BEST**

W-BEST (Beginning Educators Support and Training) is a program to provide coaching and support for new teachers. Graduates are encouraged to enroll in the program. Please contact the MUW Center for Education Support for more information.

MUW Center for Education Support

662-241-6386

### **Curriculum Samples and Children's Literature**

A variety of curriculum materials and children's literature are available to all MUW students. Candidates may use books and other media and materials catalogued in the John C. Fant Memorial library.

## **SECONDARY/K-12 MAJORS EXPERIENCES WITH CHILDREN OR YOUTH DOCUMENTATION PROCEDURES**

MUW requires documentation of a minimum of 75 clock hours of experience with children or youth prior to admission to Teacher Internship. The purpose of this requirement is to provide Teacher Candidates familiarity with students and with the role of an instructional leader. The MUW Department of Education and other academic departments that offer academic programming in Teacher Education preparation provide field experiences as part of education courses and may allow additional hours accumulated through approved experiences. Submit proper documentation to the Teaching Internship Application.

### **Appropriate Experiences**

A variety of possibilities exist, with the key being whether the individual is in an educational and instructional role, e.g. teaching swimming lessons as opposed to life guarding; serving as a scout leader, not being a scout; teaching a Sunday School class, not keeping the nursery. Possible instructional roles include, but are not limited to:

- Jumpstart Participant
- Summer Camp Leader
- City Recreational Sports Coach
- Head Start Worker
- Private Tutor
- Extra Hours in a Methods Course Field Experience
- MUW CPDC Volunteer
- MUW Math/Writing Lab Tutor
- Substitute Teacher
- Vacation Bible School Teacher/Sunday School Teacher
- Youth Organization Leader/Volunteer Assistant Teacher
- 4-H Volunteer/Leader

### **Age Requirements**

Experience should be with a school age population (minimum of 3 years of age), or in an educational setting approved by the Director of Field Experiences.

### **Payment for Services**

The required experience with children and youth may be either paid or unpaid.

### **Time Line**

Credit for past experience can date back no further than the senior year of high school. In the case of non- traditional students, more recent experiences are preferred, but hours can be counted as far back as necessary, but only IF they can be documented.

### **Documentation**

Each experience must be documented with a letter of verification on official letterhead stationery, signed by the person who provided the supervision. Letters should be uploaded when applying for Teacher Internship.

## **Internship Terminology**

The **Professional Semester** is the Teacher Internship semester.

The **Cooperating School** is a public school (or pre-approved, accredited private school) which provides laboratory experiences for prospective teachers.

The **Teacher Intern (TI)** is a college student enrolled in the Professional Semester.

A **Mentor Teacher (MT)** is a faculty member of a cooperating school who is engaged in the supervision of a Teacher Intern in the classroom or extra class activities.

A **University Supervisor (US)** is a member of the university faculty or adjunct faculty who, in addition to teaching duties, is responsible for supervising Teacher Interns. Responsibilities include visiting the Teacher Interns, holding conferences with them and their Mentor Teachers, and evaluating the progress of Teacher Interns.

The **Director of Field Experiences** is a university faculty member who has been assigned the following responsibilities: working with the administrators of cooperating schools in making assignments, supplying necessary forms and reports, filing the final evaluations, maintaining active files for five years on each Teacher Intern, and maintaining a good working relationship within the cooperating schools. Any problem involving a Teacher Intern or interpersonal relationships within a cooperating school should be called to the Director's attention immediately.

The **Chair of the Education Department** works closely with the Director of Field Experiences and has supervisory responsibilities to ensure a functioning, effective Teacher Education program.

The **Dean of the School of Education** works closely with the Chair of the Department of Education and the Director of Field Experiences, has supervisory responsibilities for all functions within the School of Education, coordinates with MUW colleges offering programs that are a part of the institution's Teacher Education Program, and coordinates with cooperating schools and programs working with the institution's Teacher Education program.

**Phase I Teacher Internship** refers to the first half of the Teacher Internship experiences and lasts approximately seven (7) weeks.

**Phase II Teacher Internship** refers to the second half (approximately 7 weeks) of the Teacher Internship experiences and involves placement in a different grade level or subject area from the Phase I placement.

**Watermark™** refers to a web-based data management system the university uses to collect individual assessment information for all Teacher Candidates. All assessment data for teacher interns will be submitted via [Watermark](#) by the Mentor Teacher, University Supervisor, and Teacher Intern.

**Teacher Intern Assessment Instrument (TIAI)** To receive a passing grade in Teacher Internship, students must demonstrate each competency on the [Teacher Intern Assessment Instrument](#). The Teacher Intern is evaluated by and receives feedback from the University Supervisor and Mentor Teachers. It is unlikely that a Teacher Intern will demonstrate all indicators in one visit by a University Supervisor, therefore additional visits will be used to validate the remaining indicators.

**A Teacher Professional Disposition** is the tendency to act in a certain manner aligned with the field of professional education. The dispositions listed are aligned with the Mississippi Educator Code of Ethics, found here:

[https://www.mdek12.org/sites/default/files/documents/OEL/mde\\_code\\_of\\_ethics.pdf](https://www.mdek12.org/sites/default/files/documents/OEL/mde_code_of_ethics.pdf)

The purpose of the Professional Disposition evaluation is to ensure the adherence to the Mississippi Educator Code of Ethics (MCoE), university, and district policies which support the habits of professional action and ethical commitments that underlie an educator’s performance (attitude and behavior). Items rated at the “Meets Standard” level (a rubric score of two) or “Exceeds Standard” (a rubric score of three) represent successful teaching practice by the Teacher Candidate. Rubric scores of one (“Needs Improvement”) or zero (“Unacceptable”) are viewed as areas in need of improvement, and the Teacher Candidate will meet with the Mentor Teacher and University Supervisor for guidance and suggestions for greater success.

## **UNDERGRADUATE TEACHER INTERNSHIP: ELEMENTARY, SECONDARY, & SPECIALTY**

This information is intended to serve as policy and guidance for Teacher Interns, Mentor Teachers, University Supervisors, principals, superintendents, and others involved in the Mississippi University for Women Teacher Internship program. The reader will find an explanation of the philosophy as well as a description of the cooperative nature of the program. Procedures and responsibilities for each member of the Teacher Internship endeavor are included. Individuals responsible for guiding a Teacher Intern through the program should, along with the Teacher Interns, consider themselves members of a team with a common goal, which is the development of the best teachers possible.

The MUW *Teacher Education Handbook*, as currently published, describes as accurately as possible the policies, procedures, regulations, and requirements related to the Teacher Internship. The MUW Education Preparation Provider (EPP) reserves the right to adjust its policies at any time to promote the best interest of those involved in the program in compliance with state regulations regarding the Teacher Internship experience. Please also refer to additional information provided via Watermark, Mentor Teacher Resource Guides, University Supervisor Resource Guides, and via official communication with university personnel.

For additional information about the MUW Teacher Internship program:

Department of Education Office of Field Experiences

Education and Human Sciences Building 520 11th Street South/PO Box W-1637

Columbus, Mississippi 39701

<http://www.muw.edu/education>

662-329-7175

662-241-7869

Many studies have shown, and educators agree, that the most important single aspect of a Teacher Education program is actual teaching experience. At MUW, the Teacher Internship is the major phase of developing a cumulative series of academic and professional courses and laboratory experiences designed to prepare the prospective teacher for full teaching responsibilities with competence and confidence.

The MUW faculty and staff believe that excellent teacher education results from broad cultural experiences, strong background in the teaching field, and practical professional preparation. To neglect any one of these would jeopardize the potential of success of the Teacher Intern. The professional experiences of the Teacher Intern at MUW begin during the sophomore year with the application for admission into Teacher Education. A process of screening and assessment is initiated which continues through application and acceptance into Teacher Internship. Finally, in three Internship seminars, Teacher Interns are given an opportunity to reflect upon and relate their experiences to the total Teacher Education Program.

At the assigned cooperating school, each Teacher Intern observes, assists, and gradually assumes the professional activities of the cooperating Mentor Teacher. The activities of the Interns are

closely supervised and evaluated by both the Mentor Teachers and University Supervisors.

### **Catalog Description of Teacher Internship**

Teacher Internship is completed during the “Professional Semester.” To enroll in these courses, students must be officially admitted to Teacher Internship.

The Teacher Internship provides actual teaching experience in a cooperating school under the direction of qualified Mentor Teachers and University Supervisors. Observation and other field experiences precede actual classroom teaching. Individual conferences are held by both the Mentor Teachers and the University Supervisors. The course is scheduled for five days each week during the Professional Semester. The last day of the Professional Semester is devoted to seminars led by the Director of Field Experiences for the purpose of identifying and reinforcing points where additional information and study are needed. Teacher Interns will be on duty each day for the same hours required of their Cooperating Teacher(s). Teacher Interns will normally follow the calendar of the school system in which the Internship is done.

### **The following courses qualify as Teacher Internship courses in the undergraduate program:**

- ED 404: Teacher Internship: Early Childhood (9 semester hours)
- ED 406: Teacher Internship: Grades K-6 (9 semester hours)
- ED 407: Teacher Internship: K-12 (9 semester hours)
- ED 409: Teacher Internship: Grades 7-12 (9 semester hours)

### **Goals of the MUW Teacher Internship**

To develop the knowledge, attitudes, and skills needed by today’s teachers to function effectively in a changing and increasingly complicated society. If this goal is to be realized, student internship at MUW must include:

- Experiences which develop understanding beyond the verbalization and formal skills of the college classroom and which lead to action based upon creative thinking and the practical use of skills.
- Opportunities for Teacher Interns to explore their potential effectiveness in both formal and informal teaching-learning situations.
- Opportunities for Teacher Interns to explore theories of method and techniques, which have evolved from their formal coursework and other experiences, in actual classroom situations.

To obtain practical experience in performing the extra class functions normally expected of the classroom teacher, which should include:

- Participation in the “total” program of the cooperating school.
- Development of an understanding of the proper role of the teacher in the community.
- Experience in the role of the teacher as an agent of good public relations.

To begin developing the resourcefulness and maturity needed to cope with the complexity of guiding the total growth of children and youth.

To engage in teaching activities that will insure an adequate level of teaching knowledge and skills in area(s) of specialization. The knowledge and skills acquired will be evident in the Teacher Intern's ability to:

- Plan for teaching by establishing a sound plan of instruction based upon clearly stated instructional objectives and by utilizing appropriate instructional aids.
- Give evidence of basic knowledge of the subject matter.
- Communicate subject matter and skills to students in Standard English.
- Motivate learners through enthusiasm and respect for students as individuals.
- Control their verbal behavior through use of questioning and listening skills as well as involving students in appropriate interaction.
- Diagnose student needs in content and affective areas.
- Manage classrooms effectively, both student behavior and physical environment.
- Evaluate student achievement, using a variety of valid and reliable techniques, and utilize evaluation results for instructional purposes.
- Display positive interpersonal skills with students and other staff members.
- Exhibit acceptable personal qualities, such as but not limited to - dress and grooming, voice quality, communication, punctuality, sense of humor, and other socially acceptable and dispositional attributes.

## ADMISSION TO TEACHER INTERNSHIP

Following admission to Teacher Education, a Teacher Candidate must complete a minimum of one semester of coursework before being admitted to Teacher Internship. Materials for application to Internship will be distributed by the candidate's advisor the semester prior to Internship.

Date of Admission to Teacher Internship:

---

Teacher Internship Admissions Checklist					Date Completed
Admission to Teacher Education <i>(At least one semester prior to filing application for TI)</i>					
Completion of 84 Semester Hours <i>(Must include all required professional education courses)</i>					
Application for Teacher Internship (semester prior to TI)					
Liability Insurance					
Overall Minimum GPA of 2.50					
MUW Minimum GPA of 2.50					
75 Hours of Working with Children Documentation (Secondary and K-12 only)					
Pre-service 101 License Issued					
<b>Minimum Grade of "C" in the following courses:</b>					
English Comp I	English Comp II	Oral Comm. 101	Math 113 (or higher)	All Professional ED Courses	All Endorsement Area Courses
<b>Elementary Majors ONLY:</b>					
Math 111			Math 112		
Praxis II Tested Areas	Required	Your Score	Date Taken		
<b>PLT</b>	K-6 (5622)-160 7-12 (5624)-157				
<b>Subject Area Assessment</b>					
<b>Foundations of Reading (Elementary Only)</b>					

**NOTE:** If a Teacher Candidate receives a D or F in a concentration and/or endorsement area courses or professional education course and retakes the course to earn a C or above, only the second grade is used for determining endorsement area or professional area GPA.

**Conditional Admission to Teacher Internship:** Teacher Candidates who have not met all of the above Teacher Internship admission requirements at the start of the Professional Semester, ***may be*** considered for a conditional admission.

NOTE: Internship Conditional Admits are only accepted in two conditions: if the Teacher Candidate is approved to take a required course WHILE in Internship or if the Teacher Candidate is approved to take a required course AFTER Internship (which means they will graduate at the conclusion of the semester after Internship). A request to take a course with or after Internship is made in the Teacher Internship application, and the Director of Field Experience approves or denies after communicating with the Teacher Candidate and their advisor.

## TEACHING INTERNSHIP PLACEMENTS

### Selection of Teacher Internship Placements

The Teacher Internship is completed in the cooperating schools that have partnered with MUW by signing and submitting a Memorandum of Understanding (MOU), which is on file in the Office of Field Experiences. The schools selected as cooperating schools are chosen because of the belief that they provide a desirable environment for the important final phase in the preparation of prospective teachers. Factors considered in their selection are as follows: the quality of the administrative and supervisory leadership, the adequacy of the school facilities and equipment, the availability of qualified teachers in the areas of students' specialization, and the need to honor varying requests made by the cooperating schools or school systems. Every effort is made to honor the preferences and special needs of Teacher Interns within these constraints.

### Placement of Teacher Interns

Mississippi University for Women establishes placement for Teacher Interns in two settings: one for Phase I and one for Phase II, as follows:

Elementary	One placement in lower elementary (K-3) One placement in upper elementary or middle school (4-6)
Secondary (7-12)	One placement in middle school or junior high One placement in high school
Specialty Subjects (K-12)	One placement in elementary One placement in secondary

Every effort is made to honor the preferences and special needs of Teacher Interns regarding placement, but that is only part of the process. The Director of Field Experiences prepares a master request list. A list of placement requests for assignments is electronically requested of the appropriate administrative personnel of the respective school districts. The school district administrative personnel then consults the principals of the cooperating schools and approve the list as submitted or approve pending suggested assignment adjustments. Approvals are returned to the Director of Field Experiences.

**Once an assignment is confirmed by a school district,  
Teacher Interns should respect that assignment as a  
teaching contract.**

## **SELECTION OF MENTOR TEACHERS**

### **Mentor Teachers**

Mentor Teachers are selected from qualified teachers in the cooperating schools upon the recommendation of their superintendents and principals. Mentor Teachers must have demonstrated (during several years of teaching) that they are master teachers in their area(s) of expertise. More specifically, they must have at least three years of teaching experience in their current teaching position, complete the online TIAI and Professional Dispositions evaluation trainings, and have a *genuine* desire to work with Teacher Interns. A master's degree is preferred.

### **University Supervisor Assignments**

The EPP's Teacher Education faculty and adjunct faculty serve as University Supervisors for field experiences. The Director of Field Experiences collaborates with the Chair of the Department of Education to establish University Supervisor's assignments. Secondary and K-12 Teacher Interns are supervised by the faculty from the corresponding content areas. To the extent possible, assignments are made to ensure the best possible match between the University Supervisor and the Teacher Intern.

To ensure an equitable, high-quality experience is provided to field experience students, the University Supervisors work very closely and collaboratively with the Mentor Teachers. For the Teacher Internship, University Supervisors conduct a "meet and greet" orientation in addition to three additional visits per phase (a minimum of eight visits) to conduct informal and formal evaluations of the Teacher Intern and conference with the Mentor Teacher. University Supervisors make themselves available via email, CANVAS course sites, Zoom, video conference, and phone for additional conferencing as needed.

## RESPONSIBILITIES OF MEMBERS OF THE TEACHER INTERNSHIP TEAM

### TEACHER INTERN RESPONSIBILITIES

<b>Responsibilities to the cooperating school and Mentor Teacher</b>	<ul style="list-style-type: none"> <li>◇ Obtain a school handbook, seating charts, schedules, textbooks, etc. during the first visit to the school.</li> <li>◇ Obtain an interest inventory and learning styles inventory at the beginning of each phase (prior to teaching). These may be used to demonstrate justification for selected planning and instruction.</li> <li>◇ Submit all lesson plans to the Mentor Teacher and/or University Supervisor (as directed) for evaluation and approval <b>prior</b> to teaching.</li> <li>◇ Consider all assigned school duties as professional responsibilities and make them a priority.</li> <li>◇ Exemplify the attitudes and actions of a professional educator rather than those of a student.</li> <li>◇ Adhere to the school's and profession's rules, policies, and standards of behavior.</li> <li>◇ Cooperate at all times with students, teachers, and administrators.</li> <li>◇ Avoid unfavorable criticism of the school, the Mentor Teacher, and the community.</li> <li>◇ Safeguard all personal and confidential information and use it for professional purposes only.</li> <li>◇ Dress appropriately and in keeping with school district, professional, and university policy/standards. The faculty dress code of the school and district must be followed. It is recommended that Teacher Interns follow "one level above" what is required in the faculty dress code.</li> <li>◇ Take an active part in the extracurricular activities of the school. Volunteer when necessary.</li> <li>◇ Engage in open dialogue with the Mentor Teacher to discuss areas of strength and weakness. Endeavour to address weak areas in a meaningful way.</li> <li>◇ Return all school materials, textbooks, resource materials, and student records at the end of each phase.</li> </ul>
--	--

### SUGGESTED TEACHING SCHEDULE

*Gradually, assume responsibility for teaching according to the **suggested schedule** below for Phase I. Teaching responsibility in Phase II should be assumed more quickly. Mentor Teachers and Teacher Interns are encouraged to use a team approach. Therefore, the suggested schedule refers to the level of involvement of the Teacher Intern and does not mean that the Mentor Teacher is removed from any oversight or teaching responsibilities. This is a suggested guideline and will vary according to the setting.*

<b>WEEK 1</b>	<ul style="list-style-type: none"> <li>◆ Orientation to school/classroom; observing, assisting, and interacting with students</li> <li>◆ University Supervisor may conduct a "meet and greet" visit</li> </ul>
<b>WEEK 2</b>	◆ Primary responsibility for one class in secondary school subject, or one block of time, subject, or activity in the elementary grade
<b>WEEK 3</b>	<ul style="list-style-type: none"> <li>◆ Teaching equivalent of two or three class periods each day</li> <li>◆ University Supervisor may conduct an informal evaluation</li> </ul>
<b>WEEK 4</b>	◆ Approximately half-time teaching
<b>WEEK 5 &amp; 6</b>	<ul style="list-style-type: none"> <li>◆ Full time teaching</li> <li>◆ University Supervisor may conduct two TIAI formal evaluations</li> </ul>
<b>WEEK 7</b>	◆ Transition of teaching back to the Mentor Teacher

<b>Responsibilities to the University and the University Supervisor</b>	<ul style="list-style-type: none"> <li>◇ The approved lesson plans and schedule of planned teaching and observation activities and Internship course assignments should be made available to the University Supervisor as directed. Submit other Internship assignments as directed, including a self-evaluation using the TIAI via Watermark. Maintain ongoing communication with the University Supervisor.</li> <li>◇ Attend all seminars and other functions assigned by university personnel. Failure to attend the final seminar will result in an incomplete grade, which must be cleared in accordance with university policy.</li> <li>◇ Complete a minimum of 2 alternate observations per phase and submit this and other assignments as directed for the ED 452 course.</li> <li>◇ Complete <i>Field Experience Time Log</i> weekly, and submit a final completed version as instructed by your University Supervisor.</li> <li>◇ Follow the absence policy in this handbook for all anticipated and unanticipated absences.</li> </ul>
---	---

## MENTOR TEACHER RESPONSIBILITIES

<p><b>Responsibilities to the Teacher Intern</b></p>	<ul style="list-style-type: none"> <li>◇ Please prepare the classroom students for the Teacher Intern. <b>Emphasis should be placed on the Teacher Intern as a “teacher” rather than as an “intern.”</b></li> <li>◇ Please collect a set of textbooks/resources for the Teacher Intern and provide helpful materials such as a daily schedule, class rolls, discipline plan, medical information, school handbook, and curriculum or guides.</li> <li>◇ Please provide a work area (desk or table) in the classroom for the Teacher Intern.</li> <li>◇ Please orient the Teacher Intern to the school through a tour of the building, introduction to the principal and other school personnel, and arrange a time to visit and observe throughout the school.</li> <li>◇ Please orient the Teacher Intern to the classroom physical environment: ventilation, temperature control, lighting, seating arrangements, bulletin boards, interactive white boards, housekeeping tasks, available supplies, instructional equipment, and technology.</li> <li>◇ Please explain record-keeping, evaluation methods, cumulative folders, and other record-keeping tasks.</li> <li>◇ Please inform the Teacher Intern about matters of school policy, management, drills (fire/tornado/intruder/etc.), and discipline policies.</li> <li>◇ Please include the Teacher Intern in attendance of all faculty and professional meetings, parent conferences, and other activities/duties expected of teachers. <b>Teacher Interns may not serve at a duty post without the Mentor Teacher or other faculty present.</b></li> <li>◇ Please support the Teacher Intern in lesson planning and evaluate them in time to allow for revisions. Set clear deadlines for submissions to allow time for appropriate and adequate review.</li> <li>◇ <b>Please engage in daily feedback and a coaching conference with the Teacher Intern at least once a week. Discuss your evaluation of the Intern’s teaching content knowledge, teaching skills, and professional dispositions.</b></li> <li>◇ Please assist the Teacher Intern in scheduling of 2 alternate observations in other classrooms, preferably within the first four weeks to avoid the Intern leaving the classroom once they have taken over teaching full time.</li> <li>◇ Please remain in the classroom at all times, and help the Teacher Intern analyze each lesson taught, determining strengths and weaknesses. Encourage the Teacher Intern to try their own ideas.</li> </ul>
<p><b>Responsibilities to the University and University Supervisor</b></p>	<ul style="list-style-type: none"> <li>◇ Please review and approve the Intern’s lesson plans with enough time for them to make revisions.</li> <li>◇ Please submit a weekly report form through the link provided by the University Supervisor, as soon as possible at the conclusion of the applicable week. These weekly reports are invaluable and are used by the University Supervisor to individualize coaching, address any issues/concerns, and provide additional resources/support, if needed.</li> <li>◇ Please contact the University Supervisor or Director of Field Experiences IMMEDIATELY if serious problems occur or patterns of undesirable behavior develop.</li> <li>◇ Please evaluate the Teacher Intern via Watermark by the deadline provided. A coaching conference with the Teacher Intern should follow. This includes the final TIAI and Professional Dispositions evaluations.</li> <li>◇ Please complete the online TIAI and Professional Dispositions trainings, which are explained in your initial email from the Director of Field Experiences and are also listed in the Internship Mentor Teacher Resource Guide provided by the deadline provided. <i>Required for CEU Compensation.</i></li> </ul>

## SCHOOL PRINCIPAL RESPONSIBILITIES

<p><b>Responsibilities to the Teacher Intern</b></p>	<ul style="list-style-type: none"> <li>◇ Please notify the Mentor Teacher of their assignment to a MUW Teacher Intern.</li> <li>◇ Please welcome the Teacher Intern to the school. Many principals plan an orientation to the school building, school policies, community background, etc. early in the experience.</li> <li>◇ <b>Please introduce the Teacher Intern at the next faculty meeting</b> to foster the feeling of being part of the school.</li> <li>◇ Please check periodically with the Mentor Teacher and/or the University Supervisor to assess the experience.</li> <li>◇ Please ensure that the Teacher Intern is not serving as a substitute teacher in other classrooms and is not left in a classroom without a teacher present, as these situations violate legal guidelines/requirements.</li> <li>◇ Please ensure that the Teacher Intern is assigned a substitute teacher or other school faculty/staff when their Mentor Teacher is absent from school</li> <li>◇ Please ensure that the Teacher Intern is accompanied by school/district faculty when serving at a duty post.</li> <li>◇ Please include the Teacher Intern in professional development or other professional meetings, when possible.</li> <li>◇ Please ensure that the Teacher Intern does not administer and does not serve as a witness for corporal punishment.</li> </ul>
<p><b>Responsibilities to the University and the University Supervisor</b></p>	<ul style="list-style-type: none"> <li>◇ Please inform the University Supervisor or Director of Field Experiences immediately in the event of a professionally troublesome experience or an emergency or a direct violation of the Mississippi Educator Code of Ethics and Standards of Conduct.</li> <li>◇ Please provide professional support and mentoring to the Teacher Intern whenever possible.</li> <li>◇ Please encourage the Teacher Intern to maintain a positive attitude about the teaching profession.</li> </ul>

## UNIVERSITY SUPERVISOR RESPONSIBILITIES

<p><b>Responsibilities to the Teacher Intern and to cooperating school</b></p>	<ul style="list-style-type: none"> <li>◇ Conduct an orientation meeting with assigned teacher interns to discuss expectations, guidelines, preferred communication, supervision style, due dates, and submission requirements for assignments, etc. This date is established during the first 10 days of the Professional Semester in collaboration with the Director of Field Experiences.</li> <li>◇ Communicate university procedure, routine, and evaluation expectations to the Teacher Intern, Mentor Teacher, and principal.</li> <li>◇ Visit each Teacher Intern within the first week of each phase, for the purpose of meeting the Mentor Teacher discussing the Teacher Intern's schedule and assignments, and addressing any questions or concerns.</li> <li>◇ Share with the Mentor Teacher your preferred communication method, including how to submit the Weekly Report form in Watermark.</li> <li>◇ Using Watermark and coaching conferences, evaluate the Teacher Intern using the TIAI, Professional Dispositions Rubric, and other assignment rubrics provided.</li> <li>◇ Visit each Teacher Intern a <b>MINIMUM of 4</b> times during <b>each phase</b>. The first one is a "meet and greet," and the remaining visits are devoted to observation and coaching with emphasis on strengths as well as suggestions for improvement. It is strongly urged that at least one visit per phase be unannounced. The final visitation of each phase should occur during the last two weeks for the purpose of final evaluation. Although only eight (8) visits are required, additional visits may be made at the discretion of the University Supervisor or at the request of the Mentor Teacher, principal, or Teacher Intern. At least six (6) observations of actual teaching should be a part of these visits.</li> <li>◇ Communicate regularly with the Mentor Teacher to discuss the Teacher Intern's progress.</li> <li>◇ Review the Teacher Intern's lesson plans and provide feedback needed for them to make suggested revisions in a timely manner. It is recommended that Domain I of the TIAI is used to evaluate the lesson plans.</li> <li>◇ Wear a university badge/ID and follow school district policies for entrance to the school grounds/facilities.</li> <li>◇ Recommend approval of Teacher Intern absences; Teacher Interns must submit the absence form.</li> <li>◇ Provide opportunities for the Teacher Intern to ask questions, clarify expectations, and express concerns. Be supportive and available to the Teacher Interns beyond the school visits.</li> </ul>
<p><b>Responsibilities to the University</b></p>	<ul style="list-style-type: none"> <li>◇ Submit signed estimated travel budget form to the School of Education Office prior to your first field experience travel. <i>This is a requirement of the MUW Resources Management Office.</i></li> <li>◇ Familiarize yourself with the current MUW Teacher Handbook.</li> <li>◇ Submit all required evaluation data to Watermark by the deadline provided.</li> <li>◇ Complete the required TIAI, Professional Dispositions, and Impact on Student Learning Common Assessment trainings, which are explained in the Internship University Supervisor Resource Guide and in the University Supervisor training. Training certifications are valid for three years, and trainings can be reviewed at any time.</li> <li>◇ Submit Teacher Intern Absence forms, as soon as they are complete, to the Director of Field Experiences to be documented and filed.</li> <li>d.) Submit mid-term and final grades via BANNER by the university deadline.</li> <li>e.) Submit the completed and accurate travel reimbursement at the end of the semester.</li> <li>f.) Submit any nomination forms by the deadline provided.</li> <li>g.) Inform the Director of Field Experience as soon as possible of a potentially troublesome situation.</li> <li>h.) Adjunct faculty should activate their MUW email accounts to ensure they do not miss any important information from the Registrar, Chair of the Department of Education, Dean of the School of Education, or other university faculty/administration.</li> </ul>

## DIRECTOR OF FIELD EXPERIENCES

<p><b>Responsibilities to the Teacher Intern and to the cooperating schools</b></p>	<ul style="list-style-type: none"> <li>◇ Evaluate and approve Teacher Intern admission applications.</li> <li>◇ Request placement of Teacher Interns. Work to ensure Teacher Interns are involved in experiences that will most effectively enhance their development.</li> <li>◇ Supply necessary forms and reports, including an up to date Teacher Education Handbook, to Teacher Interns, Mentor Teachers, and University Supervisors.</li> <li>◇ Serve as the identified liaison between the university and cooperating schools.</li> <li>◇ Conduct the student teaching seminars.</li> <li>◇ Continually assess the effectiveness of the Teacher Intern program through collecting feedback from Teacher Interns, Mentor Teachers, and University Supervisors, and make recommendations for strengthening the program.</li> <li>◇ Provide placement assistances to program graduates by cooperating with campus career servies for “Educator Interview Day,” sending graduate availability info to area school districts, circulating information on position openings to graduates, and responding to requests by administrators.</li> </ul>
<p><b>Responsibilities to the University</b></p>	<ul style="list-style-type: none"> <li>◇ Consult with the Chair of the Education Department regarding assignment of University Supervisors.</li> <li>◇ Provide access to necessary training for university supervisors and mentor teachers.</li> <li>◇ Work with University Supervisors and/or Teacher Interns to resolve problems with Internship or interpersonal relationships within a cooperating school.</li> <li>◇ Maintain files on Teacher Interns and program graduates. Prepare and administer the Field Experiences Budget.</li> <li>◇ Maintain appropriate records for the MUW Teacher Internship program and prepare MUW’s materials for the annual process review conducted by the Mississippi State Department of Education.</li> <li>◇ Ensure that University Supervisors and Mentor Techers have completed the required TIAI, Professional Dispositions, and Impact on Student Learning Common Assessment trainings.</li> <li>◇ Ensure that up-to-date Memorandums of Understanding (MOU) are on file for all cooperating school districts.</li> <li>◇ Provide support for, and follow up studies of, graduates of MUW’s Teacher Education program.</li> </ul>

## INTERNSHIP PROGRAM POLICES

### Lesson Plans

MUW requires that all teacher interns HAVE WRITTEN LESSON PLANS for all classes taught. Plans should align to the appropriate indicators of the Teacher Intern Assessment Instrument (TIAI) as directed by the University Supervisor. If it is the policy of the school, Teacher Interns may also be required to submit lesson plans to the principal. Lesson plans should be created using the MUW Lesson Plan template and the MUW lesson planning resources, which are introduced in ED 302 and used consistently throughout the Teacher Education programs. The Teacher Intern should confer with the Mentor Teacher after a lesson presentation to obtain input on effectiveness.

Some schools may provide a designated lesson plan book, plan sheet, or plan software. When such items are used, they serve as a supplement to the required lesson plans created using the MUW Lesson Plan template and submitted to the University Supervisor for review. **Teacher interns should consult with the University Supervisor regarding how and when lesson plans are to be submitted for evaluation according to course requirements. Please refer to the TIAI: Domain I: Indicators 1-6: Planning and Preparation for how lesson plans will be assessed.**

### ATTENDANCE AND ABSENCES

#### Attendance

Teacher Interns should follow the sign in and sign out procedure that is established at the school by the building administrator. Teacher Interns will follow the academic calendar of the school district to which they are assigned, not the academic calendar of MUW. If the teaching center is in session on a day when the university is not, the Teacher Intern is expected to be present. Teacher Interns must report to their cooperating school any time Mentor Teachers are asked to be present. This includes faculty meetings, staff development days, parent-teacher conference days, PTA or PTO meetings, etc. MUW's position is that the Teacher Intern should be present unless otherwise given special permission by the respective University Supervisor.

Attendance at the cooperating school includes reporting to the school for the full school day. This means the Teacher Intern should report to the school in the morning as required by the building administrator. Teacher Interns should dismiss from school each day as required by the building administrator. Teacher Interns should attend any additional school or professional meetings, functions, extra-curricular activities, and duty posts as directed by the building administrator. ***Teacher Interns should not serve at a duty post without school/district personnel present.***

#### Anticipated Absences

Teacher Interns are expected to perform assigned responsibilities at all times except in the case of unexpected personal illness or extraordinary circumstances. For approval and documentation of an anticipated absence, the *Teacher Intern Absence Form* must be completed by the Teacher Intern and submitted to the Mentor Teacher and University Supervisor at least five (5) days prior to an anticipated absence. Make up work may be required.

## **Personal Days**

Teacher Interns are provided **THREE** personal days during the Professional Semester for excuses related to illness, personal business, or emergency. Any additional full-day absence must be made up at the end of the semester, which may delay graduation. Arrangements for make-up days are to be made through the University Supervisor and the Director of Field Experiences.

Any day a Teacher Intern unexpectedly cannot report to Internship, the Mentor Teacher and University Supervisor must be notified **as early as possible**. Such notice will allow the Mentor Teacher to assume the Teacher Intern's responsibilities and will allow the University Supervisor to avoid making a visit when the Teacher Intern is not present. The *Teacher Intern Absence Form* must be completed, signed, and submitted to the University Supervisor as soon as possible by the Teacher Intern. Once the University Supervisor has discussed the absence with the Teacher Intern and signed the Teacher Intern Absence Form, it is submitted to the Director of Field Experience to be filed.

## **Interview Day**

Teacher Interns are provided **ONE** additional day during the Professional Semester for an absence related to a job or graduate school interview. This full-day allowance should only be used when travel to and from the interview would require the intern to miss a full day of school. Otherwise, partial make up time missed during the school day may be coordinated with the Mentor Teacher and University Supervisor.

This anticipated absence should be requested in advance for approval. The *Teacher Intern Absence Form* must be completed by the Teacher Intern and submitted to the Mentor Teacher and the University Supervisor at least five days prior to the anticipated absence. The *Teacher Intern Absence Form* must be completed and signed by all parties as indicated before submitting to the Director of Field Experiences.

## **Professional Day**

Teacher Interns who are invited to present at or attend a professional education conference with a MUW professor may do so accordingly, and the absence does not "count against" the allowable personal or interview days provided. This anticipated absence should be requested in advance for approval. The *Teacher Intern Absence Form* must be completed and signed by all parties as indicated before submitting to the Director of Field Experiences.

## **ADDITIONAL COURSEWORK AND OUTSIDE EMPLOYMENT**

Teacher Interns are enrolled in the ED 452: Educational Measurement course and appropriate Teacher Internship course. No other coursework may be taken except with special approval by the Director of Field Experiences. In cases when permission is granted, the approval form must be on record in the Teacher Intern's file. Because Teacher Internship is a full-time on-the-job experience and requires much planning and preparation beyond the 40-hour work week, Teacher Interns are discouraged from outside employment while enrolled in Teacher Internship. Teacher Interns who are engaged in outside employment must request approval for continued outside employment in the Teacher Internship application. Teacher Interns who do find it necessary to maintain some level of

employment are reminded that standards/expectations will not be compromised to accommodate the extra responsibilities.

### ***LEGAL STATUS OF THE TEACHER INTERN***

Teacher Interns are viewed as associate members of faculty with emphasis placed on their role as teachers whenever possible; however, they are not legal employees of the system and are subject to some restrictions.

#### **Pre-Service 101 License:**

Beginning the 2015-2016 academic year, each university in the State of Mississippi is required to submit a recommendation to the Mississippi Department of Education for each Teacher Intern to be issued a Pre-Service 101 License. This license is considered an initial license toward the standard Mississippi Educator License. The Pre-Service 101 License is subject to the same adherence to the Mississippi Educator Code of Ethics and Standards of Conduct as the standard Mississippi Educator License. For more information, please contact the [Mississippi Division of Educator Misconduct](#).

#### **Grading Student Work:**

Teacher Interns should work collaboratively with the Mentor Teachers in constructing assessments and assigning/entering grades/providing feedback via the school's grading system. *The **Mentor Teacher** is ultimately responsible for the final grades reported.*

#### **Corporal Punishment:**

For the protection of the Teacher Interns and the school district, ***Teacher Interns are not permitted to administer physical/corporal punishment and Teacher Interns are not permitted to serve as a witness for such punishment.***

#### **Serving as a Substitute:**

Although Teacher Interns should contribute to the school in every way possible, Teacher Interns who are not currently employed as assistant teachers ***cannot be used as substitute teachers and should not be used as assistant teachers.***

#### **Duty Posts:**

Serving at a duty post, according to the administrator's directive, is part of the Teacher Internship experience. However, ***Teacher Interns should not serve a duty post without school/district personnel present.***

#### **School Representative:**

Attendance at professional meetings/settings with the Mentor Teacher or school personnel designee is a part of the Internship experience. ***However, Teacher Interns should not solely attend/represent the school in any official capacity without the accompaniment of official school personnel and approval of the school administrator.*** This includes parent conferences, IEP meetings, professional development meetings, etc.

## ***RECOGNIZING AND REPORTING CHILD ABUSE***

Any person who knows or has reason to suspect abuse or neglect of a child by a parent, legal custodian, caregiver, or other person(s) responsible for the child's care, is required by law to make a report to the Mississippi Department of Child Protection Services. See Section 43-21-105 and Section 43-21-353 of the Mississippi Code for more information.

Teacher Interns must first notify the school building administrator and then notify the Director of Field Experiences prior to making an official report of suspected abuse or neglect.

<https://www.mdcp.ms.gov/programs/reporting-child-abuse-and-neglect>

The Dean of the School of Education is a mandatory reporter and will notify the Mississippi Department of Education of Teacher Intern reports of suspected abuse or neglect.

## ***TEACHER INTERNSHIP SEMINARS***

Three (3) on-campus or virtual seminar days are scheduled during the Internship semester. All interns are required to attend ***all*** seminars. Teacher Interns are expected to attend on time and remain for the entire length of the seminar day. Internship Seminar I occurs before Interns begin Phase I, Internship Seminar II occurs at the conclusion of Phase I and before the start of Phase II, and Internship Seminar III occurs after the last day of Phase II. For Interns who are contracted Assistant Teachers, please notify your administrator of the Internship Seminar dates and request approval to attend at the beginning of the Internship semester, as attendance is required.

## ***MISSISSIPPI EDUCATOR LICENSURE***

The Teacher Intern will be eligible for a Class A MS Educator's License upon completion of all degree requirements, Teacher Education program requirements, to include a minimum grade of "C" on teacher internship while maintaining a minimum overall GPA of 2.50 or better during the Professional Semester, and successful completion of all licensure exams required by the Mississippi Department of Education (see Licensure Exam section of the handbook for information about licensure exam requirements). The Intern must satisfactorily demonstrate all competencies on the TIAI and Professional Dispositions rubrics. The application process for Mississippi educator licensure is explained during the final Internship seminar. Candidates desiring to apply in other states should contact the respective certification offices in those states and request information and applications.

## ***EVALUATION OF THE TEACHER INTERN***

The evaluation of the Teacher Intern should be a continuous process. Teacher Interns are responsible for their own continuous process through the use of self-evaluation and regular conferences with the University Supervisor and Mentor Teacher. The University Supervisor serves as a representative of MUW and has the ultimate responsibility for assigning the final grade for the Teacher Intern. The Teacher Internship grade is the most important grade that a prospective teacher can receive and must be carefully considered. Prior to assigning the final Teacher Internship grade, the University Supervisor and the Phase I and Phase II Mentor Teachers will have completed evaluation forms and will be consulted many times. Letter grades are assigned. A letter grade of "C"

or above for each phase is required for successful completion of the Teacher Internship and eligibility for a MS Educator License. *If health reasons, unforeseen circumstances, or lack of time to demonstrate all competencies interfere with successful completion of the Teacher Internship experience within the time frame provided, an “Incomplete” may be granted with approval from the Director of Field Experiences, the Chair of the Department of Education, the Dean of the School of Education, and the Vice President for Academic Affairs.*

***WITHDRAWAL FROM THE TEACHER INTERNSHIP***

If a Teacher Intern finds it necessary to withdraw from Teacher Internship, the withdrawal policy outlined in the MUW catalog must be followed. In addition, the Mentor Teacher, principal, University Supervisor, and Director of Field Experiences must be notified immediately.

## Teacher Intern Absence Form

### Section I—Identifying Information

Teacher Intern:	
Mentor Teacher:	
School Placement:	

### Section II—Type of Absence

Type of Absence	Check one	Date(s) Absent
Personal Day		
Interview Day	<i>Complete Section III</i>	
Professional Day	<i>Complete Section III</i>	

### Section III—Absence Information

Interview Day	Professional Day
School District:	Education Conference:
Administrator:	Professor Attending:
Administrator's Contact Info:	Circle one: Presenting      or      Attending

### Section IV—Required Signatures

<i>Teacher Intern</i>	<i>Date</i>	
<i>Mentor Teacher</i>	<i>Date</i>	
<i>University Supervisor</i>	<i>Date</i>	
<i>Director of Field Experience</i>	<i>Date</i>	

**NOTE:** *Teacher Interns are expected to perform assigned responsibilities at all times except in the case of unexpected personal illness or extraordinary emergency circumstances. For other absences with strong, justifiable cause, this form must be completed by the Teacher Intern and submitted to the Mentor Teacher and University Supervisor at least 5 days prior to the anticipated absences. Makeup work may be required. Teacher Interns must abide by the Attendance and Absence policies as noted in the current Teacher Education Handbook.*

## REMOVAL FROM TEACHER INTERNSHIP

### Termination of a Placement

Although rare, sometimes a Teacher Intern's lack of progress in assuming classroom responsibilities (including but not limited to: poor planning and instruction, lack of professional dispositions and/or violation of the *Mississippi Educator Code of Ethics and Standards of Conduct* or the *Mississippi University for Women Code of Conduct*) may cause school officials and/or university officials to seek termination of the Teacher Intern's Internship Placement. If a Mentor Teacher or principal believes a Teacher Intern is not performing appropriately in the Internship Placement, the Mentor Teacher and/or principal must discuss the problems with the University Supervisor and the Teacher Intern. If the University Supervisor believes a Teacher Intern is not performing appropriately in the Internship placement, the University Supervisor must discuss the situation with the Mentor Teacher, principal, and Teacher Intern. After the discussion (regardless of whether the school personnel or the university personnel initiated the concern for lack of performance), the University Supervisor, Mentor Teacher, and Teacher Intern will collaboratively write an improvement plan.

The improvement plan will be signed by the Teacher Intern to confirm agreement to work toward meeting the goals of the improvement plan. If a Teacher Intern refuses to sign the plan, then a statement will be written on the plan indicating that the Teacher Intern refused to sign the plan. Upon completion of all signatures on the improvement plan, the plan will be submitted to the Office of Field Experiences for review and placement in the Teacher Intern's file. If the Teacher Intern shows continuous improvement, the Teacher Intern will proceed with the experience at the assigned Internship classroom with careful supervision.

The improvement plan may include not only teaching performance indicators but also professional dispositions. Professional behaviors that should be demonstrated include but are not limited to the following:

- Collaboration
- Reflection
- Integrity
- Learning Initiative
- Responsibility
- Respect
- Diversity

If the Mentor Teacher, principal, and/or University Supervisor continue to see no improvement in the Teacher Intern's performance within five (5) school days of the date of the Intern's signature on the improvement plan, a decision for termination may be made. The Mentor Teacher, principal, and University Supervisor will conference with the Director of Field Experiences. The Director of

Field Experiences will present the letter of termination to the Teacher Intern within three (3) school days of the conference with the University Supervisor and Mentor Teacher. The letter of termination shall include the date of termination and goals of the improvement plan that were not met.

### **Other Reasons for Termination**

Removal of a Teacher Intern from a cooperating school for reasons other than lacking in performance may be required in rare or emergency situations. Removal of a Teacher Intern from a cooperating school will be considered when any of the following situations occur:

- Safety of students is compromised by the intern.
- Violation of the Mississippi Educator Code of Ethics and Standards of Conduct.
- Violation of the Mississippi University for Women Code of Conduct (reference current MUW Graduate Bulletin).
- Unprofessional or unethical behavior in the school setting.
- Any evidence of a lack of sensitivity to multicultural situations by the Teacher Intern.
- Excessive absenteeism, tardiness, and/or failure by the Teacher Intern to comply with established rules and policies.
- Two incidents of no lesson plans. The first time in which there is no lesson plan, the Teacher Intern will be given a written warning; the second time lesson plans are not available may be cause for removal.
- Inappropriate interpersonal skills with students, staff, faculty, or administrators.
- Inappropriate attitude or hostility.
- Breach of confidentiality concerning a student.

Within three (3) school days of receiving a complaint supported by appropriate documentation, the Director of Field Experiences will convene a committee consisting of the Mentor Teacher, University Supervisor, and Teacher Intern to review the documentation of evidence, and a decision for termination or no termination will be made. The letter for decision of termination or no termination will be sent to the Teacher Intern within three (3) school days of the committee hearing.

### **Immediate Termination**

A Teacher Intern may be terminated immediately if continuing the placement compromises the safety of school students or if actions are a violation of the Mississippi Educator Code of Ethics and Standards of Conduct or the Mississippi University for Women Code of Conduct (reference current MUW Ungraduated Bulletin). Decisions for immediate termination should represent a consensus among the school principal or superintendent, the University Supervisor, the Mentor Teacher, and the Director of Field Experiences. A decision for immediate termination cannot be made unilaterally.

School personnel who believe their students are unsafe if a placement continues should immediately contact either the University Supervisor or the Director of Field Experiences. A University Supervisor who believes the students are unsafe should immediately contact the Director of Field Experiences. The Director of Field Experiences will schedule a meeting as quickly as possible with all persons involved for the purpose of discussing appropriate solutions.

Decisions for immediate termination should not be made lightly. These decisions should be made

only after other alternatives have been considered. These alternatives should include opportunities for the Teacher Intern to learn how to handle difficult or controversial situations that often arise in school settings.

### **Administrative Removal**

Teacher interns removed from Internship will be administratively removed from the Professional Semester. The Professional Semester includes Internship and ED 452: Educational Measurement. If a Teacher Intern is removed after the university's designated drop date, then the Teacher Intern must withdraw from Internship. Since this action is an administrative removal, the grades recorded for Teacher Internship and ED 452: Educational Measurement will be a "W." Note: Teacher Interns may lose all or part of tuition paid for the semester.

### **Appeals Procedure for the Teacher Intern**

#### **Action by the Teacher Intern**

A Teacher Intern appealing for readmission into the Teacher Internship will submit a typed letter to the Director of Field Experiences requesting a meeting with the Admissions/Appeals to Teacher Education Committee. In the written letter, the Teacher Intern will justify their request and describe the steps that have been taken to rectify the situation. Documentation explaining why they should be allowed to re-enroll and providing information about additional experiences that have been undertaken to help them remedy problems identified during the first Teaching Internship.

The letter will be forwarded to the Director of Field Experiences, who will then convene the Admissions/ Appeals Committee for Teacher Education. The Director of Field Experiences will send a letter to the Teacher Intern indicating the time and place of the meeting requesting that they be prepared to explain the situation and provide documentation to verify remediation and to answer questions by the committee members.

#### **Action of the Admissions/Appeals Committee for Teacher Education**

The committee can either accept or deny the Teacher Intern's appeal request. The Teacher Intern will be notified within five (5) school days of the committee's decision.

***NOTE: If the committee accepts the Teacher Intern's appeal and permits the student to re-enter Teacher Internship, the Teacher Intern will complete Internship the next semester (not the semester in which the removal occurred).***

## APPLICATION FOR DEGREE AND GRADUATION/COMMENCEMENT

Teacher Candidates are expected to complete the processes to apply for their degree and commencement. Failure to do so by the deadline established by the MUW Registrar's Office will result in a delay of conferring of the degree, minimally by one semester.

Mississippi University for Women holds commencement ceremonies in May (Spring semester), August (Summer semester) and December (Fall semester). Students should participate in the commencement ceremony of the semester they complete.

All undergraduate and graduate students must apply for degree online through their BANNER WEB account. Specific deadlines are established each semester for the submission of the degree/graduation application. Multiple notices are sent to current students' myapps email account with reminders of the cost and the deadline. The MUW Registrar's Office may not make any exceptions to any student who does not submit the application by the deadline. Failure to meet the deadline may result in a delayed graduation and consequently a delay in receiving the initial educator license or upgrade to an existing license.

Application for degree must be completed in order to be a candidate. **The student's university account will be charged when the application is submitted in Banner Web. Students do NOT need to send additional payment.** The amount must be paid online in your Banner Web account or at University Accounting (105 Welty Hall) before your diploma will be mailed.

Application fees, commencement dates and deadlines for application are published on the [Academic Calendar](#).

Regalia (cap and gown) must be ordered through The Bookend if a student plans to participate in the ceremony. All students MUST wear regalia to participate. Please go to [Student Regalia](#) to find out more information on ordering your regalia.

For additional information about the application for degree/commencement, please go to:

Office of the Registrar  
105 Welty Hall

662-329-7135

[www.muw.edu/registrar](http://www.muw.edu/registrar)

## **APPLICATION FOR A MISSISSIPPI EDUCATOR LICENSE**

Teacher Education program graduates are expected to complete the process to apply for the Class A MS Educator License after they have been notified by the Director of Field Experiences that the B.S. degree date has been conferred on the transcript AND they have successfully completed all licensure exams required by the Mississippi Department of Education (see the Licensure Exam section of the handbook for information on licensure exams). Students CAN graduate if they have not yet passed all required licensure exams, but they CANNOT be recommended for licensure until all required passing scores are documented in their MECCA account.

The application process is handled through this online portal at the Mississippi Department of Education:

### **MDE Educator Career Continuum Archive (MECCA)**

<https://mecca.mdek12.org/> (Application portal for Educator Licensure)

### **Mississippi Department of Education (MDE)**

[Office of Educator Licensure](#) (General information and FAQs)

601-359-3483

Candidates desiring to apply in other states should contact the respective certification offices in those states and request information and applications.

## TEACHER CANDIDATE IMPROVEMENT PLAN

(Student Initials) \_\_\_\_\_ This improvement plan is designed to provide the Teacher Candidate with *guidance and support* through communication and collaboration in the area(s) of significant concern related to professionalism, teaching, and learning. Guidance and support for implementation of the plan are provided as needed; however, it is understood that the ultimate responsibility for the correction of the deficiencies noted in the plan remains with the Teacher Candidate

(Student Initials) \_\_\_\_\_ The Teacher Candidate must show continuous improvement in all areas noted within a minimum of five (5) school days of the signature on this plan. Beyond five days from the signature on this plan, failure to show continuous improvement throughout the remainder of the program, may result in immediate termination from the program. See the *Teacher Education Handbook*.

## IMPROVEMENT PLAN EVALUATION WORKSHEET

The Improvement Plan Evaluation Worksheet should be completed at the end of a minimum of five (5) school days of the Teacher Candidate's signature on the improvement plan. The MUW instructor should submit the evaluation worksheet to the Director of Field Experiences and the Teacher Candidate's advisor. **Additional documentation of evidence may be attached.**

## ASSESSMENTS IN THE EDUCATOR PREPARATION PROGRAM

Four (4) Key Assessments and three (3) Program Assessments are used to evaluate Teacher Candidate's knowledge, skills, and dispositions. The achievement data from all assessments along with other program data (i.e., enrollment, completion, job placement, satisfaction/quality surveys) are used to monitor and evaluate the Educator Preparation Program (EPP) for continuous improvement.

### EPP KEY ASSESSMENTS

#	Traditional Initial Licensure Programs	Courses
<b>1.</b>	Impact on Student Learning	ED 452
<b>2.</b>	Professional Dispositions	All field based courses/Internship
<b>3.</b>	TIAI (evaluation based on submitted 5-Day Unit Plan and observations)	Methods course(s)/Internship (both Phases)
<b>4.</b>	Pre-Professional Portfolio	Begins with ED 200/ED 302 and continues through the final semester of Teacher Internship

### EPP PROGRAM ASSESSMENTS

#	Traditional Initial Licensure Programs	Courses
<b>5.</b>	TIAI: Domain I (evaluation based on submitted 3-Day Unit Plan and observations)	ED 302, ED 367
<b>6.</b>	Educational Philosophy	ED 302, Methods course(s), Internship
<b>7.</b>	Recorded Lesson Reflection Assignment	ED 302/311, Methods course(s), Internship

## APPENDIX A

### PRE-PROFESSIONAL PORTFOLIO ASSIGNMENT GUIDELINES

#### What is the pre-professional portfolio?

The MUW Education Department uses a Pre-Professional Portfolio assessment to evaluate Teacher Candidates' development across the degree program from the *ED 302 Art and Science of Teaching* course to the *ED 406/407/409 Teacher Internship*. The portfolio is not just a collection of artifacts from the Teacher Candidates' pre-professional experiences. Rather, it is a purposeful collection of artifacts showing evidence of growth in teaching skills and demonstration of one's own understanding of connecting theory to practice.

The pre-professional portfolio is the Teacher Candidate's tool for self-assessment within the framework of the InTASC Standards. The Teacher Candidate uses guided reflection to demonstrate the ability to self-assess in the areas of: ***learners and learning, content knowledge, instructional practice, and professional responsibility***. Through this reflective process, Teacher Candidates are able to assess their own teaching strengths and focus on areas toward continuous improvement, while setting goals for themselves as professional educators.

#### Professional Portfolio Submission Checklist

These are the items that you will need to include in your Professional Portfolio.

CHECKLIST	
	Cover Page
	Table of Contents
	Educational Philosophy (started in ED 302, completed in Internship)
	Artifacts from Watermark
	Resume
	Transcript
	PRAXIS Test scores, if taken (copy)
	Letters of Reference (3-5)

## Gathering Artifacts for the Pre-Professional Portfolio

Beginning with *ED 302: The Art and Science of Teaching*, the Teacher Candidate should begin collecting (in electronic format) **graded assignments** as artifacts that best represent their competency within each of the ten (10) InTASC standards. The artifacts will vary based on when a Teacher Candidate began the education program. Assignments that you submitted through Watermark are assignments that must be used as artifacts in the Professional Portfolio. Additional artifacts can be chosen from graded assignments that Teacher Candidate's feel represent their competency of the standards. See suggestions in the chart below.

STANDARD ALIGNMENT	COURSES	SUGGESTED ARTIFACTS
InTASC 1 – Learner Development TIAI #16; CAEP R1.1; TGR 2	ED 302 ED 360	-Lesson plan documenting knowledge of learner development, developmentally appropriate activities, and/or scaffolding instruction -Dream Project
InTASC 2 – Learning Differences TIAI # 2; CAEP R1.1; TGR 2	ED 306	-Assignments from ED 306 or lesson plans showing differentiated instruction, evidence of work with students with exceptionalities
InTASC 3 – Learning Environment TIAI #23; CAEP R1.1; TGR 7	ED 390 ED 435	-Classroom management plan that ensures a culturally inclusive, fair, and safe environment; video or photo arrays of the classroom with explanation -Future classroom blueprint (Methods)
InTASC 4 – Content Knowledge TIAI #14; CAEP R1.2; TGR 4	Methods Courses Internship	-Video clips of instruction, evaluations from Mentor Teacher; assignments from methods courses; critical analysis of Praxis II content area results -Website from Methods Course
InTASC 5 – Application of Content TIAI #17; CAEP R1.2; TGR 4	Methods Courses Internship	-Lesson plans with evidence showing plan for critical thinking engagement, video clips of instruction throughout program
InTASC 6 – Assessment TIAI #8; CAEP R1.3; TGR 3	ED 306 ED 361 ED 362 ED 452 ED 466	-Pre/post assessment, formative and summative assessments you developed with results and how you used for instruction, examples of data driven decision making, Impact on Student Learning
InTASC 7 – Planning for Instruction TIAI #6; CAEP R1.3; TGR 6	Methods Courses ED 435 Internship	-Lesson plan/unit showing sequence of learning over time, use of knowledge of students, and use of instructional technology
InTASC 8 – Instructional Strategies TIAI #15; CAEP R1.3; TGR 4	ED 302/ED 311 ED 367 Methods Courses ED 435 Internship	-Video clip of instruction, evaluations from Mentor Teacher; lesson plan with instructional technology
InTASC 9 – Professional Learning and Ethical Practice TIAI #25; CAEP R1.4; TGR 9	ED 435 Internship	-Certificates from professional training, certificates/minutes from PLCs, parent/teacher Meetings, pre-professional scenarios that presented an ethical dilemma related to the MS Educator Code of Conduct
InTASC 10 – Leadership and Collaboration TIAI #25; CAEP R1.4; TGR 9	ED 435 Internship	-Examples of collaboration with parents such as newsletters, notes, parent conferences, and events; descriptions of your work with colleagues, PLCs, and school specialists; other evidence of leadership activities related to teaching

## How to Use a Reflective Writing Process to Learn from Each Artifact

*“We do not learn from experience... we learn from reflecting on experience.”  
-John Dewey, American philosopher, psychologist and educational reformer (1859-1952)*

To demonstrate program experience alignment for each of the ten (10) InTASC standards, the Teacher Candidate will submit ten (10) artifacts (one for each standard as shown in the table on the previous page) along with a reflection (one for each standard) using the D-A-R format described below. Each reflection document should be submitted within the format and reflection framework as shown.

### REFLECTION OF InTASC #\_\_\_\_\_ Artifact

**Teacher Candidate:**

**Course:**

**Type of Artifact:**

**Description:** In this section, the Teacher Candidate should provide a clear, concise description of the artifact. The description should include the purpose and intended learning outcome(s) of the artifact with relevant information such as content area, grade level, etc.

**Analysis:** In this section, identify the **InTASC standard** for the focus of the reflection on this artifact and demonstrate how the artifact aligns specifically with the standard. The language associated with the standard should be used in the analysis. Justification of the alignment should be clearly stated and aligned with a research-based practice (**transfer**), including appropriate citation(s).

Additionally, the narrative in this section should provide the Teacher Candidate's interest/passion for the subject, instructional technology (**curiosity**), additional effort to the required work (**initiative**), and the developments of their own ideas beyond ideas provided by Mentor Teacher or course instructor (**independence**).

**Reflection:** In this section, the Teacher Candidate should **reflect** upon the artifact/experience using these guiding questions:

- 1.) What did you learn about the teaching from this artifact/situation? (Feeling)
- 2.) What did you learn about yourself from this artifact/situation? (Feeling)
- 3.) What do you consider a success related to this artifact/situation? (Evaluation)
- 4.) What do you consider an area for continuous improvement related to this artifact situation? (Evaluation)
- 5.) Based upon your reflection, what do you establish as a goal(s) for yourself as a future educator? (Action Plan)

## How Will the Instructor Evaluate the Pre-Professional Portfolio?

The instructor will not be evaluating the artifacts submitted. These are items from program experiences, which have already been evaluated. The instructor will evaluate the DAR accompanying each artifact using the rubric provided below. The Teacher Candidate is aiming for the **MILESTONES** level of the rubric. See the next page for tips on how to use the rubric to write your reflection in the DAR framework.

### FOUNDATIONS AND SKILLS FOR LIFELONG LEARNING VALUE RUBRIC

for more information, please contact [value@aacu.org](mailto:value@aacu.org)

Lifelong learning is “all purposeful learning activity, undertaken on an ongoing basis with the aim of improving knowledge, skills and competence.” An endeavor of higher education is to prepare students to be this type of learner by developing specific dispositions and skills (described in this rubric) while in school. (From The European Commission, 2000. Commission staff working paper: A memorandum on lifelong learning. Retrieved September 3, 2003, from [www.see-educoop.net/education\\_in/pdf/lifelong-oth-enl-t02.pdf](http://www.see-educoop.net/education_in/pdf/lifelong-oth-enl-t02.pdf).)

*Evaluators are encouraged to assign a zero to any work sample or collection of work that does not meet benchmark (cell one) level performance.*

CAEP	Indicator	Capstone			Benchmark
		4	3	2	
RI.3	<b>Curiosity</b>	Explores a topic in depth, yielding a rich awareness and/or little-known information indicating intense interest in the subject.	Explores a topic in depth, yielding <b>insight</b> and/or information <b>indicating interest in the subject.</b>	Explores a topic with some evidence of depth, providing occasional insight and/or information indicating mild interest in the subject.	Explores a topic at a surface level, providing little insight and/or information beyond the very basic facts indicating low interest in the subject.
RI.3	<b>Initiative</b>	Completes required work, generates and pursues additional opportunities to expand knowledge, skills, and abilities.	Completes <b>required work</b> , identifies and pursues opportunities to expand knowledge, skills, and abilities.	Completes required work and identifies opportunities to expand knowledge, skills, and abilities.	Completes required work.
RI.2	<b>Transfer</b>	Educational interests and pursuits exist and flourish outside classroom requirements. Knowledge and/or experiences are pursued independently.	<b>Beyond</b> classroom <b>requirements</b> , pursues substantial, additional knowledge and/or actively pursues independent educational experiences.	Beyond classroom requirements, pursues additional knowledge and/or shows interest in pursuing independent educational experiences.	Begins to look beyond classroom requirements, showing interest in pursuing knowledge independently.
RI.3	<b>Transfer</b>	Makes explicit references to previous learning and applies in an innovative (new and creative) way that knowledge and those skills to demonstrate comprehension and performance in novel situations.	Makes references to <b>previous learning and shows evidence</b> of applying that knowledge and those skills to demonstrate comprehension and performance in novel situations.	Makes references to previous learning and attempts to apply that knowledge and those skills to demonstrate comprehension and performance in novel situations.	Makes vague references to previous learning but does not apply knowledge and skills to demonstrate comprehension and performance in novel situations.
RI.1	<b>Reflection</b>	Reviews prior learning (past experiences inside and outside of the classroom) in depth to reveal significantly changed perspectives about educational and life experiences, which provide foundation for expanded knowledge, growth, and maturity over time.	Reviews prior learning (past experiences inside and outside of the classroom) in depth, revealing fully clarified meanings or indicating broader perspectives about educational or life events.	Reviews prior learning (past experiences inside and outside of the classroom) with some depth, revealing slightly clarified meanings or indicating a somewhat broader perspectives about educational or life events.	Reviews prior learning (past experiences inside and outside of the classroom) at a surface level, without revealing clarified meaning or indicating a broader perspective about educational or life events.

## How to Use the Rubric to Write Your Reflection in the DAR Framework

**Refer back to the DAR framework above** as your writing guide for the information and standards to include. As you write each **DAR**, consider the indicators in the **rubric** above for how the **A and R** sections of the reflection will be evaluated.

- Curiosity:** Reflect upon the artifact demonstrating your new insight on a topic, deepened interest in the subject/topic, application of new technology or information to engage students. (CAEP R1.3)
- Initiative:** Reflect upon the artifact demonstrating your skills and commitment to completing the required work based upon P-12 learning outcomes/standards. (CAEP R1.3)
- Independence:** Reflect upon the artifact demonstrating your ability to go beyond requirements possibly developing original ideas. (CAEP R1.2)
- Transfer:** Reflect upon the artifact demonstrating your ability to align theory into your practice by referencing previous learning from courses and research (cite sources). Include how you applied knowledge, skills, and strategies based upon the research. (CAEP R1.3)
- Reflection:** The R section of your reflection should demonstrate how you will use what was learned from the experience represented by this artifact to apply to your future career as a teacher. (CAEP R1.1)

# APPENDIX B

## TEACHER INTERN ASSESSMENT INSTRUMENT

### DOMAIN I: PLANNING AND PREPARA-

**\*Items 1-6 should be assessed from written lesson and unit plans, classroom observations, and from other artifacts (pretests, inventories, surveys, etc.)**

CAEP	InTAS	TGR	Indicators	Unacceptable	Needs	Meets Standard	Exceeds
R1.3	7	1	1. Develops measurable and observable grade and subject level objectives that are aligned with appropriate state curricula frameworks.	Objectives are not measurable, observable, or aligned with appropriate state curricula frameworks.	Objectives are aligned with appropriate state curricula frameworks, but they are not measurable or observable.	Objectives are measurable, observable, and aligned with appropriate state curricula frameworks.	<b>In addition to meets standard,</b> objectives are stated at different instructional levels based on individual needs of students (DOK Levels and/or Bloom's Taxonomy).
R1.1	2	2	2. Develops meaningful and authentic learning experiences that accommodate developmental and individual needs of each learner in the group.*	Does not develop meaningful nor authentic learning experiences that accommodate developmental and individual needs of each learner in the group.	Develops meaningful and authentic learning experiences, but accommodations are not made to meet individual needs of each learner in the group.	Develops meaningful and authentic learning experiences that accommodate developmental and individual needs of each learner in the group.	<b>In addition to meets standard,</b> provides evidence of research-based strategies that accommodate developmental and individual needs of each learner in the group.
*Examples include developing learning experiences (remediation, enrichment, accommodations) planned for students with disabilities or exceptionalities, students who are gifted, and students who represent diversity based on ethnicity, race, socioeconomic status, gender, language, religion, sexual identification, and/or geographic origin.							
R1.2	4	4	3. Integrates core content knowledge across and within subject areas in lessons when appropriate.	Instructional plans never integrate core content knowledge across and within subject areas.	Instructional plans integrate irrelevant core content knowledge across and within subject areas (does not make connections).	Instructional plans integrate core content knowledge across and within subject areas in lessons when appropriate.	<b>In addition to meets standard,</b> instructional plans include connections of content across disciplines.*
*To Exceed Standard, the instructional plans include integrating content connections across disciplines throughout the internship experience.							
R1.3	8	2	4. Plans appropriate and sequential teaching procedures that include innovative introductions and closures. Teaching procedures incorporate different teaching strategies that positively impact student learning and development.*	Does not plan appropriate or sequential teaching procedures that include innovative introductions and closures. Different teaching strategies are not utilized.	Plans lack logical sequence and different teaching strategies.	Plans appropriate and sequential teaching procedures that include innovative introductions and closures. Teaching procedures incorporate different teaching strategies that positively impact student learning and development.	<b>In addition to meets standard,</b> multiple lesson plans cited research-based evidence.
*Examples include but are not limited to the following: cooperative learning, discovery learning, demonstration, discussion, inquiry, simulation, etc.							
R1.3	6	3	5. Plans indicate use of appropriate assessments that effectively evaluate student learning and development.*	Plans do not indicate use of assessments that effectively evaluate student learning and development.	Plans indicate use of assessments but not all are appropriate.	Plans indicate use of appropriate assessments that effectively evaluate student learning and development.	<b>In addition to meets standard,</b> assessments are performance-based to enhance critical thinking and problem solving.
*Examples include assessments aligned with standards and objectives such as pre/post assessments, quizzes, unit tests, rubrics, and/or checklists.							

CAEP	InTASC	TGR	ISTE	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3	7	6	5	6. Plans include technology that will engage students in analysis, creativity, and deeper learning experiences to improve student growth, development, and understanding.*	Plans do not include technology that will engage students.	Plans lack logical use of technology.	Plans include technology that will engage students in analysis, creativity, and deeper learning experiences to improve student growth, development, and understanding.	<b>In addition to meets standard, multiple lesson plans</b> utilize technology to enhance learning opportunities.

\*Examples of technology include the implementation of digital learning programs using iPads, Chromebooks, PowerPoints, Smart Boards, Promethean Boards, cell phones, etc.

## DOMAIN II: ASSESSMENT

**\*Items 7 – 8 should reflect the teacher intern’s ability to effectively communicate assessment information to the students, provide feedback, and incorporate informal and formal assessments. Items should be assessed from written lesson and unit plans, classroom observations, and from other artifacts (pretests, inventories, surveys, etc.)**

CAEP	InTASC	TGR	Indicators	Unacceptable	Needs	Meets Standard	Exceeds
R1.3	6	3	7. Communicates assessment criteria and performance standards to the students and provides feedback to students about academic performance.	Does not communicate assessment criteria or performance standards to the students or provide feedback to students about academic performance.	Communicates assessment criteria and performance standards to the students. Fails to provide students with feedback.	Communicates assessment criteria and performance standards to the students and provides feedback to students about their academic performance.	Student input is sought in developing assessment criteria.  Provides clear and actionable feedback that helps the student understand what s/he did well and provides guidance for improvement.*

\*To meet the **Exceeds Standard**, intern must complete both stated requirements.

R1.3	6	3	8. Uses formative and summative assessments to differentiate learning experiences that accommodate the learning and development of each learner in the group.*	Does not use formative and summative assessments to differentiate learning experiences that accommodate the learning and development of each learner in the group.	Uses formative and summative assessments but fails to differentiate learning experiences that accommodate differences in learning and development of each learner in the group.	Uses formative and summative assessments to differentiate learning experiences that accommodate the learning and development of each learner in the group.	<b>In addition to meets standard,</b> conferences with individual students to assist with monitoring progress.
------	---	---	--	--	---	--	--

## DOMAIN III: INSTRUCTION

checklists, rating scales, rubrics, and remediation and enrichment activities.

**\*Items 9 – 19 should reflect the teacher intern’s overall ability to effectively communicate with students and implement innovative lessons using a variety of teaching strategies that meet the needs of all students. Items should be assessed from written lesson and unit plans and classroom observations.**

CAEP	InTASC	TGR	Indicators	Unacceptable	Needs	Meets Standard	Exceeds
R1.1	3	4	9. Uses standard written, oral, and nonverbal communication in instruction.	Does not use standard written, oral, and nonverbal communication in instruction.	Standard written, oral, and nonverbal communication is difficult to follow for students.	Uses standard written, oral, and nonverbal communication in instruction to engage students.	<b>In addition to meets standard,</b> enriches conversation with expressive language and vocabulary to engage students.
R1.1	3	4	10. Provides explicit written and oral directions for instructional activities.	Does not provide explicit written and oral directions for instructional activities.	Provides written and oral directions for instructional activities that are not explicit.	Provides explicit written and oral directions for instructional activities.	<b>In addition to meets standard,</b> uses concrete examples to model and to clarify tasks and concepts.

CAEP	InTASC	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.1	2	2	11. Communicates positive expectations for learning for all students.	Does not communicate positive expectations for learning for all students.	Has difficulty communicating positive expectations for learning for all students.	Communicates positive expectations for learning for all students.	<b>In addition to meets standard,</b> encourages all students to set positive expectations for themselves and peers.
R1.1	3	7	12. Conveys enthusiasm for teaching and learning for all students.	Does not convey enthusiasm for teaching and learning for all students.	Has difficulty conveying enthusiasm for teaching and learning for all students.	Conveys enthusiasm for teaching and learning for all students.	<b>In addition to meets standard,</b> elicits enthusiasm from students.
R1.1	3	5	13. Provides opportunities for all students to cooperate, communicate, and interact with each other to enhance learning.	Does not provide opportunities for all students to cooperate, communicate, and interact with each other to enhance learning.	Provides opportunities for all students to cooperate, communicate, and interact with each other but does not enhance learning.	Provides opportunities for the students to cooperate, communicate, and interact with each other to enhance learning.	<b>In addition to meets standard,</b> enhances the development of student leadership and provides opportunities for students to work cooperatively on projects/activities of their choice.
R1.2	4	4	14. Demonstrates content knowledge and an understanding of how to teach the content.	Does not demonstrate content knowledge and how to teach the content.	Has difficulty demonstrating content and content pedagogical knowledge.	Demonstrates content knowledge and an understanding of how to teach the content.	<b>In addition to meets standard,</b> uses a variety of instructional methods to ensure an understanding of the content

CAEP	InTASC	TGR	ISTE	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3	8	4	5, 6, 7	15. Uses a variety of appropriate teaching strategies, including technology, to impact student learning and development.*	Does not use a variety of appropriate teaching strategies, including technology, to impact student learning.	Has difficulty using a variety of appropriate teaching strategies, including technology, to impact student learning and development.	Uses a variety of appropriate teaching strategies, including technology, to impact student learning and development.	<b>In addition to meets standard,</b> uses a variety of appropriate <b>student-centered</b> teaching strategies to impact student learning and development.

\*Examples include use of teaching strategies such as cooperative learning, discovery learning, demonstration, discussion, inquiry, simulation, etc.

CAEP	InTASC	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.1	1	2	16. Planned learning experiences are implemented that accommodate differences in developmental and individual needs of each learner in the group.*	Does not implement planned learning experiences that accommodate differences in developmental and individual needs of each learner in the group.	Implements learning experiences, but fails to accommodate the differences in developmental needs of each learner in the group.	Implements planned learning experiences that accommodate differences in developmental and individual needs of each learner in the group.	<b>In addition to meets standard,</b> cites research to support the planned learning experiences.

\*Examples include students with disabilities or exceptionalities, students who are gifted, and students who represent diversity based on ethnicity, race, socioeconomic status, gender, language, religion, sexual identification, and/or geographic origin).

R1.2	5	4	17. Engages all students in critical thinking through higher-order questioning.*	Does not engage all students in critical thinking through higher-order questioning.	Relies on lower level questioning.	Engages all students in critical thinking through higher-order questioning.	<b>In addition to meets standard,</b> provides opportunities for students to apply concepts in problem-solving and critical thinking.
------	---	---	--	---	------------------------------------	---	---

\*Guiding questions need to be listed in lesson plans.

CAEP	InTASC	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3	8	4	18. Adjusts instruction as needed based on student input, cues, and individual/group responses.	Does not adjust instruction as needed based on student input, cues, and individual/group responses.	Elicits student input during instruction and attempts are made to adjust instruction based on student responses.	Elicits student input and adjusts instruction as needed based on student input, cues, and individual/group responses.	<b>In addition to meets standard,</b> constructs appropriate prompts to encourage student responses that expand and justify their reasoning. Revises instruction based on student responses.
R1.4	10	9	19. Uses family and/or community resources in instruction to impact student learning and development.*	Does not use family and/or community resources in instruction to impact student learning and development.	Attempts to use family and/or community resources to impact instruction but meaningful connections are not made.	Uses family and/or community resources in instruction to impact student learning and development.	<b>In addition to meets standard,</b> designs and organizes instruction to foster ongoing communication and high expectations for learners.

#### DOMAIN IV: LEARNING ENVIRONMENT

\*Items 20 - 24 should reflect the teacher intern's ability to manage the classroom environment in a way that is conducive to learning. Items should be assessed from classroom observations.

CAEP	InTASC	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.1	3	5	20. Adjusts the classroom environment to enhance positive peer relationships, motivation, and learning.	Does not adjust the classroom environment to enhance positive peer relationships, motivation, and learning.	Has difficulty adjusting the classroom environment to enhance positive peer relationships, motivation, and learning.	Adjusts the classroom environment and delivers instruction to enhance positive peer relationships, motivation, and learning.	<b>In addition to meets standard,</b> encourages students to develop self-monitoring skills.
R1.1	3	6	21. Attends to and delegates routine tasks.	Does not attend to and delegate routine tasks.	Attempts to attend to and delegate routine tasks but there is no consistency or established routine.	Attends to and delegates routine tasks.	<b>In addition to meets standards,</b> has a systematic routine for attending to and delegating tasks.
R1.1	3	5	22. Uses multiple strategies to foster appropriate student behavior according to individual and situational needs.	Does not manage student behavior.	Has difficulty applying appropriate strategies in managing student behavior.	Uses multiple strategies to foster appropriate student behavior according to individual and situational needs.	<b>In addition to meeting the standard,</b> students self-monitor their behavior.
R1.1	3	7	23. Creates a culturally inclusive environment that promotes fairness, safety, respect, and support for all students.	Does not create a culturally inclusive environment.	Has difficulty maintaining a culturally inclusive environment.	Creates and maintains a culturally inclusive environment that promotes fairness, safety, respect, and support for all students.	<b>In addition to meets standard,</b> cultural inclusivity is evident in student interactions.
R1.3	7	6	24. Maximizes instructional time.	Does not maximize instructional time.	Has difficulty maximizing instructional time.	Maximizes instructional time.	<b>In addition to meets standard,</b> transitions, routines and procedures are executed in an efficient manner with minimal teacher direction.

**DOMAIN V: PROFESSIONAL RESPONSIBILITIES**

**\*Item 25 should reflect the teacher intern’s ability to collaborate with professional colleagues to involve parents and/or guardians in the student’s learning and development. Items should be assessed from written lesson and unit plans, classroom observations, and from other artifacts (inventories, surveys, and other docu-**

CAE P	InTASC	TGR	ISTE	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.4	10	9	4	25. Collaborates with professional colleagues (classroom mentor teacher and/or university supervisor) to communicate with families about student learning and development.	Does not collaborate with professional colleagues to communicate with families about student learning and development.	Has difficulty collaborating with professional colleagues to communicate with families about student learning and development.	Collaborates with professional colleagues to communicate with families about student learning and development.	<b>In addition to meets standard,</b> engages in ongoing professional learning opportunities with professional colleagues, and seeks advice/information from experienced educators.

\*Examples include documented evidence such as PLCs, data meetings, newsletters, positive notes, extracurricular activities, professional development opportunities, conferences, etc.

## APPENDIX C

### PROFESSIONAL DISPOSITIONS RUBRIC

DOMAIN I: PROFESSIONALISM & ACADEMIC INTEGRITY DISPOSITIONS					
MCoE	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
9	1. The teacher candidate protects <b>confidential information</b> concerning students and/or colleagues unless the law requires disclosure.	The teacher candidate <b>reveals</b> confidential information concerning students and/or colleagues.	The teacher candidate <b>unknowingly reveals</b> confidential information concerning students and/or colleagues.	The teacher candidate <b>protects</b> confidential information concerning students and/or colleagues unless the law requires disclosure.	The teacher candidate <b>protects</b> confidential information concerning colleagues and/or students unless the law requires disclosure and <b>encourages others</b> to do the same.
5	2. The teacher candidate demonstrates <b>maturity and sound judgment</b> in all interactions with peers, university and P-12 personnel, and parents.	The teacher candidate exercises <b>unethical conduct</b> with colleague(s). {This could include, but is not limited to revealing confidential information, making false statements about a colleague and/or the school system, discriminating against a colleague, using coercive means, and promising of special treatment in order to influence professional decisions of colleagues.}	The teacher candidate <b>lacks maturity and/or sound judgment</b> that results in one or more interactions with colleagues.	The teacher candidate <b>demonstrates maturity and sound judgment</b> in all interactions with peers, university and P-12 personnel, and parents.	The teacher candidate <b>demonstrates maturity and sound judgment</b> in all interactions with colleagues and works to build consensus in the workplace.
6	3. The teacher candidate follows <b>all university and P-12 school policies</b> including but not limited to policies for alcohol, drug, tobacco, and social media use.	The teacher candidate <b>fails to follow</b> all university and P-12 school policies. This could include being found possessing or under the influence of alcohol, drugs, and/or tobacco while in any professional setting.	The teacher candidate <b>lacks an understanding</b> of all university and P-12 school policies including but not limited to policies for alcohol, drug, tobacco and social media use.	The teacher candidate <b>follows</b> all university and P-12 school policies including but not limited to policies for alcohol, drug, tobacco, and social media use.	The teacher candidate <b>follows</b> all university and P-12 school policies including but not limited to policies for alcohol, drug, tobacco, and social media use, and <b>uses teachable moments or planned instruction to reinforce</b> school policy.
DOMAIN II: CHARACTER DISPOSITIONS					
MCoE	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
2	4. The teacher candidate exemplifies <b>honesty and integrity</b> (honesty, tact, and fairness) with all stakeholders during his/her time in the program.	The teacher candidate <b>does not exemplify</b> honesty and integrity with all stakeholders during his/her time in the program and/or knowingly engages in deceptive practices regarding official policies and procedures.	The teacher candidate <b>demonstrates an effort</b> toward honesty and integrity with all stakeholders during his/her time in the program.	The teacher candidate <b>exemplifies honesty and integrity</b> with all stakeholders during his/her time in the program.	The teacher candidate <b>exemplifies</b> honesty and integrity with all stakeholders and <b>encourages students</b> to also act with honesty and integrity.
1	5. The teacher candidate accepts <b>constructive criticism</b> in a positive manner.	The teacher candidate is <b>non-receptive and/or rejects</b> constructive criticism.	The teacher candidate <b>listens</b> to constructive criticism, <b>but disagrees</b> with various comments, feedback, suggestions, and recommendations.	The teacher candidate <b>accepts</b> constructive criticism in a positive manner.	The teacher candidate <b>accepts</b> constructive criticism in a positive manner and also <b>self-reflects and participates in professional development activities</b> to promote personal professional growth.

**DOMAIN III: CLINICAL/FIELD EXPERIENCES  
DISPOSITIONS**

MCoE	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
4	6. The teacher candidate provides <b>fair and equitable opportunities</b> for all P-12 students <b>in a non-discriminatory manner</b> .	The teacher candidate <b>shows bias</b> against certain students or groups of students based on race, gender, national origin, religion, or disability.	The teacher candidate plans one-size-fits-all instruction and <b>makes little or no attempt to learn</b> about students' prior knowledge, learning preferences, or interests and needs.	The teacher candidate provides <b>fair and equitable opportunities</b> for all P-12 students <b>in a non-discriminatory manner</b> .	The teacher candidate <b>provides fair and equitable opportunities</b> for all P-12 students <b>in a non-discriminatory manner</b> by nurturing the intellectual, physical, emotional, social, and civic potential of all students.
4	7. The teacher candidate maintains a <b>professional relationship</b> with all students both inside and outside professional settings.	The teacher candidate <b>exercises poor judgment</b> when dealing with student (s). Inappropriate actions and/or body language, speech, and/or electronic communications result in a student <b>being unsafe, endangered, threatened, or harassed</b> .	The teacher candidate <b>exhibits inappropriate</b> speech, electronic communication, and/or actions that result/may result in a student <b>feeling unsafe, endangered, threatened, or harassed</b> .	The teacher candidate <b>maintains a professional relationship</b> with all students both inside and outside professional settings.	The teacher candidate <b>models professionalism</b> in all interactions with students and <b>encourages students</b> at every opportunity to treat each other with respect.

### IMPACT ON STUDENT LEARNING

#### CONTEXTUAL FACTORS

CAEP	InTAS C	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.1	2	7	<p>1.1. Community and school information</p> <p>The teacher candidate (TC) discusses the following information about the community and school: Geographic location; Community/school population; Socio-economic status; and Type of school (locale, grade levels, and other pertinent characteristics).</p>	<p>The TC <b>does not discuss information for any of the areas</b> about the community and school and/or the provided information is inaccurate</p>	<p>The TC provides an <b>incomplete or inaccurate</b> description of characteristics of the community and school <b>for any of the following areas:</b> Geographic location; Community/school population; Socio-economic status; and Type of school (locale, grade levels, and other pertinent characteristics).</p>	<p>The TC provides an <b>accurate and comprehensive</b> description for each of the following: information about the community and school: Geographic location; Community/school population; Socio-economic status; and Type of school (locale, grade levels, and other pertinent characteristics).</p>	<p>The TC provides an <b>accurate and comprehensive</b> description for each of the following information about the community and school: Geographic location; Community/school population; Socio-economic status; and Type of school (locale, grade levels, and other pertinent characteristics).</p> <p><i>The TC also discusses the following: Community support for education and Other factors in the environment that impact education.</i></p>
R1.1	3	7	<p>1.2. Classroom Information</p> <p>The teacher candidate (TC) describes classroom factors including physical features, technology resources, parental/guardian involvement, and grouping practices (whole group, small group, pairs, etc.)</p>	<p>The TC describes <b>inaccurate</b> classroom factors related to the following: physical features, technology resources, parental/guardian involvement, and grouping practices (whole group, small group, pairs, etc.).</p>	<p>The TC provides an <b>accurate but incomplete</b> description of the following classroom factors or the TC provides a narrow scope of descriptions for the following classroom factors: physical features, technology resources, parental/guardian involvement, and grouping practices (whole group, small group, pairs, etc.)</p>	<p>The TC provides an <b>accurate and comprehensive</b> description for each of the following factors: physical features, technology resources, parental/guardian involvement, and grouping practices (whole group, small group, pairs, etc.).</p>	<p>The TC provides an <b>accurate and comprehensive</b> description for each of the following factors: physical features, technology resources, parental/guardian involvement, and grouping practices (whole group, small group, pairs, etc.).</p> <p><i>The TC also describes how groups were determined, classroom rules and routines, scheduling, and additional teachers/students that enter or leave the classroom on a regular basis.</i></p>

CAEP	InTAS C	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.1	2	2	<p>1.3. Student Characteristics</p> <p>The teacher candidate (TC) describes each of the following student characteristics that impact students and the learning environment including grade/age level, gender, race/ethnicity/ culture, special needs, achievement levels, language, interests, and learning differences.</p>	<p>The TC describes <b>inaccurate or incomplete classroom and student characteristics</b> that impact students and the learning environment including grade/age level, gender, race/ethnicity/ culture, special needs, achievement levels, language, interests, and learning differences.</p>	<p>The TC provides an <b>accurate but incomplete</b> description of the following student characteristics that impact students and the learning environment including grade/age level, gender, race/ethnicity/ culture, special needs, achievement levels, language, and interests, and learning differences.</p>	<p>The TC provides an <b>accurate and comprehensive</b> description for each of the student characteristics that impact students and the learning environment including grade/age level, gender, race/ethnicity/ culture, special needs, achievement levels, language, interests and learning differences.</p>	<p>The TC provides an <b>accurate and comprehensive</b> description for each of the student characteristics that impact students and the learning environment including grade/age level, gender, race/ethnicity/ culture, special needs, achievement levels, language, and interests, and learning differences.</p> <p><i>The TC also includes background information from parents/guardians and/or teachers that is helpful in better understanding student characteristics.</i></p>

**LEARNING GOALS AND OBJECTIVES FOR UNIT AND/OR GROUP LESSONS**

CAEP	InTAS C	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3	7	1	<p>2.1. MCCRS and Unit or Group of Lessons Topic and Learning Goals</p> <p>The teacher candidate (TC) identifies MCCRS/s that correlate with the unit or group of lessons topic and overall unit purposes/goals and describes and justifies the lesson plans learning purposes/goals.</p> <p><i>*MCCRS refers to the Mississippi College- and Career-Readiness Standards</i></p>	<p>The TC <b>does not identify</b> MCCRS/s that correlate with the unit or group of lessons topic and overall unit purposes/goals and does not describe the lesson plans learning purposes/goals</p>	<p>The TC <b>identifies</b> MCCRS/s that correlate with the unit or group of lessons topic and overall unit purposes/goals but <b>does not</b> describe the lesson plans learning purposes/goals</p>	<p>The TC <b>identifies</b> MCCRS/s that correlate with the unit or group of lessons topic and overall unit purposes/goals and <b>describes</b> the lesson plans learning purposes/goals</p>	<p>The TC <b>identifies</b> MCCRS/s that correlate with the unit or group of lessons topic and overall unit purposes/goals and <b>describes</b> the lesson plans learning purposes/goals.</p> <p><i>The TC also includes a chart/table that clarifies the standards and topics and describes how the overall learning goal supports previous goals and/or will support future learning goals.</i></p>

CAEP	InTAS C	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.1	1	2	2.2. Appropriateness of Objectives  Daily objectives, aligned with MCCRS, connect to the real world and are appropriate for the students' development, prerequisite knowledge, skills, experiences, and/or other needs of students as indicated in the Contextual Factors.	Daily learning goals and objectives are <b>not aligned with MCCRS and do not reflect</b> a connection to the real world or to the TC's research on community, school, or classroom factors. The objectives <b>do not consider</b> students' development, characteristics, experiences, skills, or prior learning.	Daily learning goals and objectives, <b>aligned with MCCRS, reflect a connection</b> to the real world and the TC's research on community, school, and classroom factors <b>but does not take into consideration</b> knowledge of students' development, characteristics, experiences, skills, or prior learning	Daily learning goals and objectives, <b>aligned with MCCRS, reflect a connection</b> to the real world and to the TC's contextual information/ findings on factors including, but not limited to, knowledge of student' development, characteristics, experiences, skills, and prior learning.	Daily learning goals and objectives, <b>aligned with MCCRS, reflect a connection</b> to the real world and to the TC's contextual information/findings on factors including, but not limited to, knowledge of students' development, characteristics, experiences, skills, and prior learning.  <i>The TC also includes objectives that demonstrate differentiation using Bloom's/DOK levels.</i>

### ASSESSMENT PLAN

CAEP	InTAS C	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3	6	3	3.1. Assessment Plan Overview  The teacher candidate (TC) provides an Assessment Plan Overview Table that includes varying daily assessments with Bloom's/DOK levels that match objectives and includes accommodations /modifications based on individual needs of student or contextual factors.	The TC <b>does not include</b> an Assessment Plan Overview Table or assessments <b>do not align</b> with the daily objectives or accommodations/ modifications <b>are not included or are not based on</b> individual student needs or contextual factors.	The TC <b>provides</b> an Assessment Plan Overview Table that is <b>incomplete and does not include</b> all daily assessments that match daily objectives AND/OR accommodations/ modifications <b>are not included</b> based on individual student needs or contextual factors.	The TC <b>provides</b> an Assessment Plan Overview Table that includes varying daily assessments with Bloom's/DOK levels that match objectives and <b>includes</b> accommodations/ modifications based on individual needs of student or contextual factors/ findings.	The TC <b>provides</b> an Assessment Plan Overview Table that includes varying daily assessments with Bloom's/DOK levels that match objectives and <b>includes</b> accommodations/ modifications based on individual needs of student or contextual factors/ findings.  <i>The TC also discusses the alignment of assessments to objectives and includes a rationale for each modification based on individual needs of students or contextual factors/ findings.</i>

CAEP	InTASC	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3	6	3	<p>3.2. Pre-Assessment and Summative Assessment</p> <p>The teacher candidate (TC) provides descriptions of the pre- and post assessments, noting when assessments will be administered, and criteria used to establish mastery.</p>	<p>The TC <b>does not</b> describe how the pre-assessment and summative assessment are administered, or how the assessments are aligned with daily objectives, or the criteria used to establish mastery, or the TC <b>does not include</b> copies of these assessments and scoring guides (rubrics, answer keys, etc.).</p>	<p>The TC <b>provides incomplete</b> descriptions of how the pre-assessment and summative assessment are administered, how the assessments are aligned with daily objectives, or the criteria used to establish mastery.</p> <p>Copies of the pre- and post-assessments and scoring guides (rubrics, answer keys, etc.) are <b>included</b>.</p>	<p>The TC <b>describes</b> how the pre-assessment and summative assessment are administered, how the assessments are aligned with daily objectives, and the criteria used to establish mastery. The TC <b>includes</b> copies of these assessments and scoring guides (rubrics, answer keys, etc.), and descriptions of when assessments will be administered.</p>	<p>The TC <b>describes</b> how the pre-assessment and summative assessment are administered and the criteria used to establish mastery. The TC <b>includes</b> copies of these assessments and scoring guides (rubrics, answer keys, etc.), and descriptions of when assessments will be administered.</p> <p><i>The TC also describes how the assessments are constructed to both minimize bias and to ensure valid conclusions are drawn based on student performance on assessments.</i></p>
R1.3	6	3	<p>3.3. Daily Assessments (Formative Assessments)</p> <p>The teacher candidate (TC) describes the use of multiple methods and approaches for assessing student learning and provides a rationale for each assessment and an explanation of progress monitoring.</p>	<p>The TC <b>does not provide</b> a description of the use of multiple methods and approaches for assessing student learning, the rationale for each assessment, or explanation of progress monitoring. Copies of 1-2 formative assessments are <b>not included</b>.</p>	<p>The TC <b>provides</b> an incomplete or inaccurate description of the use of multiple methods and approaches for assessing student learning, the rationale for each assessment, or explanation of progress monitoring. Copies of 1-2 formative assessments (include scoring guides if applicable) are <b>not all included</b> or <b>do not vary</b> in type.</p>	<p>The TC <b>describes</b> the use of multiple methods and approaches for assessing student learning and provides a rationale for each assessment and an explanation of progress monitoring. Copies of 1-2 formative assessments (include scoring guides if applicable) are <b>included</b>.</p>	<p>The TC <b>describes</b> the use of multiple methods and approaches for assessing student learning and provides a rationale for each assessment and an explanation of progress monitoring. Copies of 1-2 formative assessments (include scoring guides if applicable) are included.</p> <p><i>The TC also describes how specific assessments address individual differences. (INTASC 6k)</i></p>
R1.3	6	3	<p>3.4. Assessment Data</p> <p>The teacher candidate (TC) provides an assessment data table that documents individual performance on a pre-assessment, 1-2 formative assessments, and a summative assessments. Mastery criteria for each assessment is included for all students.</p>	<p>The TC does not provide an assessment data table for keeping track of student performance on a pre-assessment, 1-2 formative assessments, and a summative assessments.</p>	<p>The TC provides an incomplete or unorganized assessment data table for keeping track of student performance on a pre-assessment, 1-2 formative assessments, and a summative assessments.</p>	<p>The TC provides an assessment data table that documents individual student's performance on a pre-assessment, 1-2 formative assessments, and a summative assessments. Mastery criteria for each assessment is included for all students.</p>	<p>The TC provides an assessment data table that documents individual student's performance on a pre-assessment, 1-2 formative assessments, and a summative assessments. Mastery criteria for each assessment is included for all students.</p> <p><i>The TC also discusses how students will be given opportunities to review and communicate about their own progress and learning. (INTASC 6q)</i></p>

CAEP	InTASC	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3	6	3	<p>3.5. Communication of Assessment Results</p> <p>The teacher candidate (TC) describes a plan for communicating assessment expectations, results, and descriptive feedback that is timely and effective to all students. The plan submitted includes a method for learners to monitor their own progression through the unit.</p>	The TC <b>does not provide</b> a plan for communicating assessment expectations, results, or feedback.	The TC <b>provides</b> a plan for communicating assessment expectations, results, and feedback to all students, but the plan <b>lacks a method</b> for students to monitor their own progression through the unit.	The TC <b>describes</b> a plan for communicating assessment expectations, results, and descriptive feedback that is timely and effective to all students. The plan submitted <b>includes a method</b> for students to monitor their own progression through the unit.	<p>The TC <b>describes</b> a plan for communicating assessment expectations, results, and descriptive feedback that is timely and effective to all students. The plan submitted <b>includes a method</b> for students to monitor their own progression through the unit.</p> <p><i>The TC also includes a variety of strategies for communicating feedback to all students.</i></p>

### INSTRUCTIONAL DESIGN

CAEP	InTASC	TGR	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3	7	2	<p>4.1. Accommodations/modifications to Instruction Based on Pre-Assessment Data Analysis</p> <p>The teacher candidate (TC) analyzes pre-assessment data to determine accommodations/modifications to instruction with descriptions of the accommodations/modifications for the whole group, subgroups of students, or for individual students.</p>	The TC <b>does not</b> analyze pre-assessment data or use the results to identify patterns of student performance relative to learning goals and objectives and <b>does not describe</b> instructional modifications for the whole group, subgroups of students, or for individual students	The TC <b>analyzes</b> pre-assessment data and uses the results to identify patterns of student performance relative to learning goals and objectives <b>but does not describe</b> instructional modifications for the whole group, subgroups of students, or for individual students.	The TC <b>analyzes</b> pre-assessment data and uses the results to identify patterns of student performance relative to learning goals and objectives and <b>describes</b> instructional modifications for the whole group, subgroups of students, or for individual students.	<p>The TC <b>analyzes</b> pre-assessment data and uses results to identify patterns of student performance relative to learning goals and objectives and <b>describes</b> instructional modifications for the whole group, subgroups of students, or for individual students.</p> <p><i>The TC also provides a research-based findings/contextual information for the instructional accommodations/modifications for whole group, for subgroups, and individual students.</i></p>
R1.1	2	4	<p>4.2. Differentiation</p> <p>The teacher candidate (TC) provides evidence of research-based strategies or procedures to differentiate learning for all students.</p>	The TC <b>does not include</b> evidence of research-based strategies or procedures to differentiate learning for all students.	<b>The teacher candidate (TC) provides evidence of research-based strategies or procedures to differentiate learning for all students</b> based on students' skill levels, learning differences, multiple intelligences, and <b>does not reference</b> specific individual student characteristics as described in the contextual factors' sections.	<b>The teacher candidate (TC) provides evidence of research-based strategies or procedures to differentiate learning for all students</b> based on students' skill levels, learning differences, multiple intelligences, and <b>references</b> specific individual student characteristics as described in the contextual factors' sections.	<p><b>The teacher candidate (TC) provides evidence of research-based strategies or procedures to differentiate learning for all students</b> based on students' skill levels, learning differences, multiple intelligences, and <b>references</b> specific individual student characteristics as described in the contextual factors' sections.</p> <p><i>The TC also provides citations that the instructional strategies are research-based.</i></p>

CAEP	InTASC	TGR	ISTE	Indicators	Unacceptable (0)	Needs Improvement (1)	Meets Standard (2)	Exceeds Standard (3)
R1.3 R2.3	8	6	5 6 7	4.3. Technology – Teacher Candidate The teacher candidate (TC) describes how technology is used to facilitate, create, track, analyze, and communicate student learning (learning management systems, interactive websites, virtual learning, videoconferencing, digital learning, interactive tutorials, collaboration including the use of networks in instruction, etc.). The TC describes how the use of technology will facilitate higher level skills such as analyzing, synthesizing, and evaluating.	The TC <b>did not use</b> technology in the lesson plans to facilitate, create, track, analyze, and communicate student learning. The TC <b>does not describe how</b> the use of technology will facilitate higher level skills such as analyzing, synthesizing, and evaluating.	The TC describes how technology and learning management systems are used to facilitate, create, track, analyze, and communicate student learning <b>but does not describe</b> how the use of technology will facilitate higher level skills such as analyzing, synthesizing, and evaluating.	The TC describes how technology and learning management systems are used to facilitate, create, track, analyze, and communicate student learning. The TC describes how the use of technology will facilitate higher level skills such as analyzing, synthesizing, and evaluating.	The TC describes how technology and learning management systems are used to facilitate, create, track, analyze, and communicate student learning. The TC describes how the use of technology will facilitate higher level skills such as analyzing, synthesizing, and evaluating.  <i>The TC also describes how multiple forms of current technology are used to research, learn, create, communicate, and track student learning.</i>
R1.3 R2.3	8	6	6	4.4 Technology –Student Use The teacher candidate (TC) describes how technology is used by students to research, create, communicate, and present. The TC explains how students used technology to analyze, synthesize, and evaluate.	The TC <b>does not</b> describe how technology is used by students to research, create, communicate, and present and <b>does not explain</b> how students used technology to analyze, synthesize, and evaluate.	The TC describes how technology is used by students to research, create, communicate, and present <b>but does not explain</b> how students used technology to analyze, synthesize, and evaluate.	The TC describes how technology is used by students to research, create, communicate, and present. The TC explains how students used technology to analyze, synthesize, and evaluate.	The TC describes how technology is used by students to research, create, communicate, and present. The TC explains how students used technology to analyze, synthesize, and evaluate.  <i>The TC also describes how <b>students</b> used multiple forms of current technology to research, learn, create, communicate, and track student learning.</i>
R1.4	10	9	7	4.5. Plan for Parent/Guardian Communication The teacher candidate (TC) describes the plan for communicating with parents/guardians about unit/lesson information, explains how individual student progress was shared with parents/guardians, and provides evidence of parent/guardian communication.	The TC <b>describes an incomplete plan</b> for disseminating unit information <b>and</b> explaining how individual student progress was shared with parents/guardians. The TC <b>does not</b> provide evidence of communication with parents or guardians.	The TC <b>describes an incomplete plan</b> for disseminating unit/ lesson information or explaining how individual student progress was shared with parents/guardians but does provide evidence of some communication with parents/ or guardians.	The TC <b>describes the plan</b> for disseminating unit/ lesson information, explains how individual student progress was shared with parents/guardians, and provides evidence of parent/guardian communication.	The TC <b>describes a plan</b> for disseminating unit/ lesson information and communicating student progress to parents and/or guardians. The TC <b>provides multiple pieces of evidence of</b> consistent communication with parents or guardians.  <i>The TC also provides examples of communication with parents and/or guardians that fosters a sense of trust that acknowledges their contributions to their students' education.</i>

## INSTRUCTIONAL DECISION-MAKING
